The Phi Gamma Delta, Volume 21

1981

this handbook is intended for faculty and administrators who wish to create a welcoming and safe environment for all lesbian gay bisexual and transgender students on our campuses it will help readers even those who may struggle personally with understanding non heterosexual identities gain a clearer understanding of the important issues facing these students while some students arrive on campus with full clarity about their sexual identities others may just be discovering their orientations while in our institutions it is difficult to provide the attention lgbt students need if we do not understand the crises affecting them or

how to address them each chapter analyzes specific issues affecting these students and offers recommendations or suggestions for change some of the areas discussed include identity development theories residence halls career planning health and counseling centers hiv aids and student leadership and organizational development non heterosexual faculty and staff may also find this work useful as they attempt to discover themselves in academic and educational literature lesbian gay bisexual and transgender students are on our campuses they are either discovering their orientations while in our institutions or arriving with full clarity about their sexual identities it is difficult to provide the attention these students need if we do not understand the issues or how to address them this handbook is a guide to providing services to lesbian gay bisexual and transgender students it is for all faculty and administrators especially those who may struggle personally with understanding non heterosexual identities who wish to create a safe and welcoming environment for all students non heterosexual faculty and staff may also find this work useful as they attempt to discover themselves in academic and educational literature each section presents an area in which questions usually arise chapters within the sections dissect specific issues and where appropriate offer recommendations for change some of those areas include identity development theories residence halls career planning health and counseling centers hiv aids students with disabilities same sex dating and domestic violence athletics fraternities student leadership speakers bureaus and safe zone programs commuter schools and church related institutions and internet resources
