this week we re looking at what most people would consider a pretty easy bass riff seven nation army by the white stripes obviously this isn t played on bass in the original song jack white plays it on a guitar dropped an octave through a pedal to sound like a bass

## ***how jack white created the bass on seven nation army***

Mar 21 2023

when most people hear the opening notes to seven nation army the unkillable riff rocker to end all unkillable riff rockers the logical assumption is that it s a bass guitars don t go that low and it s a distinctly deep sound but white never brings a bass out on stage what gives
