The Writing Report Card, 1984-88 1990

based on two national assessments of the writing proficiency of representative samples of students in grades 4 8 and 11 conducted during the school years ending in 1984 and 1988 this report assesses the informative persuasive and imaginative writing performance of the nation's students and tracks changes in performance over time the first three chapters of the report describe student performance on the informative persuasive and imaginative writing tasks included in the writing trend assessments based on the results of the primary trait and holistic analyses the fourth chapter summarizes trends in average task accomplishment for the nation and various demographic subpopulations in the fifth chapter trends in students grammar punctuation and spelling are discussed the sixth chapter discusses factors that appear to be related to writing performance such as students instructional experiences and home environment the report concludes that despite some progress on some tasks students writing performance across tasks remains low and has changed little across time the report also finds that the extent to which students at all grade levels value writing use it in their own lives and engage in writing process activities remains quite limited a procedural appendix and an appendix of data are attached rs

University English for Academic Purposes in China 2018-07-07

this book uses an in depth phenomenological interview approach to explain the generational characteristics of today's chinese university youths and the critical dispositions they believe indispensable in acquiring english as an academic language in and outside school settings by presenting the authentic voices of the recruited participants the book clarifies how english for academic purposes eap as an emerging global phenomenon and a research informed practice enables and empowers them for conscious self transformation and critical awareness development through language study the book also explores issues arising in the fields of general english language teaching as well as traditional and critical eap and discusses university english language learners learning needs and rights the book further promotes a dynamic and transformative university eap pedagogy of particularity practicality and possibility moving from the oppression of language education to its liberation and the increasing critical consciousness among the present and future university youths in a time of great
