subaru says that over its six generations all 1 3 million u s legacys have been built at the indiana facility making it also a uniquely american success story of local production and local

## **the subaru legacy is dead after 2025 r cars reddit Sep 12 2022**

i m sorry but subaru removing the manual and the wagon part is not what killed the legacy it s the fact that it s just not a good car compared to its competitors especially when your competitors are the highly regarded camry and accord
