## **Basutoland 2023-05-31**

this book centers on the fact that needed improvements in our schools will not occur  
unless education is able to attract and retain great teachers in the school s  
classrooms

## **Contrasting School Culture and Education 1879**

this edited volume brings together the perspectives of a diverse group of  
international scholars to explore the intersections of study abroad and social mobility  
in doing so it challenges universalist assumptions and power imbalances implicit in  
study abroad across the global north and south and explores the implications of covid  
19 for equity within study abroad programs policy and practice going forward  
offering empirical theoretical and conceptual contributions critical perspectives on  
equity and social mobility in study abroad foregrounds critical reflection on the  
stratification of access to study abroad and examines the varied outcomes of  
international study in relation to graduates entry into domestic and international  
labor markets focusing on the experiences and outcomes of students from varied  
backgrounds chapters identify a number of power imbalances relating to student race  
ethnicity religion local and international policies and politics and put forward  
valuable recommendations to ensure greater equity within the field against the  
backdrop of growing criticism over the power imbalances in international exchange  
this text will benefit researchers academics and educators with an interest in higher  
education international and comparative education and multicultural education those  
interested in educational policy and the sociology of education more broadly will also  
benefit from this book
