American History 101 2003-05

american history revised is as informative as it is entertaining and humorous filled with irony surprises and long hidden secrets the book does more than revise american history it reinvents it james bamford bestselling author of the puzzle palace body of secrets and the shadow factory this spirited reexamination of american history delves into our past to expose hundreds of startling facts that never made it into the textbooks and highlights how little known people and events played surprisingly influential roles in the great american story we tend to think of history as settled set in stone but american history revised reveals a past that is filled with ironies surprises and misconceptions living abroad for twelve years gave author seymour morris jr the opportunity to view his country as an outsider and compelled him to examine american history from a fresh perspective as morris colorfully illustrates through the 200 historical vignettes that make up this book much of our nation s past is quite different and far more remarkable than we thought we discover that in the 1950s ford was approached by two japanese companies begging for a joint venture ford declined their offers

calling them makers of tin cars the two companies were toyota and nissan eleanor roosevelt and most women s groups opposed the equal rights amendment forbidding gender discrimination the two generals who ended the civil war weren t grant and lee the 1 bestselling american book of all time was written in one day the dutch made a bad investment buying manhattan for 24 two young girls aimed someday to become first lady and succeeded three times a private financier saved the united states from bankruptcy organized into ten thematic chapters american history revised plumbs american history s numerous inconsistencies twists and turns to make it come alive again

American History ... 1929

when the handbook for research in american history was first published reviewers called it an excellent tool for historians of all interests and levels of experience simple to use and concisely worded western historical quarterly and an excellent work that fulfills its title in being portable yet well filled reference reviews the journal of american history added it is not easy to produce a reference work that is utilitarian and enriching and does not duplicate existing works professor prucha has done the job very well this second revised edition takes account of the revolution that is occurring in bibliographic science as printed reference works extend to electronic databases cd roms and online networks such as the internet focusing on and expanding the major section of the original handbook it provides information on traditional printed works describes new guides and updated versions of old ones notes the availability of reference works and of some full text sources in electronic form and discusses the usefulness to researchers of different kinds of material and the forms in which they are available extensive cross referencing and a detailed index that includes authors subjects and titles enhance the book s usefulness

Advanced American History 1934

originally released in 1990 the new american history edited for the american historical association by eric foner has become an indispensable volume for teachers and students in essays that chart the shifts in interpretation within their fields some of our most prominent american historians survey the key works and themes in the

scholarship of the last three decades along with substantially revised essays from the first edition this volume presents three entirely new ones on intellectual history the history of the west and the histories of the family and sexuality the second edition of the new american history reflects in foner's words the continuing vitality and creativity of the study of the past how traditional fields are being expanded and redefined even as new ones are created author note eric foner is dewitt clinton professor of history at columbia university he is the author of numerous books including reconstruction 1863-1877 which was awarded the bancroft prize

What Every American Should Know About American History *1997-01-01*

as an educator with many years of experience in directing english as a second language esl and cross cultural programs kathleen gripman spotted a troubling gap in the educational preparation of many students learning the essentials of american history is a critical educational milestone but most overviews of america s story are designed for reading levels beyond the ability of most english language learners gripman decided to fill that gap with the richly illustrated and fun to read book american history made easy the book begins with the meeting of european and native cultures in what is now the u s after the voyage of christopher columbus in 1492 the story continues through the american revolution the expansion of the nation in the 1800s the civil war and key events in america s most recent century of challenges and triumphs to

make students studying easier the book also includes lots of supplemental materials among them study questions the text of the u s constitution a list of american authors and recommended reading a glossary and an index gripman had the perfect qualifications to meet this challenge as a successful business owner supervising esl educators in southeast michigan and as a developer of some of the literacy training materials used in her programs gripman also had lived overseas including five years of service in europe with the u s navy she designed her overview of american history for the millions of english language learners ell including english as a second language students who are studying each year across the united states the book can be used either in a classroom or for self study between these covers gripman narrates the essential chapters of american history written at an intermediate reading level and accompanied by original black and white sketches and charts to deepen reader recall in selecting the chapters to include she drew on the questions frequently asked on exams and certification tests that immigrants commonly encounter making the book a practical way to prepare for testing most importantly gripman decided not to distill america s story into a series of dry facts to be memorized writing in an engaging narrative style her book also is ideal for any reader who wants an overview of the essentials of american history

A People's History of the United States *1997*
