The Omega-3 Connection 2001-08-09

for years scientists have searched for a magic bullet to relieve the pain of depression and other mood disorders safe enough for nursing mothers children with adhd and the elderly without the side effects associated with medicines like prozac zoloft and lithium now the search may finally be over thanks to the omega 3 renewal plan introduced here by andrew l stoll m d director of the psycho pharmacology research laboratory at harvard s mclean hospital in his groundbreaking research stoll found that omega 3 fatty acids already known for their importance in preventing heart disease crohn s disease rheumatoid arthritis and cancer play a crucial role in mental health regulating and enhancing mood sharpening memory and even aiding concentration and learning and these remarkable substances so essential to our health are found abundantly in common fish oils and other sources the bad news is that even though omega 3 fatty acids have played a critical role in our evolutionary past these extraordinary substances have been depleted by our western diet and lifestyle and the resulting nutritional imbalance seems to have led to a sharp rise in heart disease and

depression by contrast in japan and other countries where fish consumption is high both heart disease and depression rates are low stoll explains how easily omega 3s can be used up in just a few generations and how a new mother with depleted omega 3s loses still more to her baby a fact that may account for the severe postpartum depression so many women suffer he documents evidence that a shortage of omega 3s may also play a role in attention deficit hyperactivity disorder adhd and other learning problems the good news is that this downward spiral of depletion and depression can finally be reversed in his revolutionary omega 3 renewal plan dr stoll presents readers for the first time with all the tools for restoring their natural balance of omega 3 fatty acids including which foods to eat and how to choose the most effective over the counter supplements featuring information on how to integrate flaxseed and fish oils into diet and medication plans and including simple recipes as well as supplement dosages and sources the omega 3 connection offers an entirely new practical method for improving mental health

The Portfolio Connection 2008-04-08

as a new teacher i am always looking for ideas that will make me feel more confident using a portfolio will help me show evidence that the students are making progress toward meeting state standards stephanie jones teacherforrest city high school ar a good overview of the entire portfolio process from its philosophical foundations to the celebration of student achievement michael f dwyer english department chairotter valley union high school brandon vtencourage student creativity and academic growth through portfolios and authentic assessment research and practice show that portfolios are powerful tools for assessing students authentically communicating with parents about the learning process and helping learners across all grade levels and content areas record their successes and take ownership of their learning the third edition of the portfolio connection offers practical advice and reader friendly strategies for implementing student portfolios in the classroom through step by step procedures the authors help teachers incorporate standards into the portfolio process by providing expanded checklists and rubrics to monitor student progress the updated edition also includes additional information on e portfolios and integrating technologysteps for conducting student led conferencesportfolio examples for children with special needsguidance on increasing parent involvement information on the impact of nclb on student assessmentdiscover how you can use portfolios to heighten students self reflection while expanding their critical and creative thinking skills

The Lincoln Highway 2021-10-05

1 new york times bestseller more than one million copies sold a today show read with jenna book club pick a new york times notable book and chosen by oprah daily time npr the washington post bill gates and barack obama as a best book of the year wise and wildly entertaining permeated with light wit youth the new york times book review a classic that we will read for years to come jenna bush hager read with jenna book club fantastic set in 1954 towles uses the story of two brothers to show that our personal journeys are never as linear or predictable as we might hope bill gates a real joyride elegantly constructed and compulsively readable npr the bestselling author of a gentleman in moscow and rules of civility and master of absorbing sophisticated fiction returns with a stylish and propulsive novel set in 1950s america in june 1954 eighteen year old emmett watson is driven home to nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter his mother long gone his father recently deceased and the family farm foreclosed upon by the bank emmett s intention is to pick up his eight year old brother billy and head to california where they can start their lives anew but when the warden drives away emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden s car together they have hatched an altogether different plan for emmett s future one that will take them all on a fateful journey in the opposite direction to the city of new york spanning just ten days and told from multiple points of view towles s third novel will satisfy fans of his multi layered literary styling while providing them an array of new and richly imagined settings characters and themes once again i was wowed by towles s writing especially because the lincoln highway is so different from a gentleman in moscow in terms of setting plot and themes towles is not a one trick pony like all the best storytellers he has range he takes inspiration from famous hero s journeys including the iliad the odyssey hamlet huckleberry finn and of mice and men he seems to be saying that our personal journeys are never as linear or predictable as an interstate highway but he suggests when something or someone tries to steer us off course it is possible to take the wheel bill gates

In Cold Blood 2015-08-18

from the usa today bestselling author of sweet thing and nowhere but here comes a love story about a craigslist missed connection post that gives two people a second chance at love fifteen years after they were separated in new york city to the green eyed lovebird we met fifteen years ago almost to the day when i moved my stuff into the nyu dorm room next to yours at senior house you called us fast friends i like to think it was more we lived on nothing but the excitement of finding ourselves through music you were obsessed with jeff buckley photography i couldn t stop taking pictures of you hanging out in washington square park and all the weird things we did to make money i learned more about myself that year than any other yet somehow it all fell apart we lost touch the summer after graduation when i went to south america to work for national geographic when i came back you were gone a part of me still wonders if i pushed you too hard after the wedding i didn t see you again until a month ago it was a wednesday you were rocking back on your heels balancing on that thick yellow line that runs along the subway platform waiting for the f train i didn t know it was you until it was too late and then you were gone again you said my name i saw it on your lips i tried to will the train to stop just so i could say hello after seeing you all of the youthful feelings and memories came flooding back to me and now i ve spent the better part of a month wondering

what your life is like i might be totally out of my mind but would you like to get a drink with me and catch up on the last decade and a half m
