## ***The Rapture Exposed 2007-03-30***

the idea of the rapture the return of christ to rescue and deliver christians off the earth is an extremely popular interpretation of the bible's book of revelation and a jumping off point for the best selling left behind series of books this interpretation based on a psychology of fear and destruction guides the daily acts of thousands if not millions of people worldwide in the rapture exposed barbara rossing argues that this script for the world's future is nothing more than a disingenuous distortion of the bible the truth rossing argues is that revelation offers a vision of god's healing love for the world the rapture exposed reclaims christianity from fundamentalists destructive reading of the biblical story and back into god's beloved community

## **Why I Believe in a Pre-Tribulation Rapture 2018-02-21**

are you confused about end time events are you concerned about what the future holds are you tired of ministries that use bible prophecy as a money making scheme instead of simply proclaiming the truth of god's word if you could purchase just one book that has never missed on predicting a future event would you buy it approximately 30 of the bible is unfulfilled prophecy future events that are going to come to pass just as they are predicted every single prophecy about the first coming of the lord jesus christ was fulfilled literally therefore why do we doubt that the prophecies concerning his second coming will also be fulfilled literally in this non copyrighted book you have twelve riveting chapters quoting hundreds of bible verses about the soon rapture of the church age saints and the tribulation events that follow on the earth the contents of this book involved over a decade of research along with much prayer for the leadership of the holy spirit one particular author or teacher was not blindly followed when writing this book but everything was weighed with the holy scriptures

and this book even goes against the main stream interpretation at times it is said that the lord jesus christ literally fulfilled 108 specific prophecies with his first coming over 2000 years ago the chances of just one man fulfilling only eight of these prophecies is astronomical one in ten to the 21st power the bible is the future already written but most people dismiss it or use allegory symbolism to explain away its clear teachings if you want to learn more about the truth of the rapture and related future events i encourage you to purchase this book it is a quick read at exactly 110 full length pages in the paperback version but has much scripture and links that provide a treasure chest of information wealth it will motivate you to read the bible for yourself and have confidence in thus saith the lord see the short excerpt below revelation allows the careful student to take prophecies from both the old and new testament and place them on a timeline this timeline is initially established in the book of daniel with two specific landmarks these landmarks are the beginning of the 7 year tribulation period as marked by the signing of the 7 year peace treaty between the antichrist and the nation of israel daniel 9 27 and the breaking of the peace treaty halfway through the 7 year tribulation period when the antichrist the beast commits the desecration of the temple at jerusalem in the abomination of desolation daniel 7 25 9 27 11 31 32 12 7 12 10 12 and matthew 24 15 with these two landmarks in mind the book of revelation puts the pieces of the tribulation period puzzle together for the serious student of prophecy the third landmark is

## **The Rapture Code *2010-03-03***

can there only be one rapture the rapture code part one of an eight book coded series this is the first book of an eight book coded series concerning christian living i ve been a christian for 34 yrs and for over 30 of those years i have tried to augment the rapture of the church with additional biblical evidence i started out all those years ago to accomplish this one task well god has greatly blessed

me in that i found not one code concerning the rapture but a coded series of eight codes total thus each one relating to the christians walking out their salvation in one aspect or another doctrinally this first book pertains to the rapture of the church in a pre millennial position that promotes as true the seven year tribulation the millennial reign of jesus christ here on earth the little season of satan and then the new heavens and earth what i have uncovered is a deeper answer that gives good reasons for all three rapture positions which are pre mid and post tribulation being three different raptures all taking place during this 7 year time period thus there being three separate raptures instead of just one i see there are three raptures of three different groups of peoples in the tribulation period instead of the one group of the one rapture of the church in only one of the three rapture positions offered us namely the rapture positions of pre or mid or post tribulation thus again i see three different raptures taking place as follows rapture of the church rapture of the two witnessess rapture of the elect of israel pre tribulation mid tribulation post tribulation israel is always the key to proper biblical prophecy without israel in existence today as a nation there would be no final end times israel and the church are separate in the scriptures and so it only makes sense especially after seeing the evidence that i have accumulated in this book that israel would have it s own rapture further christians are making the same error of judgment pertaining to christ s rapture of the church seeing only one rapture that israel made concerning christ s first coming israel perceived wrongly that there was only one coming of christ which they were sorely mistaken and we now know that there are two comings of the lord one 2 000 yrs ago and one in the near future but christians are making the same error in thinking that there is only one rapture of one major group of people the rapture of the church when in fact there are two raptures of two major groups of peoples as noted above note the two witnesses are not a group though i feel with some scriptural evidence that the 144 000 may go up with the witnesses in which the left behind notion will be proved wrong also i have found a word pattern order exclusive to the kjb that shows forth this order in many ot

verses as well as the nt i have found the threefold pattern of these three raptures in the breastplate of the high priest in the seven feasts of israel in the books of daniel and revelation in the books of matthew mark and luke and in many other places in addition these truths will strengthen the eternal security of any believer finally i have discovered many new study aids for advance studies that only appear in the kjb which will strengthen the christian for the ongoing battle for the bible the king james bible in which these study aids can and will be demonstrated throughout this eight book coded series by which these eight codes are based in acts 3 the codes are there in this chapter four times in a four times over repeating order perfectly this co

## **The Rapture: A Pre- or Post-Tribulation Event? 2023-07-27**

god tells us not to be deceived about the timing of us being caught up to meet jesus in the air an event christians refer to as the rapture he would not have said that unless there was going to be an avalanche of false teaching with regard to the timing of the rapture in the sequence of end time events diligently studying pertinent scriptures in god s word is the only way one can be free of deception and be spiritually prepared for the times that may befall us this book helps the reader to deeply study the word of god to see the truth i ve read a large number of books on the rapture debate and in my opinion this excellent book is by far the best while reading this book i felt like my spiritual glasses were being cleaned so i could see the simplicity of the truth of scripture again well done colleen marvelous five gold stars from me i have read several books about the rapture and end time prophecy including pre tribulation and mid tribulation and when i come across this book it was so clear logical and well written based solely on the scripture that i could grasp the subject clearly and convincingly which has helped me tremendously in making up my mind where to stand on the subject of the timing of the rapture at the end time really recommended

## ***Revelations of the Rapture 2017-06-06***

on my search for finding the meaning of life i made the most amazing discovery which is what this book is all about i discovered how to remember who we truly are and how to reconnect to god creator of all that is the source of all life life is a journey as we travel along the road discovering life we realize that there is no road map for life just a moment by moment discovery of selfdiscovering who we are and more excitingly who we want to be or become this book has taken me over ten years to write since i had a powerful prophetic dream in august 2005 i have been on a personal journey of discovery and of immense growth since then resulting in all the beliefs that i had since a young girl to be turned upside down if anybody had told me what i know today ten years ago i would have argued with them and told them that they were being misled and would have considered it heresy an age old parable talks about an old beggar who was sitting on a box at the side of the road when a stranger came walking past the beggar asked the stranger for some spare cash the stranger replied that he had no money to give him but then asked the beggar what was inside the box that he was sitting on the beggar replied that it was an old box that he had been sitting on for as long as he could remember and that he had never looked inside as it was surely empty the stranger encouraged him to open the box and to look inside which the beggar duly did only to find that the box was filled with gold all these years this beggar has been begging for money and eating scraps of

food or any morsel that he could find while if he had only looked inside he would have realized that he was extremely wealthy the first few chapters of this book are written with an extremely religious tone due to the fact that i was writing from my belief at that time however this is not a religious book you will notice how my beliefs change as the book unfolds this book has been written from my belief which i believe god revealed to me through many hours of studying the bible praying and listening to the still small voice within i had many hours of quiet time with god i am sharing information with you that i have gathered on my personal journey but what you do with this information is up to you as you always have a choice

## ***The Great American Curse* 2013-12-07**

the book of revelation clearly tells us that someday there would be an end to this world many have tried to determine this mystery date in our future to no avail but the mystery that the date seekers and many others failed to notice is this why why is so much more important than when there is no question about it this world will definitely come to an end but why is it going to end in an ancient generation of mankind god gave man his law it is called the ten commandments in today s society these laws are broken every day without much notice to our own ignorance there is always a price to pay when we disobey but life goes on these laws were put into place to protect us from ourselves

but there is one sin that brought our world to an end that fell through the cracks virtually unnoticed this great sin has now spread throughout the entire earth Christians and unbelievers are all involved in this sin that has now grown so large that it is actually bringing in the curse of God for the judgment of this sin that will ultimately end our world as we know it fulfilling the prophecies of the book of revelation in this day and time knowledge has been much increased so the sin that caused our world to end would have to be put in place in such a way as to be greatly unnoticed such as an illusionist or magician in this book that you are about to read you will learn the greatest deception ever pulled off in the world's history and at a cost so great that it will cause the end of our world as we know it the time for this judgment has already begun as early as 2007 the count down clock for the end of the world events began to tick off the holy bible was given to mankind directly from God to tell us how life began and why our world ended

## **The Rapture: From the Ground Up 2014-04**

the pre tribulational rapture theory of the end times is the most prevalent and well known end time scenario of the bible it is well entrenched and established in most fundamental churches the pre tribulational rapture has been popularized by the left behind book and movie series however consider the following what if the blessed hope was not a promise of the rapture what if the wrath the church was not appointed to had nothing to do with the tribulation what if the rapture is not and cannot be an imminent event what if the antichrist will not and cannot rule over the entire world what if the church is not missing during any portion of the book of revelation what if the falling away in 2 thessalonians 2:3 is only a reference to the end time apostasy of the church predicted by Jesus what if only unbelievers enter into the millennial kingdom what if Enoch is no more a representation of a pre tribulational rapture than Elijah is a representation of a post tribulational rapture what if the

time at which both the rapture and the second coming will occur is unknown what if jesus paul and daniel presented the exact same end time scenario what if a literal interpretation of scripture reveals a post tribulational rapture in a detailed and thorough analysis of scripture the rapture from the ground up explores these and many more questions related to the end time events surrounding the rapture in a step by step approach this eschatological study is unsurpassed in detail for the knowledgeable bible student and yet remains basic simple and straightforward for the novice using a literal interpretation of scripture the post tribulational rapture is the undeniable result of such a diligent and literal study of god s word

## ***Time Before the Rapture 2022-07***

allow me the opportunity to tell you about this book this book is divided into eight chapters each chapter stands on its own except for one major commonality each chapter is about life on earth sometime before the rapture of the church all real christians will disappear at that time the author is not predicting the time of the rapture but can say or write that it is on its way however i have known people to not use common sense and not prepare themselves for the long haul it may take place before i can finish writing this sentence or a hundred years from now or who knows all true christians need to be about the master s business i am not going to go over every chapter but briefly write about the first chapter all chapters start with the notion that the year is 2081 this date was chosen as a warning to people who are depending on the rapture taking place in a year or less and are not prepared for the so called long haul remember that tomorrow you could die the first chapter starts off about the preacher of a floating church on the pierre part bayou in the state of louisiana preparing to preach a sermon the congregation is overwhelmed at slapping mosquitoes that are biting them the older sisters are determined to control the young people making much racket a

pause in the church service takes place and the story wanders back in time centered around a man named martin lafront martin was a monster of a man standing at 7'7" and weighing over six hundred pounds the rest of the chapter is about this human giant in mortal battle with the largest bear in that part of the country in three or four centuries they rightly named him old killer bear

## **Rapture Now? 2013-07-09**

the belief that the pre tribulation rapture can take place at any moment is a modern idea none of the early church fathers wrote about imminence and most of them were post tribulationists you will see

in chapter one that there are some well known prophecy teachers of today who do not believe the rapture has always been imminent since pentecost most of them believed it became imminent after the re establishment of the nation of israel in 1948 in chapter two the truth about imminence is explained that specific prophecies warning signs must be fulfilled before the rapture can take place those prophecies are detailed in chapter 5 the scriptures also teach that there is no gap between the rapture and the start of the tribulation chapter 3 in fact the bible clearly states those two events will take place on the same day take a close look at chapter 4 seven church periods if you believe the seven churches are symbolic of seven periods of church history it means the rapture could not be an imminent event until the start of the age of philadelphia the key to understanding bible prophecy is not to trust one or more prophecy teachers that you like or you think know what they are talking about the key is to study the bible for yourself to see if certain concepts such as imminence are biblical this book is designed to help you study eschatology so you can decide for yourself whether or not the rapture is an imminent event or if specific prophecies warning signs must be fulfilled beforehand in chapter 5 the 16 major prophecies warning signs are listed that have yet to be fulfilled study these warning signs and then watch as they are fulfilled also share them with family friends and strangers so other believers and your unsaved friends can know how close we are getting to the start of the tribulation and the rapture as these warning signs are fulfilled it will give you a perfect opening to share the gospel with those you love and care about as well as with strangers learn how to share the gospel and then give those in your sphere of influence the good news

## **The Rapture, the Tribulation, and the Second Coming of Christ 2015-06-25**

this book will attempt to discuss and to defend perhaps the most difficult and the most challenging parts of the scriptures by looking at the rapture of the church at the great tribulation and at the second coming of christ those are items of interest to almost every person alive but there are also probably just as many viewpoints about those events as there are people alive thus this book will begin at the beginning by suggesting that the literal approach for interpreting those future events is probably superior to trying to interpret them figuratively the position of this text is that they will literally happen at some point in the future therefore everything about them in this text will be presented based upon that standpoint so after the first chapter which will present the rationale for interpreting the end time events literally chapter two will express five arguments and provide multiple scriptural passages that seem to support a literal rapture of the church in fact it will even be shown during the discussion of revelation 19 11 16 and i thessalonians 4 13 18 that a literal rapture is consistent with jewish culture and with the seven day marriage feast for newlyweds in that chapter it will also be shown from the seventy week prophecy in daniel 9 24 27 why the expected duration of

the great tribulation will probably be seven years then in chapter three some of the details of the rapture will be discussed for one thing that is probably when the saints of god will stand before the judgment seat of christ and receive their rewards in chapter four while the events of chapter three will be happening it will be presented that the great tribulation will also probably be beginning in the earth then during the next five chapters of this text the major events of the great tribulation will be discussed by looking at the seven seal judgments the seven trumpet judgments the events that will be concurrent with the trumpet judgments the seven vial judgments and the events what will be concurrent with the vial judgments as will be seen throughout those chapters many things will be happening in the earth during that presumed seven year period the antichrist will be revealed several seemingly natural disasters will occur some demonic creatures will be unleashed upon those human beings that will be trying to live and to survive through the great tribulation the one hundred and forty four thousand jewish messengers will be revealed and will have their ministry the two witnesses will have their ministry then halfway through the antichrist will suddenly change and force people either to get the mark of the beast or probably to starve to death in the final chapter the lord will come to the earth for a second time on that occasion he will overthrow the devil once and for all but it will not be a difficult task because he is omnipotent he will easily get satan out of the way so that he can begin his literal earthly one thousand year reign after that will be the white throne judgment to deal with the satanic trinity with the demons of satan s army and with all of those people that will not have come to the lord by faith in the right spirit and with the right attitude in this life thus the goal of this book is not simply to guess about what the future might hold about this existence the first real goal is to tell every person about the importance of coming to christ by faith to be saved while that window of opportunity is still open the second goal is to exalt the lord and to give honor and glory to him

## **The Rapture Examined, Explained and Exposed 2007-09-01**

the timing of the rapture does matter the christian arguments over pre tribulation rapture post tribulation rapture et al must end god s word is clear on the subject but sectarianism has distorted truth to the point of confusing believers instead of informing them concerning the coming of the lord this work on the rapture is the most important the reader will ever encounter as it emphatically proves the timing and nature of the coming of christ it promises to blow away all pre conceived and steadfast positions of those adhering to age old traditions concerning when the rapture occurs the book is easily readable as it is written to the laity yet it is studious as well it will serve well as a text for teaching the coming of the lord as it evenly compares both post tribulation and pre tribulation rapture positions the chapters jesus comes with clouds and the harvest alone is well worth the price of the book the book promises to teach the reader more about the rapture than one has ever learned

before warren larry pharr has over fifty years of diligent study of the prophetic word of god he has ministered and taught the scriptures from the time he was converted at age sixteen and is regarded of his peers to be extremely knowledgeable in the prophetic word being a staunch conservative concerning prophecy he refuses to exercise speculation and date setting concerning the scriptures and cringes at the wild and fantastic statements of modern ministers concerning last day events his original book i will come again is the more comprehensive study of the rapture than this present one but this work approaches the rapture question from angles seldom if ever considered by bible scholars

## ***The Rapture Part I 2020-03-24***

the end of times is a topic that always attracts the attention of the lord's congregation since the beginning because in the last days the believers will be raised into the clouds to meet the lord however lord jesus also stated that in the last days there will be a severe persecution that is why they need to prepare themselves to face this severe persecution in this first part of the book the authors present very basic things that should be known by christians namely things relating to the end times which include signs and marks 666 which must not be accepted by christians this section explains the link between biochip and 666 and the reasons and verses that explain why god's children may not accept chip666 what are the consequences for a child of god who receives chip666 and what is the fate of a child of god who refuses to accept it the importance of knowing the last world ruler because from this kingdom will emerge ten kings and antichrists there are four main end times figures namely satan ten kings antichrist and false prophets the bible clearly explains these four figures so we can interpret these figures today rapture what and when the rapture will occur after the time of tribulation but before the vials of god's wrath this means that god's children will experience persecution the difference between the tribulation period and god's wrath period tribulation period when it starts and ends the events that occurred related to the opening of each seal of the seven seals in the book of revelation emergence and duties of two witnesses of god when the appearance of two witnesses of god and what are their duties christian preparations and attitudes in the end times because at the end times all of god's children will experience persecution so much preparation must be done where the preparation is not only related to the physical but primarily spiritual preparation that requires time and sincerity in addition at the end of this book the estimated the book of revelation in a new structure is included many christians have difficulty understanding the contents of the book of revelation this happened for one thing because the

contents and events in the book of revelation were not sequential from beginning to end there are several events that were repeated in other sections because the apostle john wrote the book of revelation from two visions where some of the two visions are related to the same things if all the same events are put together so that the contents of the book of revelation are sequential in time from beginning to end then the book of revelation becomes easy to understand and even the meaning of the seven seals is easier to understand without needing to be interpreted because the meaning of the first to the third seal is found in another chapter of the book of revelation

read the detailed precise frame of reference of where this generation stands on god s prophetic timeline discover how each chapter points specifically to what the strange troubling things happening in a world seemingly gone insane with unstoppable violence means for the immediate future and beyond reflect on the very word of god the bible in pointing to the only hope the reader and those he or she loves has for escaping god s righteous judgment that is about to fall on a rebellious world rapture ready or not is for this generation of readers who are confused and look upon a world that seems to have destroyed opportunity for a bright abundant future the rapture is about to catastrophically strike an unsuspecting world of both unbelievers and believers jesus christ is the shelter from the coming tribulation storm of god s wrath and judgment

## **Rapture Ready...Or Not? 2016-06-01**

the rapture is a controversial subject among believers in jesus christ the timing of the rapture is the aspect that produces great fervor in virtually every believer who cares about the rapture study this book carefully with your bible in hand and learn what the rapture signs are and then watch as they are fulfilled study chapter one carefully to learn what those signs are do not neglect your daily study of the bible from genesis 1 1 to revelation 22 21 study the whole counsel of god not just prophecy if you have been bitten by the rapture fever bug study this book until you are cured of it it is a deadly spiritual disease that can limit your spiritual growth and your usefulness to the lord if you are not cured of that dreaded disease after studying this book thoroughly in conjunction with the bible stop studying bible prophecy turn your attention to discipleship instead find someone who can disciple you and then disciple others at least in this way you can be of some use to the lord if you insist on studying bible prophecy after studying this book and you have not been cured of the deadly rapture fever study my book rapture now i explain in greater detail why the doctrine of imminence is not biblical and why the rapture cannot take place at any moment keep in mind as you read chapter two that the founders of the three major cults in america built their cults on the foundation of making false prophecies those cult founders will have led 80 million plus people into hell by the time of the second coming no religion founded on false prophecies and revelations from angels can be of god making false prophecies leads to spiritual death also remember that many protestant preachers cited in chapter three have also made numerous false predictions concerning the rapture and second coming their false predictions have caused millions of christians to abandon their faith there is no way of knowing the full damage that has been done to the church because of their false predictions

## **Rapture Fever Cured 2013-07-09**

a key factor in comprehending the prophetic landscape of the end times is to recognize the specific prominent nations that will be involved in the scriptures these nations are depicted in allegorical form and for literally thousands of years students of the word of god have labored to discern the identity and meaning of the four beasts daniel 7 the elements of nebuchadnezzar s image daniel 2 and the seven heads of the dragon revelation 17 many speculations and interpretations continue to be made yet to this day there is still a great amount of uncertainty regarding these prophecies the time of the end i provided the scriptural foundation for a 10 ½ year timeline of the last days and like the border pieces of a puzzle this new perspective has provided new insight into the broader picture of prophecy the time of the end ii sheds light upon and unlocks the concealed identifications of the lion the bear and the leopard daniel 7 the feet and toes of nebuchadnezzar s image daniel 2 the seven heads of the dragon and how those nations relate to the four horns zechariah 1 the four carpenters zechariah 1 the four horsemen of the apocalypse revelation 6 and the movements throughout history of mystery babylon revelation 17 like its predecessor the time of the end ii confidently rearranges some of the more popular and accepted puzzle pieces of prophecy and emerges with a notably different picture one that is far more consistent with a literal interpretation of the scriptures

what would this headline mean we ve missed the rapture absolutely not in light of the rampant evil

permeating so much of our world few would deny that daniel s seventieth week appears to be rapidly approaching even so we are secure in god s promise that we will be taken to heaven prior to his end time judgments but do the lord s judgments begin with the peace treaty surprisingly no the bible does not tell us when we will be raptured but it does tell us what must happen prior to that glorious event there are no hidden secrets to understanding end times prophecy it is astounding how clear the scriptures are if you have been taught the pretrib rapture position a second look is in order walk with mike through old and new testament passages that shed light on the timing of the rapture and its relationship to the seven sealed scroll of revelation
