The Way of Spiritual Warfare 2015-08-05 there is a war in progress between god and his forces on one side and the devil and his forces on the other side whether you like it or not you are a part of that war if you have received the lord jesus as your lord and saviour god has enroled you in his army and expects you to fight for him and with him if you have not yet received the lord jesus as your lord and saviour then you are on the devil s side fully registered in his army even if you have good intentions if you do not yet belong to the lord jesus then the devil wants to ensure that you never leave his army if you already belong to the lord jesus then the devil aims at making you as ineffective as possible using you as a spy to betray the lord jesus you cannot be neutral by your every thought word and deed you are helping to advance one of the two sides in the conflict with your every second minute hour and day you are either working with god for the advancement of his army and kingdom or helping the devil his rival to build his army and kingdom you do well to choose rightly the lord jesus won the great victory over the devil and his host on the cross we consider it a great privilege to proclaim that victory we are compelled by the very nature of the truth to present jesus as the saviour teacher deliverer healer and victor even though we have only experienced him as our healer to a limited degree the great extent to which we have seen him work as the deliverer gives us hope that we shall soon see him move in a limitless way as the healer i have consulted the books love not the world by watchman nee and war on the saints by jessie penn lewis as i wrote these messages in addition my experience of walking with christ for 18 years has undoubtedly provided the ground work for this book as companion volumes to this book we have also written deliverance from demons and the overthrow of principalities it will be necessary to read these two books to have a complete picture of spiritual warfare as we see it

The Art of Spiritual Warfare 2008-05 although we are living in a physical world there are spiritual battles that we are engaged in with demonic forces in the spirit world every believer is engaged in a three front war against the devil the world system and his own flesh whether or not we are aware of it the battlefield is in the spirit realm yet the outcome of these spiritual battles have an effect on the destinies of people in the natural realm this battle takes place in the invisible spiritual realm where the stage is set and battle lines have already been drawn against us by demonic forces it is a battle waged against us by satan and his diabolical cohorts of the dark world if you are to live a victorious life and prevail in these trying times in which we live it is imperative that you learn how to engage in spiritual warfare lest you fall prey to the whims and vagaries of the devil sadly today there is near universal paucity in practice in understanding of matters of spiritual warfare as dozens are of believers are still sailing their boats through shallow streams of spiritual understanding where spiritual warfare is concerned it is disheartening to note that dozens of believers seem to be inept at spiritual warfare for the most part and are deficient in understanding of spiritual weapons the lord gave to the church with which to fight our enemy despite its significance in the christendom today spiritual warfare is the very area where christians have little understanding and a main reason why they don t achieve the desired results from the lord is because they never engage the enemy in warfare it is for this reason that this publication has been brought into the limelight as a key weapon in the body of christ to unpack the divine

revelations of strategic spiritual warfare this book does not just devise the stratagems christians can use to fight against satanic forces but also unpacks the divine concept of strategic warfare a strategy is an intelligently formulated plan of action that is used to stay ahead of those who are competing against you it gives you an upper hand or competitive edge over your opponents strategic warfare therefore implies understanding the art of warfare or how to fight battles in the spirit realm against satanic forces and influences it connotes to how to fight battles in the spirit realm against satanic forces and influences and how to cast out demons either from the bodies of their victims or from the environment in your sphere of contact the truth is that winning the battle is not an outcome of physical muscles or disposition of weapons but an art this means that it requires a strategic thinking and spiritual intelligence to successfully engineer and won battles in the spirit realm in this publication apostle frequency revelator therefore unpacks the divine revelation that spiritual warfare is an art that involves developing an understanding of who your enemy is how he operates what strategies he uses to fight against you what his warfare base or strongholds are and what his strengths weaknesses opportunities and threats are at a broader length it incorporates a wide spectrum of spiritual acts such as understanding the spirit realm in which the devil operates how to manoeuvre and navigate your way in the spirit world how to cast out demons how to obtain a legal precedent against the accuser the devil before the high court of heaven as well as how to plead cases accusations and petitions lodged against believers before the courts of heaven at a strategic level spiritual warfare involves undertaking such strategic acts as taking over new territories for jesus reclaiming territories that have been taken over by enemy through the paradigm of ignorance as well as strategically occupying political financial media and all other territories that are deemed critical in the proliferation of the gospel this is what god expect you to do as a heavily armed warrior in his kingdom
