**Practical Guide to Diagnosing Structural Movement in Buildings** 2012-06-25 what is the crack when cracking is observed in a building the most common reaction is that it must be the foundations and that it must be serious many surveyors are nervous about diagnosing cracks this is understandable as the interpretation of cracks can be difficult to teach with university courses providing little or no time for field experience yet by understanding one straightforward principle the majority of cracks can be diagnosed in just a few minutes linking this with a good knowledge of construction techniques the factors that distort cracking patterns and the key features of common causes of cracking almost all cracks can be diagnosed quickly and with confidence practical guide to diagnosing structural movement in buildings provides a methodology by which cracks and movement in buildings can be diagnosed written in four parts part one describes the key principles of movement and cracking parts two and three describe the main features of common forms of movement and the associated crack patterns part two covers causes other than ground or foundation movement and part three covers movement caused by ground or foundation problems part four briefly describes the techniques used to arrest further movement or repair damage caused by movement primarily intended for the relatively inexperienced surveyor or engineer and undergraduate students of surveying as a practical guide for use on site it focuses on identification and diagnosis it will not only help in correctly diagnosing the problem but it will also demonstrate a methodical approach to show and record how the diagnosis was reached critical when giving advice to third parties what is the crack in the vast majority of cases it is not foundation related and in most cases it is not indicating a serious defect

**The Kingdom Agenda** 2013-07-26 god's kingdom isn't just about theology and church it isn't just a quaint religious idea or an obscure theological concept it is about a whole new way of seeing the world and your place in it tony evans legacy work the kingdom agenda offers a fresh and powerful vision that will help you think differently about your life your relationships and your walk with god when you start with a kingdom agenda living in relationship with the true king and embracing your place in his kingdom nothing will ever be the same in these pages we'll explore how under god this kingdom vision helps you find greater purpose for your life guides your family toward him deepens your understanding of god's use of the church changes the way you think about politics culture and philosophy join dr tony evans one of the greatest bible teachers of our time as he unfolds this biblical and practical approach to life an approach that has the power to change people families neighborhoods churches and even nations discover the power of the kingdom agenda for more information on this title or others in the kingdom agenda series go to [thekingdomagendabook.com](http://thekingdomagendabook.com)
