across more than a millenium the lamas meditators and scholars of tibet created a vast literature dedicated to revealing the profound truths about who we are and how we should make use of our lives sages living in mountain caves and monastics pursuing their daily rituals used these texts to wear down their obscurations and make space for innate clarity and wisdom to manifest for those of us in the modern world with hectic lives however such teachings from another time and place can be nearly impenetrable to approach them we need a guide a helping hand from someone who is like ourselves but who has spent years learning the ins and outs of the sometimes secretive world of tibetan buddhist practice bestselling author and former buddhist monk alan wallace is one such guide with his trademark enthusiasm and keen intelligence he introduces us here to one of the most cherished works of the nyingma school of tibetan buddhism dudjom lingpa's vajra essence written in the nineteenth century the vajra essence presents the practice of dzokchen the great perfection the highest of all the meditation traditions and its contents have only been revealed to those with the requisite training with permission from his teachers alan reveals here the work's opening section which presents the methods for calming the mind and bringing it to a state of effortless concentration the practice of shamatha in his earlier book the attention revolution alan guided readers through the stages of shamatha step by step here he uses the wisdom of the dzokchen teachings to open up this practice into a space of freedom from hope and fear he makes obscure concepts intelligible to contemporary readers and allows us to glimpse the profound realizations of a great spiritual adept

## The Method of the Vedanta

1997

this remarkable book is the crowning achievement of the great scholar of hinduism dennis hudson although hudson died without completing it the work has been brought to fruition by editor margaret case the book is a finely detailed study of a renowned tamil hindu temple the vaikuntha perumal ca 770 c e hudson uses this temple as an illustration of one major current and historical stage in south indian vaishnava religion he offers a sustained reading of the temple as a coherent organized minutely conceptualized mandala whose code can be cracked by close analysis of the temple iconography and structure in the light of major literary and religious texts

## COORG INSCRIPTIONS

among african countries uganda is unique in its affirmative action program for women in the late 1980s president yoweri museveni announced his belief that uganda's successful development depended on increased gender equity and backed his opinions by setting several women centered policies in motion including a 1989 rule that at least 39 seats in the ugandan parliament be reserved for women in this fascinating study based on in depth interviews with both male and female parliamentarians women in nongovernmental organizations and rural residents of uganda sylvia tamale explores how women's participation in ugandan politics has unfolded and what the impact has been for gender equity the book examines how women have adapted their legislative strategies for empowerment in light of uganda's patriarchal history and social structure the author also looks at the consequences and implications of women's parliamentary participation as a result of affirmative action handed down by the president rather than pushed up from a grassroots movement although focusing on uganda tamale's study is relevant to other african and non african countries grappling with the twin challenges of democracy and development
