Inventing Equal Opportunity 2009-05-26

equal opportunity in the workplace is thought to be the direct legacy of the civil rights and feminist movements and the landmark civil rights act of 1964 yet as frank dobbin demonstrates corporate personnel experts not congress or the courts were the ones who determined what equal opportunity meant in practice designing changes in how employers hire promote and fire workers and ultimately defining what discrimination is and is not in the american imagination dobbin shows how congress and the courts merely endorsed programs devised by corporate personnel he traces how the first measures were adopted by military contractors worried that the kennedy administration would cancel their contracts if they didn't take affirmative action to end discrimination these measures built on existing personnel programs many designed to prevent bias against unionists dobbin follows the changes in the law as personnel experts invented one wave after another of equal opportunity programs he examines how corporate personnel formalized hiring and promotion practices in the 1970s to eradicate bias by managers how in the 1980s they answered ronald reagan's threat to end affirmative action by recasting their efforts as diversity management programs and how the growing presence of women in the newly named human resources profession has contributed to a focus on sexual harassment and work life issues inventing equal opportunity reveals how the personnel profession devised and ultimately transformed our understanding of discrimination

Postmodern Nursing and Beyond 1999

this new book written by jean watson a highly regarded visionary of nursing theory reestablishes the critical balance between caring and curing it blends the technical aspects of modern medicine with the holistic focus traditionally associated with nursing and serves as a model for nursing practice into the 21st century

Farming of Prawns and Shrimps 1989

shinhye loves lying under the night sky with her father listening to his tales of the constellations and she dreams of a life among the stars little does she know that the stars may come down to her instead her journey begins when the department of science asks her family to host sarah a foreign girl with a unique talent but strange men are interested in sarah and shinhye doesn't know why unbeknownst to shinhye her every dream and nightmare is about to come true

□□ □□ 2008

excerpt from daybreak in korea a tale of transformation in the far east to understand something of the utter degradation of a christless world one need go no further than the first chapter of romans yet as the missionary comes into heart touch with his people he sees in them continual proofs of the divine author he finds them richly endowed with capacity for high ideals and sacrifice of self with power to love to hate to enjoy to suffer and to endure poetry and fire form part of their intellectual portion everywhere are masses of noble material wasted and misused to an incredible extent and yet capable under the transforming power of the gospel of resuming something of its first god like character about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The use of the Old Testament in St. Matthew's Gospel 2014-04-09

stimulating theology is an oxymoron for most people theology sounds like something for the severely intellectual full of complicated ideas that escape the typical christian reader in reality theology is meant to enhance our understanding of god most of the words that make up the christian vocabulary are common words drawn from the realities of life and therefore are easily applicable to real life based on this premise four leading authors have come together to create this excellent volume the theological wordbook tackles tough words such as propitiation regeneration righteousness and predestination but it does so in a natural plain spoken manner designed to be enlightening rather than evasive also literally dozens of words you are likely to use every day such as forgiveness mind peace rest family truth and guilt have profound biblical value using the theological wordbook can enable you to more fully appreciate what the bible teaches on these crucial topics and how each of these terms is relevant for life today as this happens your understanding of god will expand and as the words you use speak and hear in the community of faith become more familiar you will become more connected to your own spiritual heritage the theological wordbook is the link between understanding god's word in your head and accepting it in your heart

Gear Classification and Inspection Handbook 1988

samson a secret betrayed a vow ignored marks a new milestone in samson studies you will not likely find a more useful and informative study of one of the bible's best known characters samson is clear

and straightforward up to date enjoyable and easily read james crenshaw combines literary skills with rich theological understanding and sound scholarship to present a balanced perceptive analysis this comprehensive new study carefully analyzes the many dimensions of this popular biblical character james crenshaw examines the text employing the critic s tools with flawless proficiency he explores the traditions behind the biblical account literary form and motifs stylistic features unifying themes the tragic dimension of the saga the significance of samson s and the philistines riddles crenshaw offers a concise and thorough approach well suited to the beginning student plus provocative new insights to challenge the samson scholar samson is an excellent resource for ministers students of the bible and church study groups

In the Starlight 2007

Daybreak in Korea 2016-08-03

glorious is probably the last adjective most modern writers would use to describe the christian church yet r b kuiper chose his title the glorious body of christ advisedly for he wished to emphasize what he believed to be a sadly neglected aspect of the subject that the church of christ is glorious dr kuiper who died in 1966 was for many decades a teacher of theology and his great concern was for the popular presentation of christian doctrine his own books went far to meet that need including his god centered evangelism also published by the trust and for whom did christ die on the extent of the atonement in addition to his vigorous and clear style kuiper is also noted for the comprehensive way in which he treats his subject the glorious body contains no less than fifty three chapters and among the aspects of the subject dealt with are unity the marks of the church the offices of the church its responsibilities and privileges and the church and the world although this book is worthy of the widest possible circulation it may be particularly commended as a manual for office bearers in the church

Theological Wordbook 2000-10-17

three women bound to serve so that they might bring their patrons absolute solace stillness honesty and determinata all handmaidens in the order of solace and all women in their own regard edward cillian and alaric three best friends torn apart by the tragedies of their youth each unable to find the solace they crave each handmaiden must do her best to provide peace passion and optimism to the man she s been sent to soothe no matter how they are fought or discouraged or refused love is not the endgame in this war for solace yet it s entirely possible that in the end love might be the only real victory

A Garland of Songs 1870

these poems by the happiest man in the world are full of light though written in dark times ch n had the art of seeing the beauty of life beyond all the pain and of putting it into the music of words recently many young koreans have discovered in these poems and in the poet s life the innocence and honesty they look for in vain in modern society his poverty and his body broken by torture never made ch n bitter or angry his poems are hymns of joy at the marvels of nature and the simple pleasures of life his

greatest poem sees death not as the end but as a journey back to heaven where he plans to tell the angels how beautiful life in this world can be

Flags of Maritime Nations 1914

r k harrison was one of the leading evangelical old testament scholars of the twentieth century well known for his introduction to the old testament and his work as general editor of the new international commentary on the old testament series he also produced several valuable commentaries in this volume he applies his considerable skills to interpreting the book of numbers the fourth book of the pentateuch the book of numbers is of pivotal importance for all old testament study because it covers the formative period of israel s communal and religious life notes harrison in the introduction during this period israel s religious life was shaped by the promulgation of many laws from god that would establish the nature of her worship and prepare her for a settled community life beyond the confines of the wilderness based on the hebrew text harrison s insightful commentary provides a translation for each pericope in depth textual notes explanations and exposition a concise introduction focuses on the place of numbers in the pentateuch and the wider canon as well as its structure compilation authorship and both textual and interpretive histories exposition sections interact with theological archaeological and historical scholarship the primary theme of the commentary is that numbers represents a covenant renewal document whose historical narratives graphically describe the israelites experiences and difficulties as yahweh s chosen people

Samson 2005-01-26

written with a view to popularizing evolutionary psychology as well as framing a darwinian perspective on modern life the disposable male is aimed at a broad audience of men and women from the mid college years to middle age early chapters provide a scientific version of the creation story and explore key elements of our natural history latter chapters deploy the resulting evolutionary point of view in a lively examination of contemporary personal social and cultural issues
