to grasp the complicated causes and consequences of the vietnam war one must understand the extraordinary life of ho chi minh the man generally recognized as the father of modern vietnam duiker provides startling insights into ho s true motivation as well as into the soviet and chinese roles in the vietnam war

## **Ho Chi Minh**

1973

when ho chi minh died in 1969 time magazine wrote no national leader has stood so stubbornly or so long before the enemy s guns ho was a man who understood how to compromise without losing sight of his goal but he will perhaps be best remembered as the leader who attempted to humanize marxism and yet although the name of the first president of vietnam is known throughout the world the figure behind the presidency has remained in the shadow until now there has been very little biographical material available in this country page 2 of cover

## **Ho Chi Minh**

2007-03-12

a fascinating biography of the vietnamese icon ho chi minh

## **Ho Chi Minh; a Political Biography**

1968

this biography focuses on ho s early political career from his emergence at the paris peace conference in 1919 to his organisation of the viet minh united front at the start of the second world war using previously untapped sources from comintern and french intelligence archives sophie quinn judge examines ho s life in the light of two interconnecting themes the origins and institutional development of the indochinese communist party icp and the impact on early vietnamese communism of political developments in china and the soviet union

1994

historical experience shows that any country or nation that wants to survive develop and steadfast with its era must have its own political ideology or must choose the appropriate ideology at the same time historical experience also shows that this choice is only correct when on the one hand comes from the reality of the country from the personality of the nation from the earnest desire of the people and on the other hand must be consistent with the law of the inevitable and objective development of the society ho chi minh s political thought is the development path of the vietnamese revolution not only in the history of national liberation but also in the era of integration main author asso prof dr phm ngc trâm edited by dinh tran ngoc huy mba international university of japan

## ***The Road to Freedom***

2006

the perfect comprehensive starting point for anyone looking to conduct research on ho chi minh city this historical dictionary is ideal for those who want to know more about the city s history and development

## **Ho Chi Minh and the Comintern**

1990

this book explores the way in which the state has become commercialised under reform as party and government officials have gone into business and considers the impact that this has had on politics within ho chi minh city and hanoi the book charts the way in which power has been decentralised to the lower levels of the party state but argues that the central state retains significant power these issues are explored through a variety of case studies including the implementation of different reform policies struggles over political and business activity and the prosecution of two major corruption cases particular emphasis is placed on piecing together the myriad of informal practices which dominate business and political life in vietnam

## **Ho Chi Minh Noodles and the Trail through Vietnam**

1999

some will be shocked to find out that the united states and ho chi minh our nemesis for much of the vietnam

war were once allies indeed during the last year of world war ii american spies in indochina found themselves working closely with ho chi minh and other anti colonial factions compelled by circumstances to fight together against the japanese dixie bartholomew feis reveals how this relationship emerged and operated and how it impacted vietnam s struggle for independence the men of general william donovan s newly formed office of strategic services closely collaborated with communist groups in both europe and asia against the axis enemies in vietnam this meant that oss officers worked with ho chi minh and the viet minh whose ultimate aim was to rid the region of all imperialist powers not just the japanese ho for his part did whatever he could to encourage the oss s negative view of the french who were desperate to regain their colony revealing details not previously known about their covert operations bartholomew feis chronicles the exploits of these allies as they developed their network of informants sabotaged the japanese occupation s infrastructure conducted guerrilla operations and searched for downed american fliers and allied pows although the oss did not bring ho chi minh to power bartholomew feis shows that its apparent support for the viet minh played a significant symbolic role in helping them fill the power vacuum left in the wake of japan s surrender her study also hints that had america continued to champion the anti colonials and their quest for independence rather than caving in to the french we might have been spared our long and very lethal war in vietnam based partly on interviews with surviving oss agents who served in vietnam bartholomew feis s engaging narrative and compelling insights speak to the yearnings of an oppressed people and remind us that history does indeed make strange bedfellows

## ***The Blood Road***

### ***Ho Chi Minh's Political Ideology - Historical and Era Value (Monographs)***

1971

when saigon fell to north vietnamese forces on april 30 1975 the communist victory sent shockwaves around the world using ingenious strategy and tactics hồ chí minh had shown it was possible for a tiny nation to defeat a mighty western power the same tactics have been studied and replicated by revolutionary forces and terrorist organizations across the globe drawing on recently declassified documents and rare interviews with hồ chí minh s strategists and operatives this book offers fresh perspective on his blueprint and the reasons behind both the french 1945 1954 and the american 1959 1975 failures in vietnam concluding with an analysis of the threat this model poses today
