fred lewis pattee long regarded as the father of american literary study also wrote fiction originally published in 1905 by henry holt the house of the black ring was pattee s second novel a local color romance set in the mountains of central pennsylvania the book s plot is driven by family feud forbidden love and a touch of the supernatural this new edition makes this novel accessible to new generations of modern day readers general readers will find in the house of the black ring a thriller that preserves details of rural life and language during the late nineteenth century scholars will read it as an expression of cultural anxiety and change in the decades after the civil war an introduction by poet and essayist julia spicher kasdorf situates the novel within the context of social and literary history as well as pattee s own biography and provides a compelling argument for its importance not only as a literary artifact or record of local customs but also as a reflection of pattee s own story intertwined with the history of penn state at the turn of the twentieth century joshua brown draws on his expertise in pennsylvania german ethno linguistics to interpret the dialect writing and to give readers a clearer view of the customs and regionalisms depicted in the book

## **The Legend of the Black Mecca 2017-10-03**

for more than a century the city of atlanta has been associated with black achievement in education business politics media and music earning it the nickname the black mecca atlanta s long tradition of black education dates back to reconstruction and produced an elite that flourished in spite of jim crow rose to leadership during the civil rights movement and then took power in the 1970s by building a coalition between white progressives business interests and black atlantans but as maurice j hobson demonstrates atlanta s political leadership from

the election of maynard jackson atlanta s first black mayor through the city s hosting of the 1996 olympic games has consistently mishandled the black poor drawn from vivid primary sources and unnerving oral histories of working class city dwellers and hip hop artists from atlanta s underbelly hobson argues that atlanta s political leadership has governed by bargaining with white business interests to the detriment of ordinary black atlantans in telling this history through the prism of the black new south and atlanta politics policy and pop culture hobson portrays a striking schism between the black political elite and poor city dwellers complicating the long held view of atlanta as a mecca for black people

### ***Who's Black and Why? 2022-03-22***

2023 prose award in european history an invaluable historical example of the creation of a scientific conception of race that is unlikely to disappear anytime soon washington post reveals how prestigious natural scientists once sought physical explanations in vain for a social identity that continues to carry enormous significance to this day nell irvin painter author of the history of white people a fascinating if disturbing window onto the origins of racism publishers weekly to read these essays is to witness european intellectuals in the age of the atlantic slave trade struggling one after another to justify atrocity jill lepore author of these truths a history of the united states in 1739 bordeaux s royal academy of sciences announced a contest for the best essay on the sources of blackness what is the physical cause of blackness and african hair and what is the cause of black degeneration the contest announcement asked sixteen essays written in french and latin were ultimately dispatched from all over europe documented on each page are european ideas about who is black and why looming behind these essays is the fact that some four million africans had been kidnapped and shipped across the atlantic by the time the contest was announced the essays themselves represent a broad range of opinions which nonetheless circulate around a common theme the search for a scientific understanding of the new concept of race more important they provide an indispensable record of the enlightenment era thinking that normalized the sale and enslavement of black human beings these never previously published documents survived the

centuries tucked away in bordeaux s municipal library translated into english and accompanied by a detailed introduction and headnotes written by henry louis gates jr and andrew curran each essay included in this volume lays bare the origins of anti black racism and colorism in the west

in critique of black reason eminent critic achille mbembe offers a capacious genealogy of the category of blackness from the atlantic slave trade to the present to critically reevaluate history racism and the future of humanity mbembe teases out the intellectual consequences of the reality that europe is no longer the world s center of gravity while mapping the relations among colonialism slavery and contemporary financial and extractive capital tracing the conjunction of blackness with the biological fiction of race he theorizes black reason as the collection of discourses and practices that equated blackness with the nonhuman in order to uphold forms of oppression mbembe powerfully argues that this equation of blackness with the nonhuman will serve as the template for all new forms of exclusion with critique of black reason mbembe offers nothing less than a map of the world as it has been constituted through colonialism and racial thinking while providing the first glimpses of a more just future

this timely special edition published on the fiftieth anniversary of the founding of the black panther party features a new preface by the authors that places the party in a contemporary political landscape especially as it relates to black lives matter and other struggles to fight police brutality against black communities in oakland california in 1966 community college students bobby seale and huey newton armed themselves began patrolling the police and promised to prevent police brutality unlike the civil rights movement that called for full citizenship rights for blacks within the united states the black panther party rejected the legitimacy of the u.s. government and positioned itself as part of a global struggle against american imperialism in the face of intense repression the party flourished becoming the

center of a revolutionary movement with offices in sixty eight u s cities and powerful allies around the world black against empire is the first comprehensive overview and analysis of the history and politics of the black panther party the authors analyze key political questions such as why so many young black people across the country risked their lives for the revolution why the party grew most rapidly during the height of repression and why allies abandoned the party at its peak of influence bold engrossing and richly detailed this book cuts through the mythology and obfuscation revealing the political dynamics that drove the explosive growth of this revolutionary movement and its disastrous unraveling informed by twelve years of meticulous archival research as well as familiarity with most of the former party leadership and many rank and file members this book is the definitive history of one of the greatest challenges ever posed to american state power
