affectingly personal achingly earnest and something close to necessary vogue personal convincing unflinching tablet from an author who s been called one of the most emotionally exacting mercilessly candid deeply funny and intellectually rigorous writers of our time cheryl strayed 1 new york times bestselling author comes a seminal book that reaches surprising truths about feminism the trump era and the resistance movement you won t be able to stop thinking and talking about it in this gripping work meghan daum examines our country s most intractable problems with clear eyed honesty

instead of exaggerated outrage with passion humor and personal reflection she tries to make sense of the current landscape from donald trump s presidency to the metoo movement and beyond in the process she wades into the waters of identity politics and intersectionality thinks deeply about campus politics and notions of personal resilience and tests a theory about the divide between gen xers and millennials this signature work may well be the first book to capture the essence of this era in all its nuances and contradictions no matter where you stand on its issues this book will strike a chord

## ***The Problem with Everything***

2019-10-22

everyone wants to be loved to find someone who will stick with them through all of life s ups and downs someone who is in it for the long haul but in a world where dating is increasingly based on split second decisions and geared toward casual relationships rather than marriage it s easy for single people to feel discouraged used or unworthy of true love and lasting affection reality just never seems to match up with our often wildly unrealistic expectations jonathan jp pokluda has counseled thousands of young singles through the pain and heartbreak of dating the world s way now he wants to dispel the myths misconceptions and fairy tales you ve believed about dating and replace them with the truth from the one who invented marriage created you to crave relationship and is the very embodiment of true love with plenty of true stories about relationships healed and love found this practical book explains god s purposes for singleness dating and marriage and covers why you should date who you should date and how you should date if you re ready to trade the world s way of dating for the way that actually works it s time to begin dating well

when a loved one dies we mourn our loss we take comfort in the rituals that mark the passing and we turn to those around us for support but what happens when there is no closure when a family member or a friend who may be still alive is lost to us nonetheless how for example does the mother whose soldier son is missing in action or the family of an alzheimer s patient who is suffering from severe dementia deal with the uncertainty surrounding this kind of loss in this sensitive and lucid account pauline boss explains that all too often those confronted with such ambiguous loss fluctuate between hope and hopelessness suffered too long these emotions can deaden feeling and make it impossible for people to move on with their lives yet the central message of this book is that they can move on drawing on her research and clinical experience boss suggests strategies that can cushion the pain and help families come to terms with their grief her work features the heartening narratives of those who cope with ambiguous loss and manage to leave their sadness behind including those who have lost family members to divorce immigration adoption chronic mental illness and brain injury with its message of hope this eloquent book offers guidance and understanding to those struggling to regain their lives table of contents 1 frozen grief 2 leaving without goodbye 3 goodbye without leaving 4 mixed emotions 5 ups and downs 6 the family gamble 7 the turning point 8 making sense out of ambiguity 9 the benefit of a doubt notes acknowledgments reviews of this book you will find yourself thinking about the issues discussed in this book long after you put it down and perhaps wishing you had extra copies for friends and family members who might benefit from knowing that their sorrows are not unique this book s value lies in its giving a name to a force many of us will

confront sadly more than once and providing personal stories based on 20 years of interviews and research

pamela gerhardt washington post reviews of this book a compassionate exploration of the effects of ambiguous loss and how those experiencing it handle this most devastating of losses boss's approach is to encourage families to talk together to reach a consensus about how to mourn that which has been lost and how to celebrate that which remains her simple stories of families doing just that contain lessons for all insightful practical and refreshingly free of psychobabble kirkus review

reviews of this book engagingly written and richly rewarding this title presents what boss has learned from many years of treating individuals and families suffering from uncertain or incomplete loss the obvious depth of the author's understanding of sufferers of ambiguous loss and the facility with which she communicates that understanding make this a book to be recommended

r r cornellius choice reviews of this book written for a wide readership the concepts of ambiguous loss take immediate form through the many provocative examples and stories boss includes all readers will find stories with which they will relate sensitive grounded and practical this book should in my estimation be required reading for family practitioners

ted bowman family forum reviews of this book dr boss describes the all too common phenomenon of unresolved grief as resulting from either of two circumstances when the lost person is still physically present but emotionally absent or when the lost person is physically absent but still emotionally present in addition to senility physical presence but psychological absence may result for example when a person is suffering from a serious mental disorder like schizophrenia or depression or debilitating neurological damage from an accident or severe stroke when a person abuses drugs or alcohol when a child is autistic or when a spouse is a workaholic who is not really there even when he or she is at home cases of physical absence with continuing psychological presence typically occur when a soldier is missing in action when a child disappears and is not found when a former lover or spouse is still very much missed when a child loses a parent to divorce or when people are separated from their loved ones by immigration

professionals familiar with dr boss's work emphasised that people suffering from ambiguous loss were not mentally ill but were just stuck and needed help getting past the barrier of unresolved grief so that they could get on with their lives

asian age combining her talents as a compassionate family therapist and a creative researcher pauline boss eloquently shows the many and complex ways that people can cope with the inevitable losses in contemporary family life a wise book and certain to become a classic

constance r ahrons author of the good divorce a powerful and healing book families experiencing ambiguous loss will find strategies for seeing what aspects of their loved ones remain and for understanding and grieving what they have lost pauline boss offers us both insight and clarity

kathy weingarten ph d the family institute of cambridge harvard medical school
