

# Free read Critical response to literatures in english .pdf

literature is any collection of written work but it is also used more narrowly for writings specifically considered to be an art form especially prose fiction drama poetry and including both print and digital writing as an art literature might be described as the organization of words to give pleasure yet through words literature elevates and transforms experience beyond mere pleasure literature also functions more broadly in society as a means of both criticizing and affirming cultural values in short literature evokes imaginative worlds through the conscious arrangement of words that tell a story these stories are told through different genres or types of literature like novels short stories poetry drama and the essay each genre is associated with certain conventions literature is a method of recording preserving and transmitting knowledge and entertainment and can also have a social psychological spiritual or political role this definition is well suited for our purposes here because throughout this course we will be considering several types of literary texts in a variety of contexts the term english literature refers to the body of written works produced in the english language by inhabitants of the british isles from the 7th century to the present ranging from drama poetry and fiction to autobiography and historical writing what does literature do what is literature for one of the primary goals of this course is to develop an understanding of the importance of literature as a vital source of cultural knowledge in everyday life green library 557 escondido mall stanford ca 94305 6063 stanford libraries collections of literature in english include contemporary fiction and poetry literary criticism academic journals on literary studies and digital resources related to english literature from the around the world literature from the latin littera meaning letters and referring to an acquaintance with the written word is the written work of a specific culture sub culture religion philosophy or the study of such written work which may appear in poetry or in prose home cambridge university press literature english literature general interest i want this title to be available as an ebook the cambridge guide to literature in english 3rd edition editor dominic head university of nottingham date published january 2006 availability
