harket we re not in love we share no stories just
somethin in your eyes don t be afraid the shadows know
me let s leave

the dark side tv tropes

Mar 14 2023

the dark side is when the temptation to fall has an
added oomph it s more than just the cumulative result
of one s actions there s an active corrupting force
that speeds things along this is often the phlebotinum
powered justification of jumping off the slippery slope
which results in the fallen forgetting why they fell in
the first place
