Selected Stories of Rabindranath Tagore

2011-12-10

the poems of rabindranath tagore 1861 1941 are among the most haunting and tender in indian and in world literature expressing a profound and passionate human yearning his ceaselessly inventive works deal with such subjects as the interplay between god and the world the eternal and transient and with the paradox of an endlessly changing universe that is in tune with unchanging harmonies poems such as earth and in the eyes of a peacock present a picture of natural processes unaffected by human concerns while others as in recovery 14 convey the poet s bewilderment about his place in the world and exuberant works such as new rain and grandfather s holiday describe tagore s sheer joy at the glories of nature or simply in watching a grandchild play

Heart of God

1937

the nobel prize winner rabindranath tagore 1861 1941 the indian goethe as albert schweitzer called him was not only the foremost poet and playwright of modern india but one of its most profound and influential thinkers kalyan sen gupta s book is the first comprehensive introduction to tagore s philosophical socio political and religious thinking drawing on rabindranath s poetry as well as his essays and against the background theme of his deep sensitivity to the holistic character of human life and the natural world sen gupta explores the wide range of tagore s thought his idea of spirituality his reflections on the significance of death his educational innovations and his relationship to his great contemporary gandhi are among the topics that sen gupta discusses as are tagore s views on marriage his distinctive understanding of hinduism and his prescient concerns for the natural environment the author does not disguise the tensions to be found in tagore s writings but endorses the great poet s own conviction that these are tensions resolvable at the level of a creative life if not at that of abstract thought
