rethinks the significance of the son's relationship to his father for Freud's psychoanalytic theory aiming to reconceptualize some of Freud's earliest psychoanalytic thinking. Andrew Barnaby's *Coming Too Late* argues that what Freud understood as the fundamental psychoanalytic relationship—a son's ambivalent relationship to his father—is governed not by the sexual rivalry of the Oedipus complex but by the existential predicament of belatedness. Analyzing the rhetorical tensions of Freud's writing, Barnaby shows that filial ambivalence derives particularly from the son's vexed relation to a paternal origin he can never claim as his own. Barnaby also demonstrates how Freud at once grasped and failed to grasp the formative nature of the son's crisis of coming after a duality marked especially in Freud's readings and misreadings of a series of precursor texts: the biblical stories of Moses, Shakespeare's *Hamlet*, and Hoffmann's *The Sandman* that often anticipate the very insights that the Oedipal model at once reveals and conceals. Reinterpreting Freudian psychoanalysis through the lens of Freud's own acts of interpretation, *Coming Too Late* further aims to consider just what is at stake in the foundational relationship between psychoanalysis and literature.

Bernhard has to come too. Jule calls out in surprise and so begins little teddy bear Bernhard's big trip. Mom and Jule fly from Berlin to New York for a week. None of them has ever traveled this far before. Despite all the anticipation, the three of them have no idea that Bernhard will get lost on the way and what adventures await the little bear. Bernhard gets to know Viola and her mom, and there is a lot to marvel at for the three of them in the big city of New York. Will Jule see her missing bear cub again?

## **Jesus Is Coming Very Soon 1971-01-01**

The story begins with the discovery of a skeleton in the woods behind a small New England college during the Thanksgiving holiday. The medical examiner informs the police that the victim was definitely male, definitely murdered, but not the person whose wallet was found with the body. The dean of students becomes a suspect in the eyes of Lieutenant Harding, who is in charge of the investigation, but the dean disappears. His study is ransacked, and he is found murdered. The investigation takes the reader from Boulder, Colorado, to the mountains of Canada. The Boston police almost catch up to the perpetrator, but he slips through their net and begins a run through Maine and into Vermont.
