Discussion as a Way of Teaching

1999-01-01

this book is written for all university and college teachers interested in experimenting with discussion methods in their classrooms discussion as a way of teaching is a book full of ideas techniques and usable suggestions on how to prepare students and teachers to participate in discussion how to get discussions started how to keep discussions going how to ensure that teachers and students voices are kept in some sort of balance it considers the influence of factors of race class and gender on discussion groups and argues that teachers need to intervene to prevent patterns of inequity present in the wider society automatically reproducing themselves inside the discussion based classroom it also grounds the evaluation of discussions in the multiple subjectivities of students perceptions an invaluable and helpful resource for university and college teachers who use or are thinking of using discussion approaches

1 new york times bestseller more than one million copies sold a today show read with jenna book club pick a new york times notable book and chosen by oprah daily time npr the washington post bill gates and barack obama as a best book of the year wise and wildly entertaining permeated with light wit youth the new york times book review a classic that we will read for years to come jenna bush hager read with jenna book club fantastic set in 1954 towles uses the story of two brothers to show that our personal journeys are never as linear or predictable as we might hope bill gates a real joyride elegantly constructed and compulsively readable npr the bestselling author of a gentleman in moscow and rules of civility and master of absorbing sophisticated fiction returns with a stylish and propulsive novel set in 1950s america in june 1954 eighteen year old emmett watson is driven home to nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter his mother long gone his father recently deceased and the family farm foreclosed upon by the bank emmett s intention is to pick up his eight year old brother billy and head to california where they can start their lives anew but when the warden drives away emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden s car together they have hatched an altogether different plan for emmett s future one that will take them all on a fateful journey in the opposite direction to the city of new york spanning just ten days and told from multiple points of view towles s third novel will satisfy fans of his multi layered literary styling while providing them an array of new and richly imagined settings characters and themes once again i was wowed by towles s writing especially because the lincoln highway is so different from a gentleman in moscow in terms of setting plot and themes towles is not a one trick pony like all the best storytellers he has range he takes inspiration from famous hero s journeys including the iliad the odyssey hamlet huckleberry

finn and of mice and men he seems to be saying that our personal journeys are never as linear or predictable as an interstate highway but he suggests when something or someone tries to steer us off course it is possible to take the wheel bill gates
