The Return of Marco Polo's World 2018-03-06

a bracing assessment of u s foreign policy and world disorder over the past two decades from the bestselling author of the revenge of geography and the coming anarchy kaplan has emerged not only as an eloquent defender of foreign policy realism but as a grand strategist to whom the pentagon turns for a tour d horizon the wall street journal in the late thirteenth century marco polo began a decades long trek from venice to china along the trade route between europe and asia known as the silk road a foundation of kublai khan s sprawling empire now in the early twenty first century the chinese regime has proposed a land and maritime silk road that duplicates exactly the route marco polo traveled drawing on decades of firsthand experience as a foreign correspondent and military embed for the atlantic robert d kaplan outlines the timeless principles that should shape america s role in a turbulent world that encompasses the chinese challenge from kaplan s immediate thoughts on president trump to a frank examination of what will happen in the event of war with north korea these essays are a vigorous reckoning with the difficult choices the united states will face in the years ahead praise for the return of marco polo s world elegant and humane a prophecy from an observer with a depressingly accurate record of predictions bret stephens the new york times book review these essays constitute a truly pathbreaking brilliant synthesis and analysis of

geographic political technological and economic trends with far reaching consequences the return of marco polo s world is another work by robert d kaplan that will be regarded as a classic general david petraeus u s army ret thoughtful unsettling but not apocalyptic analyses of world affairs flow steadily off the presses and this is a superior example presented with enough verve and insight to tempt readers to set it aside to reread in a few years kirkus review starred review an astute powerfully stated and bracing presentation booklist this volume compiles sixteen major essays on america s foreign policy from national security commentator kaplan an overview of thoughtful multilayered positions and perspectives evolving through changing circumstances publishers weekly

The Travels of Marco Polo (Vol. 1&2) 2023-12-16

The Travels 1871

four young englishwomen retrace the ancient silk road 4 500 miles in eight months by horse and camel

The Book of Ser Marco Polo, the Venetian, Concerning the Kingdoms and Marvels of the East 2012-11-21

did marco polo reach china this richly illustrated companion volume to the public television film chronicles the remarkable two year expedition of explorers denis belliveau and francis o donnell as they sought the answer to this controversial 700 year old question with polo s book the travels of marco polo as their guide they journeyed over 25 000 miles becoming the first to retrace his entire path by land and sea without resorting to helicopters or airplanes surviving deadly skirmishes and capture in afghanistan they were the first westerners in a generation to cross its ancient forgotten passageway to china the wakhan corridor their camel caravan on the southern silk road encountered the deadly singing sands of the taklamakan and gobi deserts in sumatra where polo was stranded waiting for trade winds they lived with the mentawai tribes whose culture has remained unchanged since the bronze age they became among the first americans granted visas to enter iran where polo fulfilled an important mission for kublai khan accompanied by 200 stunning full color photographs the text provides a fascinating account of the lands and peoples the two hardy adventurers encountered during their perilous journey the authors experiences are remarkably similar to descriptions from polo s account of his own travels and life laden with adventure humor diplomacy history and art this book is compelling proof that travel is the enemy of bigotry a truth that resonates

from marco polo s time to our own

Marco Polo Was in China 2003

we all know that marco polo went to china served ghengis khan for many years and returned to italy with the recipes for pasta and ice cream but frances wood head of the chinese department at the british library argues that marco polo not only never went to china he probably never even made it past the black sea where his family conducted business as merchants marco polo s travels from venice to the exotic and distant east and his epic book describing his extraordinary adventures a description of the world ranks among the most famous and influential books ever published in this fascinating piece of historical detection marking the 700th anniversary of polo s journey frances wood questions whether marco polo ever reached the country he so vividly described why in his romantic and seemingly detailed account is there no mention of such fundamentals of chinese life as tea foot binding or even the great wall did he really bring back pasta and ice cream to italy and why given china s extensive and even obsessive record keeping is there no mention of marco polo anywhere in the archives sure to spark controversy did marco polo go to china tries to solve these and other inconsistencies by carefully examining the polo family history marco polo s activities as a merchant the preparation of his book and the imperial chinese records the result is a lucid and readable look at medieval european and chinese history and the characters and events that shaped this extraordinary and enduring myth

The Last Secrets of the Silk Road 2008-10-07

the thirteenth century italian merchant and explorer recounts his history changing journey along the silk road his adventures in china in the court of kublai khan and his role as an emissary for the powerful mongol emperor

In the Footsteps of Marco Polo 1988

using the great explorer s journals as a guide severin retraces his route from venice to the hindu kush on motorcycle

The Marco Polo Expedition 1852

for a child in the great city of venice in the thirteenth century there could be nothing better than the stories of sailors there were stories of strange animals wonderful cities sweet spices and terrible wild deserts where a traveller could die one young boy listened and waited and dreamed perhaps one day his father and uncle would return perhaps he could travel with them to great markets in faraway places for young marco polo later the greatest traveller of his time a dangerous exciting world was waiting back cover

The Travels of Marco Polo 2018-06-19

the spirit of venice is a history of the first great economic and naval power of the modern western

world from its struggle to ascendancy through the arc of its glory when its trading empire reached as far afield as china syria and west africa to the beginning of its long and fascinating decline told through the lives of the brilliant and often wayward individuals who are inextricably bound to the republic this is the story of the venice of marco polo titian tintoretto leonardo da vinci galileo casanova and a scintillating array of equally captivating heroes and villains it reveals a vibrant city of invention which pioneered banking presided over the first bond market crash and whose renowned arsenal became the world s first assembly line and while venice had no statue of liberty or mother of parliaments it was for many years the nearest the modern western world came to a liberal democracy gloriously rich with detail and intrigue the spirit of venice constitutes a refreshing and authoritative new way into the history of the most evocative of cities

Did Marco Polo Go To China? 2008-10-21

trader marco polo was one of the first europeans to travel to china staying away from his homeland in italy for 24 years before returning after he came back to italy marco wrote of his travels and adventures in east asia in his book il milione sharing his tales with other europeans polo changed the way europeans saw the world by opening their eyes to the wonderful culture and people of china learn the story of one of the world s most famous explorers and traders in marco polo 13th century italian trader

Tracking Marco Polo 2010

excerpt from the most noble and famous travels of marco polo together with the travels of nicolò de conti in the first place its value to students of elizabethan literature is self evident bearing this in mind i have made no attempt to alter the spelling in any way nor have i marred the charm of the narrative as known to contemporary readers by the insertion of unsightly notes these are relegated to the end of the volume the original head and tail pieces have also been preserved together with sixteenth century capitals about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Marco Polo and the Silk Road 2012-05-03

the travels of marco polo the venetian by none other than marco polo himself is an unforgettable read recommended for lovers of adventure travel philosophy and of course history this detailed account of marco polo's journeys taken during the 13th century is rife not just with historically significant data particularly on subjects such as inter religious politics but with real life tales of valiant heroes epic battles and mysteries bordering on the fantastic if some of the facts were embellished somewhat in polo's recounting then this is perfectly understandable and for the most part well pleasing there are few in the modern world who have not heard of this historical giant and

his contributions to society reading the travels of marco polo is the perfect way to better understand and appreciate these contributions and in doing so come comprehend some of the events and figures that influenced the world to be what it is today a four star read the fifth has only been omitted due to marco polo s less than tolerant views of none christian religious bodies a telling but unfortunate reflection of the christian view of polo s time about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Spirit of Venice 2014-10-21

in xanadu did kubla khan a stately pleasure dome decree kublai khan lives on in the popular imagination thanks to these two lines of poetry by coleridge but the true story behind this legend is even more fantastic than the poem would have us believe he inherited the second largest land empire in history from his grandfather genghis khan he promptly set about extending this into the biggest empire the world has ever seen extending his rule from china to iraq from siberia to afghanistan his personal domain covered sixty percent of all asia and one fifth of the world s land area the west first learnt of this great khan through the reports of marco polo kublai had not been born to rule but had clawed his way to leadership achieving power only in his 40s he had inherited genghis khan s great dream of world domination but unlike his grandfather he saw china and not

mongolia as the key to controlling power and turned genghis unwieldy empire into a federation using china s great wealth coupled with his shrewd and subtle government he created an empire that was the greatest since the fall of rome and shaped the modern world as we know it today he gave china its modern day borders and his legacy is that country s resurgence and the superpower china of tomorrow

Marco Polo 2016-08-27

marco polo the renowned venetian explorer embarked on an extraordinary journey to the east in 1271 accompanied by his father and uncle their objective was to reach the court of kublai khan the mongol ruler of the vast yuan dynasty in china the polos traversed the silk road encountering diverse cultures and lands along the way and arrived in china in 1275 impressed by marco polo s intelligence and linguistic skills kublai khan appointed him as an envoy and granted various privileges over the next seventeen years in china marco polo traveled extensively throughout the yuan empire documenting his observations of the culture geography and resources of these lands his travelogue the travels of marco polo was dictated to a fellow prisoner named rustichello while in genoese captivity the authenticity of marco polo s descriptions has been debated but his writings had a profound impact on european perceptions of the east during the middle ages he introduced europeans to new commodities sparking interest in further exploration and trade his tales of enormous wealth and grandeur captivated imaginations and fueled the age of discovery despite ongoing debates about the accuracy of his accounts marco polo s legacy as a cultural bridge between east and west remains his writings facilitated cultural exchange and understanding between civilizations today marco polo s journey and travelogue continue to intrigue and inspire making him an enigmatic and captivating historical figure

MARCO POLO HIS TRAVELS & ADV 2001-08-01

marco polo went to china all over china today are remembrances of his visit with his father and uncle proof of his visit even resides in the vatican world history collection and in the world maps he left behind in their family library in venice if any young person would like an easy and enjoyable way to become acquainted with the story of marco polo he has only to pick up this book
