## **Books of the Ethiopian Bible 1768**

an insider's account of the eastern orthodox church from its beginning in the era of Jesus and the apostles to the modern age in this short accessible account of the eastern orthodox church John McGuckin begins by tackling the question what is the church his answer is a clear historically and theologically rooted portrait of what the church is for orthodox christianity and how it differs from western christians expectations mcguckin explores the lived faith of generations including sketches of some of the most important theological themes and individual personalities of the ancient and modern church he interweaves a personal approach throughout offering to readers the experience of what it is like to enter an orthodox church and witness its liturgy in this astute and insightful book he grapples with the reasons why many western historians and societies have overlooked orthodox christianity and provides an important introduction to the orthodox church and the eastern christian world

## ***The First Epistle of Clemens Romanus to the Church at Corinth 2007-11-02***

black lexotone leatherette sewn pages with gold stamping on cover and spine and twenty icon illustrations

## **A New English Translation of the Septuagint 2008-09-02**

arabic was among the first languages in which the gospel was preached the book of acts mentions arabs as being present at the first pentecost in jerusalem where they heard the christian message in their native tongue christian literature in arabic is at least 1 300 years old the oldest surviving texts dating from the 8th century pre modern arab christian literature embraces such diverse genres as arabic translations of the bible and the church fathers biblical commentaries lives of the saints theological and polemical treatises devotional poetry philosophy medicine and history yet in the western historiography of christianity the arab christian middle east is treated only peripherally if at all the first of its kind this anthology makes accessible in english representative selections from major arab christian works written between the eighth and eighteenth centuries the translations are idiomatic while preserving the character of the original the popular assumption is that in the wake of the islamic conquests christianity abandoned the middle east to flourish elsewhere leaving its original heartland devoid of an indigenous christian presence until now several of these important texts have remained unpublished or unavailable in english translated by leading scholars these texts represent the major genres of orthodox literature in arabic noble and treiger provide an introduction that helps form a comprehensive history of christians within the muslim world the collection marks an important contribution to the history of medieval christianity and the history of the medieval near east
