The Practical Past 2014-09-30

hayden white borrows the title for the practical past from philosopher michael oakeshott who used the term to describe the accessible material and literary artistic artifacts that individuals and institutions draw on for guidance in quotidian affairs the practical past then forms both a summa of white s work to be drawn upon and a new direction in his thinking about the writing of history white s monumental metahistory the historical imagination in nineteenth century europe 1973 challenged many of the commonplaces of professional historical writing and wider assumptions about the ontology of history itself it formed the basis of his argument that we can never recover what actually happened in the past and cannot really access even material culture in context forty years on white sees professional history as falling prey to narrow specialization and he calls upon historians to take seriously the practical past of explicitly artistic works such as novels and dramas and literary theorists likewise to engage historians

Remembering Popular Musics Past 2019-06-15

remembering popular music s past capitalizes on the growing interest globally in the preservation of popular music s material past and on scholarly explorations of the ways in which popular music as heritage is produced legitimized and conferred cultural and historical significance the chapters in this collection consider the spaces practices and representations that constitute popular music heritage to elucidate how popular music s past is lived in the present thus the focus is on the transformation of popular music into heritage and the role of history and memory in this process the cultural studies framework adopted in remembering popular music s past encompasses unique approaches to popular music historiography sociology film analysis and archival and museal work broadly the collection deals with the precarious nature of popular music heritage history and memory

Aristotle on the Scope of Practical Reason 2021-06-10

this book offers a new account of aristotle s practical philosophy pavlos kontos argues that aristotle does not restrict practical reason to its action guiding and motivational role rather practical reason remains practical in the full sense of the term even when its exercise does not immediately concern the guidance of our present actions to elucidate why this wider scope of practical reason is important kontos brings into the foreground five protagonists that have long been overlooked a spectators or judges who make non motivational judgments about practical matters that do not interact with their present deliberations and actions b legislators who exercise practical reason to establish constitutions and laws c hopes as an active engagement with moral luck and its impact on our individual lives d prayers as legislators way to deal with the moral luck hovering around the birth of constitutions and the prospect of a utopia and e people who are outsiders or marginal cases of the responsibility community because they are totally deprived of practical reason building on a wide range of interpretations of aristotle s practical philosophy from the ancient commentators to contemporary analytic and continental philosophers kontos offers new insights about aristotle s philosophical contribution to the current debates about radical evil moral luck hope utopia internalism and externalism and the philosophy of law aristotle on the scope of practical reason will appeal to researchers and advanced students interested in aristotle s ethics ancient philosophy and the history of practical philosophy

Victorian Prose 1999

rosemary j mundhenk and luann mccracken fletcher have assembled a remarkable variety of victorian nonfiction prose both classic and lesser known in both their commentary and selection the editors have drawn upon the insights of recent theoretical approaches to literature and culture to present a complex range of responses to victorian issues thus inviting modern readers to explore the many voices of the period and reenvision the victorian era

Minutes of the General Council of Medical Education & Registration of the United Kingdom; of the Executive Committee, and of the Branch Councils 1876

old age is a time of losses permanent cumulative and irreversible these losses include our loss of work in retirement the eclipse of our past our biological decline dependency resulting from such decline the foreshortening of our future the abandonment of belief in our own improvement and our society s progress and of course our death this book views these losses as part of an elegy of old age elegy is a poetic or prose mourning of loss sadness and other emotions result

with elegiac understanding we detach ourselves from these losses to seek and find consolation this book is concerned with achieving intellectual detachment through meditative reflection with the help of reading and appreciating the classics the final stage of the old age elegy consolation can be found at least in part within the classics the garlands of repose the classics are broadly defined by matthew arnold as the best that has been thought and said or found in the fine arts to benefit from the classis requires a life long liberal education this education begins with an introduction to the classics in youth makes use of them during our adult lives and supplies their conclusion for old age meditation such significant works enable us to place the losses we suffer within an intellectual framework of perennial ideas it is by means of such an intellectual framework that we secure consolation in old age classic works familiarize us deeply with the losses and emotions we endure suggest substitutes for the goods of the life we have lost in old age offer opportunities of catharsis for the sadness we experience and help us transform ourselves in old age classics help us see old age and its losses as part of a complete life which hold a unique value of its own while remaining part of larger nature processes history and intellectual traditions

The Final Elegy: the Consolation of the Classics in Old Age

2022-08-01

over the last half century historic preservation has been on the rise in american cities and towns from urban renewal and gentrification projects to painstaking restoration of victorian homes and architectural landmarks in this book nancy r hiller brings together individuals with distinctive styles and perspectives to talk about their passion for preservation they consider the meaning of place and what motivates those who work to save and care for places the role of place in the formation of identity the roles of individuals and organizations in preserving homes neighborhoods and towns and the spiritual as well as economic benefits of preservation richly illustrated historic preservation in indiana is an essential book for everyone who cares about preserving the past for future generations

Historic Preservation in Indiana 2013-10-11

moving away from criminal behaviour can be fraught with difficulties often it can involve leaving behind old habits customs and even friends while at the same time adopting a new way of life how do individuals go about making a decision to give up crime how do they plan to sustain this decision and in what ways does probation help this book explores these questions based on in depth interviews with a group of men under probation supervision sam king investigates the factors associated with making a decision to desist from crime the book examines strategies for desistance and explores the factors that individuals consider when they are thinking about how they will desist in doing so the book sheds new light on existing understandings of desistance from crime and helps to develop our understandings of the role that individuals play in constructing their own desistance journeys this book also highlights the role of probation in this process offering a timely and critical review of the nature of probation under the new labour government in the uk between 1997 2010 the findings indicate that we should allow probation officers greater autonomy and discretion within their roles and that we should free them from the bureaucracy of risk assessment and targets moreover the book warns against the potential fragmentation of community supervision as such the book will be of interest to criminology students researchers academics policymakers and practitioners particularly those who work with ex offenders in the community

Parliamentary Debates (Hansard) 1890

you have the ability to access the collective wisdom of all your past life experiences by tapping into this immense storehouse of knowledge through self hypnosis you will gain direction mastery over your fears a greater sense of self worth and the power to take charge of your life dr joe h slate and carl llewellyn weschcke put a unique do it yourself spin on hypnosis teaching you step by step how to conduct your own past life regression using powerful scientifically tested methods such as astral projection and spirit interactions fascinating true accounts from dr slate and his subjects highlight the effectiveness of these empowering techniques explore your past and future lives delve into life between lifetimes see how many past lives you have lived communicate with departed loved ones meet your spirit guides discover new spiritual dimensions once you begin to retrieve your past life experiences you can apply the lessons learned toward present day healing spiritual growth and enlightenment for the continued evolution of your soul

Desistance Transitions and the Impact of Probation 2013-10-01
