discomfort violence advocacy bias and responsibility the authors call on their lived experiences and most important their work with tens of thousands of educators leaders and students to help all of us do better in our schools and communities learn how to talk about race in the classroom and advocate for racial equity in schools recognize the presence of systemic racism in schools and understand why racism is such an uncomfortable topic for many use scenarios and effective discussion questions to encourage challenging conversations learn how to advocate for underserved communities and those who suffer under racism resist racial stereotypes and promote equity in the classroom take appropriate action based on challenging conversations ultimately develop classrooms schools and districts into safe anti racist educational strongholds and promote positive learning experiences for marginalized students contents acknowledgments table of contents about the authors introduction how to get the most out of this book part 1 getting ready for challenging conversations chapter 1 why is talking about race so hard chapter 2 why is discomfort required chapter 3 why scenarios as an educational tool chapter 4 how can we create a safe space for conversation chapter 5 how will faculty and staff set the standard for challenging conversations part 2 using scenarios for important conversations chapter 6 talking about bias how can i be biased when i m not a racist chapter 7 talking about history how does the shadow of 1619 affect us today chapter 8 how can something be my responsibility when it s not my fault chapter 9 talking about advocacy what is my duty to my friends chapter 10 talking about law enforcement how do police officers help us how do they sometimes hurt us chapter 11 talking about school where are the black people chapter 12 talking about violence how can we talk about terrible things part 3 moving from discussion to action chapter 13 how do we engage our communities chapter 14 how can we advocate for change chapter 15 facing disappointment and loss why isn t being right enough chapter 16 how do we create equity consciousness chapter 17 the next chapter how do we shift from opposing bigotry to practicing anti racism references and resources index

How to Have Difficult Conversations About Race 2022-09-13 if we want a more equitable workplace and a more equitable world we have to talk to each other about race but for so many of us that s easier said than done when we avoid conversations about race it s often because of fear fear of discomfort or of damaging important relationships fear of being misunderstood canceled ostracized negotiation expert kwame christian s motto is the best things in life are on the other side of difficult conversations how to have difficult conversations about race equips you with the skills you need to make these crucial conversations both easier and more productive you ll not only gain the confidence to talk about race but also learn how to actually make a difference when you do whether you re looking to create change for yourself and other bipoc or are a white ally seeking to support your coworkers or clients you ll learn how to overcome your internal barriers to talking about diversity equity and inclusion dei work around others barriers to productive discussion be strategic about the outcome you want and guide the conversation accordingly use compassionate curiosity to connect and persuade avoid common mistakes tackle some of the most common race related conversations that come up in the workplace if you ve ever struggled to turn your passion for change into persuasion or been too afraid to speak up at work or outside of it this book is for you the first step toward lasting social change is productive discussion with how to have difficult conversations about race you ll never shy away from those crucial conversations again

Our Skin: A First Conversation About Race 2021-03-16 based on the research that race gender consent and body positivity should be discussed with toddlers on up this read aloud board book series offers adults the opportunity to begin important conversations with young children in an informed safe and supported way developed by experts in the fields of early childhood and activism against injustice this topic driven board book

offers clear concrete language and beautiful imagery that young children can grasp and adults can leverage for further discussion while young children are avid observers and questioners of their world adults often shut down or postpone conversations on complicated topics because it's hard to know where to begin research shows that talking about issues like race and gender from the age of two not only helps children understand what they see but also increases self awareness self esteem and allows them to recognize and confront things that are unfair like discrimination and prejudice this first book in the series begins the conversation on race with a supportive approach that considers both the child and the adult stunning art accompanies the simple and interactive text and the backmatter offers additional resources and ideas for extending this discussion

Beyond Conversations about Race 2022 in this new york times bestseller ijeoma oluo offers a hard hitting but user friendly examination of race in america widespread reporting on aspects of white supremacy from police brutality to the mass incarceration of african americans have made it impossible to ignore the issue of race still it is a difficult subject to talk about how do you tell your roommate her jokes are racist why did your sister in law take umbrage when you asked to touch her hair and how do you make it right how do you explain white privilege to your white privileged friend in so you want to talk about race ijeoma oluo guides readers of all races through subjects ranging from intersectionality and affirmative action to model minorities in an attempt to make the seemingly impossible possible honest conversations about race and racism and how they infect almost every aspect of american life oluo gives us both white people and people of color that language to engage in clear constructive and confident dialogue with each other about how to deal with racial prejudices and biases national book review generous and empathetic yet usefully blunt it's for anyone who wants to be smarter and more empathetic about matters of race and engage in more productive anti racist action salon required reading

So You Want to Talk About Race 2018-01-16 a long way to go conversations about race by african american faculty and graduate students highlights the experiences and coping strategies of faculty members and graduate students pursuing ph d s who have successfully navigated the academy despite hostile environments and hurdles that cause many to avoid or leave the academy african american students and faculty often face problems such as isolation within a white environment the misinterpretation of confidence as aggressiveness and the need to work twice as hard as white peers in order to be taken seriously in their chosen careers this book will assist both doctoral students and junior faculty in successfully completing the graduate school experience and transitioning into tenure track positions and will be of great interest to all higher education faculty and administrators who must address the complex issues of diversity in recruiting and retaining graduate students and faculty

A Long Way to Go 2004 learn how to facilitate conversations about race in the classroom and why these discussions are such an important part of our work toward equity and justice in this helpful book danielle stewart martha caldwell and dietra hawkins cover everything from what you need to know to get started to facilitation methods and techniques to how to sustain your work drawing on their experience at ichange collaborative a group that works with schools across the country the authors offer a plethora of compelling strategies and examples to help you hone your facilitation skills specific topics include the importance of exploring your own identity how to prepare yourselves and your classrooms for sensitive conversations how to create class guidelines that create trust and allow vulnerability and how to deliver explicit instruction in compassionate listening sharing stories and giving supportive feedback the book also discusses the role of affinity groups in strengthening racial identities building supportive relationships and enhancing professional practices for educators of

color and for race conscious white educators with the authors practical advice educators of all levels of experience and comfort levels will be able to address racial equity in schools or classrooms so you can do your part to repair harm educate and ultimately transform society

Facilitating Conversations about Race in the Classroom 2022-03-21 an empowering handbook on how to have candid conversations around race and become a better advocate written by a black woman and a white woman who ask and answer 20 common uncomfortable but critical questions about racism many people struggle to have honest conversations about race even those who consider themselves allies or identify as anti racist for anyone who wants to have better more productive discussions courageous discomfort is an empowering handbook that teaches you how to do just that in these pages authors and best friends shanterra mcbride who is black and rosalind wiseman who is white discuss their own friendship and tap into their decades of anti racism work to answer the 20 uncomfortable but critical questions about race they get asked most often including should i see color i m a good person how can i be racist what if i say something wrong what kind of apology makes a difference these 20 questions as chapters invite you into the conversation without judgment and inspire thoughtful reflection and discussion there will be moments when you will laugh or cringe at the ridiculous or awkward things you read but the truth is there is no perfect solution or script for every maybe racist sort of racist or blatantly racist situation and that s ok making mistakes is just an opportunity to do better next time but doing this work will empower us to have the relationships we really want to have including the relationship we want to have with ourselves timely but perennial topic social justice is a longstanding perennial issue but has entered the vanguard of national discourse in recent years for anyone hungry for resources related to being an advocate for diversity and inclusion courageous discomfort provides an accessible empowering playbook to follow as you confront and reckon with race related issues and questions now and moving forward accessible approach this beautifully designed book stands out from the more academic books in this category like white fragility and how to be an antiracist with accessible writing an organizing principle that invites you into the conversation and a lovely package courageous discomfort is user friendly and can even be given as an inoffensive helpful gift to friends relatives and recent grads black author white author written by a black and white author pair who have both published books before this handbook is authentic and credible but also approachable the authors tone and the organization of the book make it feel as if you are part of their candid conversation on race with someone asking all the uncomfortable awkward questions that you have asked yourself or your friends are too scared to ask of you this q a format applies to readers whether they identify as white or non white who have found themselves in similar conversations unsure of how to handle them great for book clubs inspired by a webinar featuring chapters as questions this book is primed for book clubs the organization lends itself perfectly to discussion clubs can pose each question chapter title review the thought prompts and share personal experiences for an enlightening educational and productive conversation perfect for people who want to have better more productive conversations around race and racial issues white people who want to be better allies anyone who is focused on social justice particularly millennials and members of gen z people who read books like white fragility caste and how to be an antiracist

Courageous Discomfort 2022-09-27 a boston globe most anticipated fall book in this urgently needed guide the pbs host award winning journalist and author of we need to talk teaches us how to have productive conversations about race offering insights advice and support a self described light skinned black jew celeste headlee has been forced to speak about race including having to defend or define her own since childhood in her career as a journalist for public media she s made it a priority to talk about

race proactively she s discovered however that those exchanges have rarely been productive while many people say they want to talk about race the reality is they want to talk about race with people who agree with them the subject makes us uncomfortable it s often not considered polite or appropriate to avoid these painful discussions we stay in our bubbles reinforcing our own sense of righteousness as well as our division yet we gain nothing by not engaging with those we disagree with empathy does not develop in a vacuum and racism won t just fade away if we are to effect meaningful change as a society headlee argues we have to be able to talk about what that change looks like without fear of losing friends and jobs or being ostracized in speaking of race headlee draws from her experiences as a journalist and the latest research on bias communication and neuroscience to provide practical advice and insight for talking about race that will facilitate better conversations that can actually bring us closer together this is the book for people who have tried to debate and educate and argue and got nowhere it is the book for those who have stopped talking to a neighbor or dread thanksgiving dinner it is an essential and timely book for all of us

Speaking of Race 2021-11-02 please note this is a companion version not the original book sample book insights 1 the reason we should be talking about race at work is that we care about our colleagues and the relationships we have with them if we don t have these conversations it means we don t care about something else 2 using the buddy system to have difficult conversations about race with white and nonwhite colleagues will improve your relationships help advance racial justice and make you more effective in your work 3 it s important to have frank conversations about race at work because otherwise you don t care about something else 4 if you care about others you ll have to have difficult conversations with them we can t have meaningful relationships without talking about things that are important to the other person

Summary of Kwame Christian's How to Have Difficult Conversations About Race

2022-09-28T00:00:00Z examining the achievement gap through the prism of race this comprehensive text explains the need for candid courageous conversations about race so that educators may understand why performance inequity persists and learn how they can develop a curriculum that promotes true academic parity to help guide policy analysis and instructional reform the authors present a systemwide plan for transforming schools and districts only when educators have established both a language and a process for addressing the intersection of race and achievement will they be able to restructure their schools in ways which improve student performance and fulfill the promise that every child has a right to learn regardless of their race culture or class book jacket

Courageous Conversations About Race 2006 every voice raised against racism chips away at its power we can t afford to stay silent this book is an attempt to speak the book that sparked a national conversation exploring everything from eradicated black history to the inextricable link between class and race why i m no longer talking to white people about race is the essential handbook for anyone who wants to understand race relations in britain today the no 1 sunday times bestseller winner of the british book awards non fiction narrative book of the year 2018 foyles non fiction book of the year blackwell s non fiction book of the year winner of the jhalak prize longlisted for the baillie gifford prize for non fiction longlisted for the orwell prize shortlisted for a books are my bag readers award

Why I'm No Longer Talking to White People About Race 2020-11-12 based on the research that race gender consent and body positivity should be discussed with toddlers on up this read aloud board book series offers adults the opportunity to begin important conversations with young children in an informed safe and supported way developed by experts in the fields of early childhood and activism against injustice this topic driven board book offers clear concrete language and beautiful imagery that young children can grasp and adults can leverage for further discussion while young children

are avid observers and questioners of their world adults often shut down or postpone conversations on complicated topics because it's hard to know where to begin research shows that talking about issues like race and gender from the age of two not only helps children understand what they see but also increases self awareness self esteem and allows them to recognize and confront things that are unfair like discrimination and prejudice this second book in the series begins the conversation on gender with a supportive approach that considers both the child and the adult stunning art accompanies the simple and interactive text and the backmatter offers additional resources and ideas for extending this discussion

Being You: A First Conversation About Gender 2021-08-17 major new reflections on race and schools by the best selling author of why are all the black kids sitting together in the cafeteria a simmons college beacon press race education and democracy series book beverly daniel tatum emerged on the national scene in 1997 with why are all the black kids sitting together in the cafeteria a book that spoke to a wide audience about the psychological dynamics of race relations in america tatum's unique ability to get people talking about race captured the attention of many from oprah winfrey to president clinton who invited her to join him in his nationally televised dialogues on race in her first book since that pathbreaking success tatum starts with a warning call about the increasing but underreported resegregation of america a selfdescribed integration baby she was born in 1954 tatum sees our growing isolation from each other as deeply problematic and she believes that schools can be key institutions for forging connections across the racial divide in this ambitious accessible book tatum examines some of the most resonant issues in american education and race relations the need of african american students to see themselves reflected in curricula and institutions how unexamined racial attitudes can negatively affect minority student achievement the possibilities and complications of intimate crossracial friendships tatum approaches all these topics with the blend of analysis and storytelling that make her one of our most persuasive and engaging commentators on race can we talk about race launches a collaborative lecture and book series between beacon press and simmons college which aims to reinvigorate a crucial national public conversation on race education and democracy

The Race Conversation 2021 a financial times best book of the year an essential tool for individuals organizations and communities of all sizes to jump start dialogue on racism and bias and to transform well intentioned statements on diversity into concrete actions from a leading harvard social psychologist finalist for the financial times and mckinsey business book of the year award longlisted for the porchlight business book award livingston has made the important and challenging task of addressing systemic racism within an organization approachable and achievable alex timm co founder and ceo root insurance company how can i become part of the solution in the wake of the social unrest of 2020 and growing calls for racial justice many business leaders and ordinary citizens are asking that very question this book provides a compass for all those seeking to begin the work of anti racism in the conversation robert livingston addresses three simple but profound questions what is racism why should everyone be more concerned about it what can we do to eradicate it for some the existence of systemic racism against black people is hard to accept because it violates the notion that the world is fair and just but the rigid racial hierarchy created by slavery did not collapse after it was abolished nor did it end with the civil rights era whether it's the composition of a company's leadership team or the composition of one's neighborhood these racial divides and disparities continue to show up in every facet of society for livingston the difference between a solvable problem and a solved problem is knowledge investment and determination and the goal of making organizations more diverse equitable and inclusive is within our capability livingston's lifework is

showing people how to turn difficult conversations about race into productive instances of real change for decades he has translated science into practice for numerous organizations including airbnb deloitte microsoft under armour l'oreal and jpmorgan chase in the conversation livingston distills this knowledge and experience into an eye opening immersion in the science of racism and bias drawing on examples from pop culture and his own life experience livingston with clarity and wit explores the root causes of racism the factors that explain why some people care about it and others do not and the most promising paths toward profound and sustainable progress all while inviting readers to challenge their assumptions social change requires social exchange founded on principles of psychology sociology management and behavioral economics the conversation is a road map for uprooting entrenched biases and sharing candid fact based perspectives on race that will lead to increased awareness empathy and action

Can We Talk about Race? 2008-04-01 peabody award winning journalist michele norris offers a transformative dialogue on race and identity in america unearthed through her decade long work at the race card project the prompt seemed simple race your thoughts six words please send the answers though have been challenging and complicated in the twelve years since award winning journalist michele norris first posed that question over half a million people have submitted their stories to the race card project inbox the stories are shocking in their depth and candor spanning the full spectrum of race ethnicity identity and class even at just six words the micro essays can pack quite a punch revealing fear pain triumph and sometimes humor responses such as you're pretty for a black girl white privilege enjoy it earned it lady i don't want your purse my ancestors massacred indians near here urban living has made me racist i'm only asian when it's convenient many go even further than just six words submitting backstories photos and heirlooms a collection much like a scrapbook of american candor you rarely get to see our hidden conversations is a unique compilation of stories richly reported essays and photographs providing a window into america during a tumultuous era this powerful book offers an honest if sometimes uncomfortable conversation about race and identity permitting us to eavesdrop on deep seated thoughts private discussions and long submerged memories the breadth of this work came as a surprise to norris for most of the twelve years she has collected these stories many were submitted by white respondents this unexpected panorama provides a rare 360 degree view of how americans see themselves and one another our hidden conversations reminds us that even during times of great division honesty grace and a willing ear can provide a bridge toward empathy and maybe even understanding

The Talk 2021-06-01 conversations about racism are as important as they are hard for american christians yet the conversation often gets so ugly even among the faithful who claim unity in jesus why is that the case why does it matter can things get better or are we permanently divided in this honest and hopeful book pastor isaac adams doesn t just show you how to have the race conversation he begins it for you by offering a fictional racially charged tragedy in order to understand varying perspectives and responses he examines what is at stake if we ignore this conversation and why there s just as much at stake in how we have that discussion especially across color lines that is with people of another ethnicity this unique approach offers insight into how to listen to one another well and seek unity in christ looking to god s word christians can find wisdom to speak gracefully and truthfully about racism for the glory of god the good of their neighbors and the building up of the church some feel that the time for talking is over and that we ve heard all this before but given how polarized american society is becoming its churches not exempt fresh attention on the dysfunctional communication between ethnicities is more than warranted adams offers an invitation to faithfully combat the racism so many of us say we hate and maintain the unity so many of us say we want together we can learn to speak in such a way that we show a divided world a different world talking about race points to the starting line not the finish line when it comes to following jesus amid race relations it s high time to begin running

The Brave Educator 2019-07-30 when race breaks out revised edition is a guide for instructors who want to promote more honest and informed conversations about race and racism based on the author s personal practice and interviews with students and faculty from a variety of disciplines this book combines personal memoirs advice teaching ideas and lively stories from college classrooms a unique insider s guide to the main ideas definitions and opinions about race helps instructors answer students questions and anticipate their reactions both to the material and to each other an updated annotated bibliography of over 225 articles books and videos with recommendations for classroom use is included

Talking about Race 2022-01-04 instant new york times bestseller an urgent primer on race and racism from emmanuel Acho an american football legend and host of the viral hit video series uncomfortable conversations with a black man i really love this jada pinkett smith what emmanuel Acho has to say is important matthew mcconaughey an absolute must read emmanuel Acho dives into important subjects like cultural appropriation and white privilege urging you to find a way to join in the fight against racism cosmopolitan in uncomfortable conversations with a black man emmanuel Acho takes on all the questions large and small insensitive and taboo many white people are afraid to ask yet which everyone needs the answers to now more than ever with the same open

hearted generosity that has made his video series of the same name a phenomenon acho explains the vital core of such fraught concepts as white privilege cultural appropriation and reverse racism in his own words he provides a space of compassion and understanding in a discussion that can lack both he asks only for the reader's curiosity but along the way he will galvanize all of us to join the anti racist fight "*When Race Breaks Out*" 2009 real friends talk about race is an essential guide for those who want to have stronger interracial relationships whether it's with friends colleagues or loved ones having conversations about race is uncomfortable but for progress between individuals and our communities to happen we need to be able to speak openly and honestly podcast hosts of the kinswomen yseult and hannah use their own friendship and experiences from different racial backgrounds to offer guidance on navigating these layered conversations in real friends talk about race the duo share their two perspectives on the ways in which culture history and white supremacy have prevented us from having the skills to build trust and healthy relationships across race yseult and hannah approach these topics with love and candor calling readers in not out to confront hard realities and their own internalized biases while also sharing prescriptive advice encouragement and a sense of community real friends talk about race is a must read for anyone looking to listen learn and feel empowered to have meaningful conversations about race

Uncomfortable Conversations with a Black Man 2020-11-12 this book has been written to help us take an honest look at who we really are it is here to help us dig deep it is here to heal the nation i'm no psychotherapist but i get it benjamin zephaniah is it possible not to be confused about race is it possible to respond authentically to the hurt and discomfort of racism the construct of race is an integral part of western society's dna and if we are to address the social injustice of racism we need to have the race conversation yet all too often attempts at such a dialogue are met with silence denial anger or hate the race conversation explores how the damage and distress caused by racism lives not just in our minds but principally in the body as well as helping us to develop a cognitive understanding by exploring the history and development of the race construct the book focuses specifically on the non verbal communication of race both as a means of social control and as an essential part of navigating oppressive patterns this guide supports black white and mixed heritage people to emerge from the tight grip of race discomfort to a trauma informed neurophysiological approach that emphasises resourcing body awareness mindfulness and healing

Real Friends Talk About Race 2023-04-04 the international bestseller that changed how we talk about racism a critically acclaimed book that gave readers a starting point to demystify conversations about race the atlantic a classic jodi picoult walk into any racially mixed secondary school and you will see young people clustered in their own groups according to race is this self segregation a problem to address or a coping strategy beverly daniel tatum a renowned psychology professor guides us through how racial identity develops from very young children all the way to adulthood in black families white families and mixed race families and helps us understand what we can do to break the silence have better conversations with our children and with each other about race and build a better world a mainstay on the bookshelves of american readers since 1998 and substantially revised and updated in 2017 this evergreen bestseller is essential reading for anyone interested in understanding the dynamics of race

The Race Conversation 2022-06-28 listen in crucial conversations on race in the workplace is the beginning of a crucial conversation for america designed to strengthen the relationships in your organization it's a career development tool for employees and a guide for organizations that are ready to move the needle on diversity and inclusion this intriguing work of business fiction picks up where research and scorecards leave

Why Are All the Black Kids Sitting Together in the Cafeteria? 2021-05-06 race is a difficult topic for americans to have a conversation about we talk a lot about race but conversations that are healing filled with compassion and lead to inspired action are not always in our midst in her new book milagros phillips author of 11 reasons to become race literate a pocket guide to a new conversation leads her readers through 8 essential components of a successful conversation on race her thoughtful new book brings together the strategies she has used successfully during the last 25 years of facilitating race conversations with corporate leaders educators and national leaders Listen In 2015-10-15 as seen on good morning america reggie dabbs and john driver a black man and a white man and longtime friends engage in a courageous respectfully honest challenging exploration of racism in america including how black and white christians can come together to fight the evils of racism within our hearts and our systems including our churches white privilege black lives matter george floyd when it comes to racism in america many of us feel confused overwhelmed angry and eager to know how to engage in meaningful conversations and actions surrounding such a difficult topic in not so black and white public school communicator and internationally acclaimed speaker reggie dabbs and pastor john driver team up to offer a hope filled convicting inspiring look at how to be anti racist in america today through reggie and john's honest conversations you will hear the stories of fellow believers who have found ways to reach across the racial barrier with humility empathy and forgiveness understand a simple yet robust history of racism in america and in the church including its role in systems policies and individual actions discover fully biblical yet culturally wise responses to the challenges of racism in yourself and your community come away with fresh thought processes and practical steps for what you can do to think rightly and engage bravely in conversations and actions to end racism not so black and white is a compelling resource for pastors teachers and community leaders who want to read about issues of racism from a biblical and a historical perspective for readers of all denominations and backgrounds not so black and white equips us to engage together in the intentional work of dismantling racism just as the gospel calls us to do 8 Essentials to a Race Conversation 2016-08-26 facilitating conversations about race often involves tension as both the facilitators and participants bring emotional experiences and their deeply held values and beliefs into the room diversity equity and inclusion strategies for facilitating conversations on race guides facilitators through a process of becoming comfortable with the discomfort in leading conversations about racism privilege and power this book walks you through the important steps to create a foundation where participants feel brave enough to take risks and share their stories and perspectives it guides you through strategies for engaging participants in

courageous conversations with one another in ways that don't shame and blame people into understanding this book is a useful tool for individuals organizations and college professors who are interested in learning techniques for guiding their audience through dialogue whereby they become open to listening to one another for understanding rather than holding on to old beliefs and maintaining a posture of defense readers will learn how the dynamics of race show up in cross cultural spaces including the unique challenges faced by facilitators of color and white facilitators in addition we explore how to identify and counter white privilege in the dialogue between participants both novice and experienced facilitators will learn helpful strategies for leading conversation that result in people recognizing their role as change agents in ending oppression

Not So Black and White 2021-10-12 turn uncomfortable conversations into meaningful dialogue if you believe that talking about race is impolite or that colorblindness is the preferred approach you must read this book race talk and the conspiracy of silence debunks the most pervasive myths using evidence easy to understand examples and practical tools this significant work answers all your questions about discussing race by covering characteristics of typical unproductive conversations on race tacit and explicit social rules related to talking about racial issues race specific difficulties and misconceptions regarding race talk concrete advice for educators and parents on approaching race in a new way his insistence on the need to press through resistance to have difficult conversations about race is a helpful corrective for a society that prefers to remain silent about these issues christopher wells vice president for student life at depauw university in a canadian context the work of dr derald wing sue in race talk and the conspiracy of silence is the type of material needed to engage a populace that is often described as too polite the accessible material lets individuals engage in difficult conversations about race and racism in ways that make the uncomfortable topics less threatening resulting in a true dialogue rather than a debate darrell bowden m ed education and awareness coordinator ryerson university he offers those of us who work in the diversity and inclusion space practical tools for generating productive dialogues that transcend the limiting constraints of assumptions about race and identity rania sanford ed d associate chancellor for strategic affairs and diversity stanford university sue's book is a must read for any parent teacher professor practitioner trainer and facilitator who seeks to learn understand and advance difficult dialogues about issues of race in classrooms workplaces and boardrooms it is a book of empowerment for activists allies or advocates who want to be instruments of change and to help move america from silence and inaction to discussion engagement and action on issues of difference and diversity integrating real life examples of difficult dialogues that incorporate the range of human emotions sue provides a masterful illustration of the complexities of dialogues about race in america more importantly he provides a toolkit for those who seek to undertake the courageous journey of understanding and facilitating difficult conversations about race menah pratt clarke jd phd associate provost for diversity university of illinois urbana champaign

Diversity, Equity, and Inclusion 2015 do you know how to initiate and facilitate productive dialogues about race in your classroom are you prepared to handle complex topics while keeping your students engaged inspired by frederick douglass's abolitionist call to action it is not light that is needed but fire author matthew kay demonstrates how to move beyond surface level discussions and lead students through the most difficult race conversations in not light but fire how to lead meaningful race conversations in the classroom kay recognizes we often never graduate to the harder conversations so he offers a method for getting them right providing candid guidance on how to recognize the difference between meaningful and inconsequential race

conversations how to build conversational safe spaces not merely declare them how to infuse race conversations with urgency and purpose how to thrive in the face of unexpected challenges how administrators might equip teachers to thoughtfully engage in these conversations with the right blend of reflection and humility key assertions teachers can make school one of the best venues for young people to discuss race

Race Talk and the Conspiracy of Silence 2016-02-01 this book is a guide for college and high school teachers who want to promote honest and informed conversations about race and racism based on the author's personal practice and interviews with students and faculty from a variety of disciplines this book combines personal memoirs advice teaching ideas and lively classroom vignettes

Not Light, but Fire 2023-10-10 what would happen if people started moving beyond the conversation and took action to combat racism we are in an era where many americans express the sentiment i thought we were past that when a public demonstration of racism comes across their radar long before violence committed by police was routinely displayed on jumbotrons publicizing viral executions the black community has continually tasted the blood from having police boots in their mouths ribs and necks the widespread circulation of racial injustices is the barefaced truth hunting us down forcing us to confront the harsh reality we haven't made nearly as much racial progress as we thought the antiracist how to start the conversation about race and take action will compel readers to focus on the degree in which they have previously or are currently contributing to the racial inequalities in this country knowingly or unknowingly and ways they can become stronger in their activism the antiracist is an explosive indictment on injustice highlighted by kondwani fidel a rising young literary talent who offers a glimpse into not only the survival required of one born in a city like baltimore but how we can move forward to tackle violent murders police brutality and poverty throughout it all he pursued his master of fine arts in creative writing publishing arts from the university of baltimore while being deeply immersed in his community helping combat racism in schools by getting students to understand the importance of literacy and critical thinking with his gift for storytelling he measures the pulse of injustice which is the heartbeat of this country

When Race Breaks Out 2017 the recent barrage of racially motivated killings violent antagonisms and conflagrations has left many americans reeling in the face of a so called post racial reality in thirty four interviews some previously unpublished and others originally conducted for the new york times philosophy column the stone but presented here unedited and with supporting materials philosopher george yancy critically engages some of the most influential thinkers alive today in order to highlight their most crucial insights into understanding the multifaceted dimensions of race in the united states

The Antiracist 2020-09-22 learn how to facilitate conversations about race in the classroom and why these discussions are such an important part of our work toward equity and justice in this helpful book danielle stewart martha caldwell and dietra hawkins cover everything from what you need to know to get started to facilitation methods and techniques to how to sustain your work drawing on their experience at ichange collaborative a group that works with schools across the country the authors offer a plethora of compelling strategies and examples to help you hone your facilitation skills specific topics include the importance of exploring your own identity how to prepare yourselves and your classrooms for sensitive conversations how to create class guidelines that create trust and allow vulnerability and how to deliver explicit instruction in compassionate listening sharing stories and giving supportive feedback the book also discusses the role of affinity groups in strengthening racial identities building supportive relationships and enhancing professional practices for educators of color and for race conscious white educators with the authors practical

advice educators of all levels of experience and comfort levels will be able to address racial equity in schools or classrooms so you can do your part to address harm educate and ultimately transform society

On Race 2017 talking about race argues christians must understand why they avoid honest conversations about race if they want to enjoy authentic racial unity in their churches isaac adams shows that if we can understand the reasons for our reluctance to speak about race we can grow together in love rather than apart in bitterness
