zygmunt bauman ' b æ m ə n 19 november 1925 9 january 2017 was a polish born sociologist and philosopher he was driven out of the polish people s republic during the 1968 polish political crisis and forced to give up his polish citizenship zygmont bauman polish born sociologist who examined broad changes in the nature of contemporary society and their effects on communities and individuals in numerous works that made him one of the most influential intellectuals in europe his best known works were modernity and the holocaust and liquid modernity in a book published in 2000 the polish born sociologist zygmont bauman who has died aged 91 deployed a metaphor since taken up by the anti globalisation movement around the world global thinker public intellectual and world famous theorist of liquid modernity zygmont bauman 1925 2017 was a scholar who despite forced migration built a very successful academic career and after retirement became a prolific and popular writer and an intellectual talisman for young people everywhere the most contentious phase of bauman s life is his involvement with the kbw korpusu bezpiecze ństwa wewnętrznego the polish secret service from 1945 to 1953 this phase of bauman s life is discussed in chapter five of wagner s 2020 biography and is mentioned in all the published accounts of bauman s life although zygmont bauman has written very little directly about education his underpinning ideas on the transition from solid to liquid modernity the mechanisms of social exclusion the other and the stranger have had a significant impact on education research language english vi 293 pages 23 cm life in fragments is a continuation of the themes and motifs explored in zygmont bauman s acclaimed study postmodern ethics blackwell 1993 described by richard sennett as a major event in social theory postmodern ethics subverted the pieties of subversion which rule the postmodern imagination zygmont bauman polity jun 24 2005 history 164
