flaps in this board book take a trip around the world in this fascinating lift the flap book with over 80 flaps to lift intrepid explorers can discover our world from the layers that make up planet earth to the tiniest insects in the rainforest and the creatures who live at the very bottom of the sea includes pages about the hottest and coldest parts of the world and a map with lift the flap details about each continent a colorful and fun introduction to geography with internet links to find out more a new addition to the popular pre school series featuring chunky model building machines lots of flaps to lift and jo litchfield s handmade model characters age 3 what are the builders doing today what s happening at the building site find out by lifting all the flaps in this delightful board book age 3 in the new rules of lifting for women authors lou schuler cassandra forsythe and alwyn cosgrove present a comprehensive strength conditioning and nutrition plan destined to revolutionize the way women work out all the latest studies prove that strength training not aerobics provides the key to losing fat and building a fit strong body this book refutes the misconception that women will bulk up if they lift heavy weights nonsense it s tough enough for men to pack on muscle and they have much more of the hormone necessary to build muscle natural testosterone muscles need to be strengthened to achieve a lean healthy look properly conditioned muscles increase metabolism and promote weight loss it s that simple the program demands that women put down the barbie weights step away from the treadmill and begin a strength and conditioning regime for the natural athlete in every woman the new rules of lifting for women will change the way women see fitness nutrition and their own bodies red riding hood is off to see her grandmother but she doesn t know the wolf is following her every step of the way will she spot him lurking behind the flaps on every page lift the flaps to find the busy bee and lots of other animals in the garden where s the busy bee gone now this engaging lift the flap book will enchant babies and very little children as they find the cute fuzzy bee among the flowers and follow her around the

garden to discover who else lives there meet a spider spinning a web a butterfly hiding from the rain some baby birds learning to fly and the busy bee s family all buzzing in the hive what are the
