Familiar Science, Or The Scientific Explanation of Common Things 1857 on forecasting weather with weather summaries for u.s. and selected cities based on reports of weather bureau observers

Cloud and weather atlas 1944 maurice duggan's collected stories is a powerful collection of short stories from one of new zealand's finest writers of the genre duggan's lyrical power and exceptional style come to the fore in these brilliant stories which are tinged with undercurrents and ambivalences the variety of language gives great vitality to tales of a catholic boyhood troubled marriage loneliness small town ambitions and sexuality maurice duggan destroyed his unpublished fiction so collected stories represents virtually all of his remaining works the critic poet and novelist c.k. stead has compiled and edited this collection in addition to providing an introduction and in depth biographical information stead describes the stories in this volume as some of the most perfect short fictions written by a new zealander

Engineering Dielectrics Volume i Corona Measurement and Interpretation 1979 evening red and morning gray two sure signs of one fine day science and folk lore with the science as a predominating matter let us know how to tell the weather from clouds dew mist haze fog wind stars rainbows rain hail birds animals insects fish and plants the wisdom acquired from our ancestors has been perpetuated in the form of trite sayings or proverbs many of these sayings are polished gems of weather lore others have lost their potency by transfer to foreign lands where dissimilar climatic conditions obtain and a large proportion have been born of fancy and superstition this book separates from the mass of available data the true sayings that are applicable to the united states and combines the material thus collected with reports on local weather signs that have been officially and specially prepared by observers of the united states weather bureau

Flag Signals of the Iowa Weather Service 1879 in a remote wildlife reserve in africa a young girl makes contact with an unusual elephant they share a past that is almost forgotten and find they are able to communicate with each other ivory poachers threaten the existence of the herd and erica the young girl starts an investigation into the possibility of insider information alerting the poaching gangs a sinister army officer enters the plot aided by an evil storekeeper and merciless poaching team leader erica

falls foul of them and finds herself in grave danger the elephant has to find ways to help her entering the realm of mankind and putting himself in the face of danger will he succeed will erica survive
