to a master alchemist like addie impossible is just another word for challenge when a fiery explosion destroys the alchemica the premier alchemy institute in the united states she s left with nothing no home no colleagues and no memory learning what happened seems impossible but she still has one strength and in her opinion it s the only one she needs she hasn t forgotten a thing about alchemy addie brews a potion to restore her lost past but remembers only

the flames of the alchemica s destruction and a man among the ashes a man with the elemental power of fire who just happens to be the leader of the magical community he might know what happened but getting him to tell her will require some creativity the magical aren t fond of alchemists some say it borders on hatred but addie isn t one to back down from a challenge even if that challenge happens to be a man who can turn her to ash with a thought
