## **Killing Yourself to Live**

2013-11-21

for 6 557 miles from new york to mississippi to seattle chuck klosterman decided to chase rock n roll and death across a continent 21 days later after three relationships an encounter with various cottonmouth snakes and a night spent snorting cocaine in a graveyard klosterman started to order his thoughts on american culture and the meaning of celebrity

## ***Killing Yourself to Live***

2006-06-13

the author recounts his more than 6 500 mile journey across america during which he visited the sites of famous rock star deaths and experienced philosophical changes of perspective

## **Killing Yourself to Live**

2005-07-19

building on the national bestselling success of sex drugs and cocoa puffs preeminent pop culture writer chuck klosterman unleashes his best book yet the story of his cross country tour of sites where rock stars have died and his search for love excitement and the meaning of death for 6 557 miles chuck klosterman thought about dying he drove a rental car from new york to rhode island to georgia to mississippi to iowa to minneapolis to fargo to seattle and he chased death and rock n roll all the way within the span of twenty one days chuck had three relationships end one by choice one by chance and one by exhaustion he snorted cocaine in a graveyard he walked a half mile through a bean field a man in dickinson north dakota explained to him why we have fewer windmills than we used to he listened to the kiss solo albums and the rod stewart box set at one point poisonous snakes became involved the road is hard from the chelsea hotel to the swampland where lynyrd skynyrd s plane went down to the site where kurt cobain blew his head off chuck explored every brand of rock star demise he wanted to know why the greatest career move any musician can make is to stop breathing and what this means for the rest of us

## **Chuck Klosterman IV: A Decade of Curious People and Dangerous Ideas**

2013-11-21

chuck klosterman has become the pop culture commentator of his time now our favourite popular phenomenon offers new introductions outros segues and footnotes around a collection sure to enlarge his following chuck klosterman iv is divided into three parts part i things that are true showcases chuck s best profiles and trend stories from the past decade billy joel metallica val kilmer u2 radiohead wilco the white stripes steve nash 50 cent they re all here complete with behind the scenes details and ingenious analysis part ii things that might be true assembles the best of opinion pieces that brim with a characteristic candor always interesting often infuriating occasionally insane now fortified with twenty new hypothetical questions part iii things that are not true at all offers an unpublished short story while semi autobiographical it features a woman who falls out of the sky and lands on a man s car

## **Raised in Captivity**

2019-07-16

microdoses of the straight dope stories so true they had to be wrapped in fiction for our own protection from the best selling author of but what if we're wrong a man flying first class discovers a puma in the lavatory a new coach of a small town oklahoma high school football team installs an offense comprised of only one very special play a man explains to the police why he told the employee of his local bodega that his colleague looked like the lead singer of depeche mode a statement that may or may not have led in some way to a violent crime a college professor discusses with his friend his difficulties with the new generation of students an obscure power pop band wrestles with its new found fame when its song blizzard of summer becomes an anthem for white supremacists a couple considers getting a medical procedure that will transfer the pain of childbirth from the woman to her husband a woman interviews a hit man about killing her husband but is shocked by the method he proposes a man is recruited to join a secret government research team investigating why coin flips are no longer exactly 50/50 a man sees a whale struck by lightning and knows that everything about his life has to change a lawyer grapples with the unintended side effects of a veterinarian's rabies vaccination fair warning raised in captivity does not slot into a smooth preexisting groove if saul steinberg and italo calvino had adopted a child from a romanian orphanage and raised him on gary larsen and thomas bernhard he would still be nothing like chuck klosterman they might be good company though funny wise and weird in equal measure raised in captivity bids fair to be one of the most original and exciting story collections in recent memory a fever graph of our deepest unvoiced hopes fears and preoccupations ceaselessly inventive hostile to corniness in all its forms and mean only to the things that really deserve it it marks a cosmic leap forward for one of our most consistently interesting writers

## **Sex, Drugs, and Cocoa Puffs**

2013-11-21

with an exhaustive knowledge of popular culture and an effortless ability to spin brilliant prose out of unlikely subject matter klosterman attacks the entire spectrum of postmodern america reality tv internet porn breakfast cereal serial killers pamela anderson literary jesus freaks and the real difference between apples and oranges of which there is none sex drugs and coca puffs is ostensibly about movies sport television music books video games and kittens but really it's about us all of us

## **I Wear the Black Hat**

2013-07-09

one of a kind cultural critic and new york times bestselling author chuck klosterman offers up great facts interesting cultural insights and thought provoking moral calculations in this look at our love affair with the anti hero new york magazine chuck klosterman the ethicist for the new york times magazine has walked into the darkness in i wear the black hat he questions the modern understanding of villainy when we classify someone as a bad person what are we really saying and why are we so obsessed with saying it how does the culture of malevolence operate what was so machiavellian about machiavelli why don't we see bernhard goetz the same way we see batman who is more worthy of our vitriol bill clinton or don henley what was o j simpson's second worst decision and why is klosterman still haunted by some kid he knew for one week in 1985 masterfully blending cultural analysis with self interrogation and imaginative hypotheticals i wear the black hat delivers perceptive observations on the complexity of the antihero seemingly the only kind of hero america still creates as the los angeles times notes by underscoring the contradictory often knee jerk ways we encounter the heroes and villains of our culture klosterman illustrates the passionate but incomplete computations that have come to define american culture and maybe even american morality i wear the black hat is a rare example of serious criticism that's instantly accessible and really really funny

## **Fargo Rock City**

2012-12-11

the year is 1983 and chuck klosterman just wants to rock but he's got problems for one he's in the fifth grade for another he lives in rural north dakota worst of all his parents aren't exactly down with the long hairstyle which rocking requires luckily his brother saves the day when he brings home a bit of manna from metal heaven shout at the devil motley crue's seminal paean to hair band excess and so klosterman's twisted odyssey begins a journey spent worshipping at the heavy metal altar of poison lita ford and guns n roses in the hilarious young man growing up with a soundtrack tradition fargo rock city chronicles klosterman's formative years through the lens of heavy

metal the irony deficient genre that for better or worse dominated the pop charts throughout the 1980s for readers of dave eggers lester bangs and nick hornby klosterman delivers all the goods from his first dance with a girl and his eye opening trip to mandan with the debate team to his list of essential albums and his thoughtful analysis of the similarities between guns n roses lies and the gospels of the new testament

## **Downtown Owl**

2008-09-16

new york times bestselling author of the nineties and one of america s top cultural critics entertainment weekly chuck klosterman s debut novel brilliantly captures the charm and dread of small town life soon to be a major motion picture starring ed harris vanessa hughes and henry golding somewhere in rural north dakota there is a fictional town called owl they don t have cable they don t really have pop culture but they do have grain prices and alcoholism people work hard and then they die but that s not nearly as awful as it sounds in fact sometimes it s perfect mitch hrlicka lives in owl he plays high school football and worries about his weirdness or lack thereof julia rabia just moved to owl a history teacher she gets free booze and falls in love with a self loathing bison farmer widower and local conversationalist horace jones has resided in owl for seventy three years they all know each other completely except that they ve never met but when a deadly blizzard based on an actual storm that occurred in 1984 hits the area their lives are derailed in unexpected and powerful ways an unpretentious darkly comedic story of how it feels to exist in a community where local mythology and violent reality are pretty much the same thing downtown owl is a satisfying character study and strikes a perfect balance between the funny and the profound publishers weekly

## **But What If We're Wrong?**

2016-09-15

what if everything we are most certain about turns out to be totally wrong

## ***Eating the Dinosaur***

2009-10-20

the bestselling author of sex drugs and cocoa puffs returns with an all original nonfiction collection of questions and answers about pop culture sports and the meaning of reality

## ***The Visible Man***

2012-06-05

treating a delusional scientist who has been using cloaking technology from an aborted government project to render himself nearly invisible austin therapist victoria vick becomes obsessed with his accounts of spying on the private lives of others

## ***The Nineties***

2022-02-08

an instant new york times bestseller from the bestselling author of but what if we re wrong a wise and funny reckoning with the decade that gave us slacker grunge irony

about the sin of trying too hard during the greatest shift in human consciousness of any decade in american history it was long ago but not as long as it seems the berlin wall fell and the twin towers collapsed in between one presidential election was allegedly decided by ross perot while another was plausibly decided by ralph nader in the beginning almost every name and address was listed in a phone book and everyone answered their landlines because you didn't know who it was by the end exposing someone's address was an act of emotional violence and nobody picked up their new cell phone if they didn't know who it was the 90s brought about a revolution in the human condition we're still groping to understand happily chuck klosterman is more than up to the job beyond epiphenomena like cop killer and titanic and zima there were wholesale shifts in how society was perceived the rise of the internet pre 9/11 politics and the paradoxical belief that nothing was more humiliating than trying too hard pop culture accelerated without the aid of a machine that remembered everything generating an odd comfort in never being certain about anything on a 90's thursday night more people watched any random episode of seinfeld than the finale of game of thrones but nobody thought that was important if you missed it you simply missed it it was the last era that held to the idea of a true hegemonic mainstream before it all began to fracture whether you found a home in it or defined yourself against it in the nineties chuck klosterman makes a home in all of it the film the music the sports the tv the politics the changes regarding race and class and sexuality the yin yang of oprah and alan greenspan in perhaps no other book ever written would a sentence like the video for smells like teen spirit was not more consequential than the reunification of germany make complete sense chuck klosterman has written a multi dimensional masterpiece a work of synthesis so smart and delightful that future historians might well refer to this entire period as klostermanian

## **Tiger Woods**

2019-04-02

the inspiration for the hbo documentary from academy award winning producer alex gibney the 1 new york times bestseller based on years of reporting and interviews with more than 250 people from every corner of tiger woods's life this comprehensive propulsive and unsparing the new yorker biography is an ambitious 360 degree portrait of golf's most scrutinized figure brimming with revealing details golf digest in 2009 tiger woods was the most famous athlete on the planet a transcendent star of almost unfathomable fame and fortune living what appeared to be the perfect life but it turned out he had been living a double life for years one that exploded in the aftermath of a thanksgiving night crash that exposed his serial infidelity and sent his personal and professional lives over a cliff in this searing biography of golf's most blazing talent golf magazine jeff benedict and armen keteyian dig deep behind the headlines to produce a richly reported answer to the question that has mystified millions of sports fans for nearly a decade who is tiger woods really drawing on more than four hundred interviews with people from every corner of woods's life many of whom have never spoken about him on the record before benedict and keteyian construct a captivating psychological profile of a mixed race child programmed by an attention grabbing father and the original tiger mom to be the chosen one to change not just the game of golf but the world as well but at what cost benedict and keteyian provide the startling answers in this definitive biography that is destined to linger in the minds of readers for years to come irresistible immensely readable benedict and keteyian bring us along for the ride in a whirlwind of a biography that reads honest and true the wall street journal ultimately tiger woods is a big american story exhilarating depressing tawdry and moving in almost equal measure the new york times

## **Heartbreak: A Personal and Scientific Journey**

2022-02-01

winner of the 2023 pen e o wilson literary science writing award a smithsonian best science book of 2022 a prospect magazine top memoir of 2022 a kcrw life examined best book of 2022 keen observer and deft writer david quammen florence williams explores the fascinating cutting edge science of heartbreak while seeking creative ways to mend her own when her twenty five year marriage suddenly falls apart journalist florence williams expects the loss to hurt but when she starts feeling physically sick losing weight and sleep she sets out in pursuit of rational explanation she travels to the frontiers of the science of social pain to learn why heartbreak hurts so much and why so much of the conventional wisdom about it is wrong soon williams finds herself on a surprising path that leads her from neurogenomic research laboratories to trying mdma in a portland therapist's living room from divorce workshops to the mountains and rivers that restore her she tests her blood for genetic markers of grief undergoes electrical shocks while looking at pictures of her ex and discovers that our immune cells listen to loneliness searching for insight as well as personal strategies to game her way back to health she seeks out new relationships and ventures into the wilderness in search of an extraordinary antidote awe with warmth daring wit and candor williams offers a

gripping account of grief and healing heartbreak is a remarkable merging of science and self discovery that will change the way we think about loneliness health and what it means to fall in and out of love

## **It Will Shock You How Much It Never Happened**

2010-09-14

from the incomparable david rakoff a poignant beautiful witty and wise novel in verse whose scope spans the twentieth century through his books and his radio essays for npr s this american life david rakoff has built a deserved reputation as one of the finest and funniest essayists of our time written with humor sympathy and tenderness this intricately woven novel proves him to be the master of an altogether different art form love dishonor marry die cherish perish leaps cities and decades as rakoff sings the

song of an america whose freedoms can be intoxicating or brutal the characters lives are linked to each other by acts of generosity or cruelty a daughter of irish slaughterhouse workers in early twentieth century chicago faces a desperate choice a hobo offers an unexpected refuge on the rails during the great depression a vivacious aunt provides her clever nephew a path out of the crushed dream of postwar southern california an office girl endures the casually vicious sexism of 1950s manhattan the young man from southern california revels in the electrifying sexual and artistic openness of 1960s san francisco then later tends to dying friends and lovers as the aids pandemic devastates the community he cherishes a love triangle reveals the empty materialism of the reagan years a marriage crumbles under the distinction between self actualization and humanity as the new century opens a man who has lost his way finds a measure of peace in a photograph he discovers in an old box an image of pure and simple joy that unites the themes of this brilliantly conceived work rakoff s insistence on beauty and the necessity of kindness in a selfish world raises the novel far above mere satire a critic once called rakoff magnificent a word that perfectly describes this wonderful novel in verse

## **Love, Dishonor, Marry, Die, Cherish, Perish**

2013-07-16

the definitive oral history of the cult classic dazed and confused featuring behind the scenes stories from the cast crew and oscar nominated director richard linklater dazed and confused not only heralded the arrival of filmmaker richard linklater it introduced a cast of unknowns who would become the next generation of movie stars embraced as a cultural touchstone the 1993 film would also make matthew mcconaughey s famous phrase alright alright alright ubiquitous but it started with a simple idea linklater thought people might like to watch a movie about high school kids just hanging out and listening to music on the last day of school in 1976 to some that might not even sound like a movie but to a few studio executives it sounded enough like the next american graffiti to justify the risk dazed and confused underperformed at the box office and seemed destined to disappear then something weird happened linklater turned out to be right this wasn t the kind of movie everybody liked but it was the kind of movie certain people loved with an intensity that felt personal no matter what their high school experience was like they thought dazed and confused was about them alright alright is the story of how this iconic film came together and why it worked combining behind the scenes photos and insights from nearly the entire cast including matthew mcconaughey parker posey ben affleck joey lauren adams and many others and with full access to linklater s dazed archives it offers an inside look at how a budding filmmaker and a cast of newcomers made a period piece that would feel timeless for decades to come

## **Alright, Alright, Alright**

## **Viva Morrissey!**

2010-09-14

one of the new yorker s favorite nonfiction book of 2019 a new york times book review editors choice named one of vogue s 17 books we can t wait to read this fall compulsively readable ravenously consuming manna from heaven if ever someone knew how to put a genuinely irresistible book together it s jacobs in still here jeff simon the buffalo news still here is the first full telling of elaine stritch s life rollicking but intimate it tracks one of broadway s great personalities from her upbringing in detroit during the great depression to her fateful move to new york city where she studied alongside marlon brando bea arthur and harry belafonte we accompany elaine through her jagged rise to fame to hollywood and london and across her later years when she enjoyed a stunning renaissance punctuated by a turn on the popular television show 30 rock we explore the influential and often fraught collaborations she developed with noël coward tennessee williams and above all stephen sondheim as well as her courageous yet flawed attempts to control a serious drinking problem and we see the entertainer triumphing over personal turmoil with the development of her tony award winning one woman show elaine stritch at liberty which established her as an emblem of spiky independence and manhattan life for an entirely new generation of admirers

in still here alexandra jacobson conveys the full force of stritch's sardonic wit and brassy charm while acknowledging her many dark complexities following years of meticulous research and interviews this is a portrait of a powerful vulnerable honest and humorous figure who continues to reverberate in the public consciousness

## **Still Here**

2019-10-22

set in the wild seamy and extremely strange america of the nineteenth century a historical novel so richly involving and so touching that you never want it to end young ren is missing his parents and a hand and doesn't know what happened to any of them so he is beginning to fear that he will never be claimed from his cold new england orphanage that his dream of a family of a life will come to nothing but one day a glamorous stranger arrives at the orphanage to ren's astonishment the charming benjamin nab says he is his brother come to bring him home and even when his stories grow more and more extraordinary when he puts ren's life in danger again and again and sets him first to theft and then to grave robbing ren cannot quite abandon hope that one day all the hunger and danger and unwanted excitement will be worth it that he will find a family but whether benjamin is to be trusted is another story

## ***The Good Thief***

2012-11-22

get the summary of chuck klosterman's the nineties in 20 minutes please note this is a summary not the original book the nineties by chuck klosterman is a comprehensive exploration of the decade's cultural political and technological shifts klosterman examines nelson mandela's release and presidency the mandela effect and the identity of generation x defined by douglas coupland's novel the book discusses the concept of selling out the impact of films like reality bites and the legacy of generation x klosterman reflects on the fall of the berlin wall reagan's presidency and the cultural shift marked by nirvana's nevermind
