Copyright Law in a Nutshell 2022

there are two things wrong with almost all legal writing one is style the other is content
professor fred rodell yale 1936 we can t do much about content you ll have to know how the common law system works how to read and brief cases how to study and take exams how to write and argue law and how lawsuits are tried we can do something about style there s advice and illustrations you ll throw pots working your first case making your first argument briefing cases taking exams and writing memos this is not for the faint hearted nor is law school think like a lawyer i won t be a bore i ll tell jokes some of which are actually funny i ll challenge you intellectually where does

law come from should judges follow precedent what
if your client wants to pave paradise and put in a
parking lot if you love ideas you ll love this
book and you ll love law school if you love people
you ll love practice
