Storie di paese. Antologia del mondo rurale

2012

a prolific member of the tuscan verismo school of literary realism mario pratesi 1842 1921 was much respected during his career but sadly neglected after his death using pratesi s personal archive now preserved at victoria college in the university of toronto reviewing mario pratesi takes pratesi s life and papers as the basis of a unique study of the literary culture of post unification italy working with the original manuscripts alongside previously unknown biographical materials and a vast collection of contemporary reviews anne urbancic uses the methods of critique génétique not only to reconstruct the evolution of pratesi s works through their successive drafts and published versions but also to document the impact of book reviews and the press on the development of pratesi s literary style an insightful history of book reviewing as a genre and a detailed study of its role in italian literary culture reviewing mario pratesi opens up a new area for investigation within italian literary studies

Reviewing Mario Pratesi

2014-01-01

linguæ is a peer reviewed journal which provides a new outlet for interdisciplinary research on language and literature giving voice to a cross cultural and multi genre koine while the idea for the journal was developed in the ambit of the post graduate programme in european intercultural studies at the university of urbino italy its scope goes far beyond that of exploring pre established cultural paradigms indeed its strongly experimental and dialogic approach to the ongoing debate should serve as encouragement for the submission of new work by young researchers

Antologia di problemi cronici del Bel paese

2013

matilde serao s richly detailed narratives created a metamorphical city of women negotiating the social and cultural byways of turn of the century italy with each text serao 1856 1927 added another stratum to her imaginary metropolis grounding her works in realistic detail and acute social observation over the course of almost thirty novels more than one hundred short stories and innumerable newspaper articles serao articulated her own vision of female destiny in a society governed by traditional often restrictive paradigms of female behavior this study examines how serao refashioned traditional genres throughout her long literary career a narrative strategy that allowed her to focus specifically on the depiction of female experiences

Linguae & - Rivista di Lingue e Culture Moderne - 1/2011

1979

in a historical period of international and global frames of literary investigation in their own terms is a timely and valuable contribution to cross cultural forms of dialogue between non american modes of analysis and us american literary studies it is a wide ranging and provocative look into american literary historiography that engages readers in analytical examinations of us literary histories considered landmarks in their field from the early nineteenth century work of samuel l knapp to the newly completed cambridge volumes it focuses on texts that have had a decisive influence in constructing dominant understandings of

american literature its various genres significant historical periods and major writers both inside and outside the united states for the first time this work compares and contrasts the tradition of us literary historiography with italian histories of american literature characterized as they are by the particularities of the italian cultural scene these histories have always been conversant with us literary historiography beginning with gustavo strafforello in 1884 and continuing in agostino lombardo s most recent series in their own terms cogently argues that american literary histories regardless of the different critical and theoretical principles on which they are based have invariably played an important role in national cohesion and in articulating an autonomy that is cultural as well as academic

Italian Books and Periodicals

1999

based on original research using official documents this illuminating account of the role of the police in the rise to power of mussolini reveals the internal workings of the italian liberal policing system the tensions between its different branches and problems related to the shifting demands of its wheeler dealer political masters explanations of the support that the italian police gave to the fascist movement are to be found not only in the profound social economic and political transformations characterizing the years immediately following the first world war but also in italy s post unification administrative system police support for the fascists was often morally if not physically coerced by the fascists themselves while administrative ambiguities and weaknesses hampered any police attempts to repress the movement the rise of fascism and its support from the police was the logical end result of a tradition of private solutions to problems of law and order to illustrate this the book examines the policing of the socialist movement between 1897 and 1918 before analyzing in detail the relationship between the police and the facist movement after the first world war with a view to comparing behavioral trends emerging during both periods

Gendered Genres

2007

is italy il bel paese the beautiful country where tourists spend their vacations looking for art history and scenery or is it a land whose beauty has been cursed by humanity s greed and nature s cruelty the answer is largely a matter of narrative and the narrator s vision of italy the fifteen essays in nature and history in modern italy investigate that nation s long experience in managing domesxadtixadcated rather than wild natures and offer insight into these conflicting visions italians shaped their land in the most literal sense producing the landscape sculpting its heritage embedding memory in nature and rendering the two different visions inseparxadable the interplay of italy s rich human history and its dramatic natural diversity is a subject with broad appeal to a wide range of readers

In Their Own Terms

1997-11-25

the encyclopedia of italian literary studies is a two volume reference book containing some 600 entries on all aspects of italian literary culture it includes analytical essays on authors and works from the most important figures of italian literature to little known authors and works that are influential to the field the encyclopedia is distinguished by substantial articles on critics themes genres schools historical surveys and other topics related to the overall subject of italian literary studies the

encyclopedia also includes writers and subjects of contemporary interest such as those relating to journalism film media children s literature food and vernacular literatures entries consist of an essay on the topic and a bibliographic portion listing works for further reading and in the case of entries on individuals a brief biographical paragraph and list of works by the person it will be useful to people without specialized knowledge of italian literature as well as to scholars

The Italian Police and the Rise of Fascism

2017

publisher description

"In un paese schiavo con sensi liberi"

2011-11-07

tells of life in turn of the century roman times the novel s insights into the social and political temperaments of the times makes for involving reading the bookwatch an indefatigable writer and the author of over 40 books matilde serao 1857 1927 was arguably the most famous italian woman journalist of the nineteenth century the conquest of rome 1885 which tells the story of the arrival in rome of a provincial deputy from the poor south paints a brilliant portrait of political and social life in contemporary rome upon his arrival in rome francesco sangiorgio dreams of a glittering future there although the eternal city greets the young man s ambition with indifference he gradually makes his mark on his parliamentary colleagues soon establishing a place in high society his fate is sealed however when he falls under the sway of the enigmatic angelica vargas and the conquest of rome that seemed so tantalizingly close begins to slip away

Spagna settentrionale

2004

questo è un libro sul cinema come abitualmente non se ne leggono per la semplice ragione che non ne vengono scritti parte da lunghe conversazioni fra tatti sanguineti e uno dei personaggi forse meno noti ma più singolari e influenti del cinema italiano nel periodo d oro rodolfo sonogo sceneggiatore di tutti i film maggiori di alberto sordi dal vedovo a una vita difficile allo scopone scientifico ricostruisce attraverso la rievocazione di volta in volta malinconica sorridente abrasiva feroce di sonogo molte delle vicende accadute in quell immane circo le cui attrazioni erano la mangano la lollo o laura antonelli i cui domatori potevano chiamarsi carlo ponti o federico fellini e il cui impresario occulto ben nascosto dietro le quinte era il suo primo censore giulio andreotti lascia intendere come di qualsiasi viaggio in italia una lunga sosta nel cervello di alberto sordi continui a essere una tappa estremamente formativa ma soprattutto una battuta dopo l altra ci racconta un cinema molto diverso e molto più sontuoso di quello che vediamo in sala una colossale fantasmagoria di aneddoti chiacchiere a notte fonda in stadi decrescenti di lucidità fantasticherie su film da fare sceneggiature per film mai fatti rulli perduti e fortunosamente ritrovati scene tagliate e poi miracolosamente ricomparse in altre parole una meravigliosa riserva di storie di cui solo quel cacciatore solitario e ossessionato che è tatti sanguineti sembra conoscere tutti i segreti

Oriente moderno

1907

the history of futurism the precursors protagonists and legacies addresses the history and legacy of what is generally seen as the founding avant-garde movement of the twentieth century geert buelens harald hendrix and monica jansen have brought together scholarship from an international team of specialists to explore the futurism movement as a multidisciplinary movement mixing aesthetics politics and science with a particular focus on the literature of the movement

relying on previously undisclosed confessions of former mafia members now cooperating with the police letizia paoli provides a clinically accurate portrait of mafia behavior motivations and structure in italy the mafia paoli demonstrates are essentially multifunctional ritual brotherhoods focused above all on retaining and consolidating their local political power base a truly interdisciplinary work of history politics economics and sociology mafia brotherhoods reveals in dramatic detail the true face of one of the world's most mythologized criminal organizations

Nature and History in Modern Italy

2006-12-26

this book offers an analysis of the socio historical conditions of the rise of postwar italian photography considers its practices and outlines its destiny antonella russo provides an incisive examination of neorealist photography delineates its periodization traces its instances and its progressive popularization and subsequent co optation that occurred with the advent of the industrialization of photographic magazines this volume examines the ethno photo graphic missions of ernesto de martino in the deep south of italy the key role played by the neorealist writer and painter carlo levi as ambassador of international photography and the journeys of david seymour henry cartier bresson and paul strand in neorealist italy the text includes an account the formation and proliferation of italian photographic associations and their role in institutionalizing and promoting italian photography their link to british and other european photographic societies and the subsequent decline of neorealism it also considers the inception of non objective photography that thrived soon after the war in concurrence with the circulation of neorealism thus debunking the myth identifying all italian postwar photography with the neorealist image this book will be particularly useful for scholars and students in the history and theory of photography and italian history

Encyclopedia of Italian Literary Studies

2007

how many zavattinis are there during a life spanning most of the twentieth century the screenwriter who wrote sciuscià bicycle thieves miracle in milan and umberto d was also a pioneering magazine publisher in 1930s milan a public intellectual a theorist a tireless campaigner for change within the film industry a man of letters a painter and a poet this intellectual biography is built on the premise that in order to understand zavattini s idea of cinema and his legacy of ethical and political cinema including guerrilla cinema we must also tease out the multi faceted strands of his interventions and their interplay over time the book is for general readers students and film historians and anyone with an interest in cinema and its fate

Encyclopedia of Italian Literary Studies: A-J

2005-09-05

forum italicum is a journal of italian studies founded by m ricciardelli in 1967 the journal is intended as a meeting place where scholars critics and teachers can present their views on the literature language and culture of italy and other countries in relation to italy young and hitherto unpublished scholars are encouraged to contribute their critical works

Discipline Filosofiche (2005-2)

1993-02

inspired by existential thought but using ethnographic methods michael jackson explores a variety of contemporary topics including 9 11 episodes from the war in sierra leone and its aftermath the marginalization of indigenous australians the application of new technologies mundane forms of ritualization the magical use of language the sociality of violence the prose of suffering and the discourse of human rights throughout this compelling work jackson demonstrates that existentialism far from being a philosophy of individual being enables us to explore issues of social existence and coexistence in new ways and to theorise events as the sites of a dynamic interplay between the finite possibilities of the situations in which human beings find themselves and the capacities they possess for creating viable forms of social life book jacket

Matilde Serao: 'The Conquest of Rome'

2015-04-02T00:00:00+02:00

carlo levi was a painter writer and antifascist italian from a jewish family and his political activism forced him into exile for most of the second world war while in exile he wrote christ stopped at eboli a memoir and fear of freedom a philosophical meditation on humanity's flight from moral and spiritual autonomy and our resulting loss of self and creativity brooding on what surely appeared to be the decline if not the fall of europe levi locates the human abdication of responsibility in organized religion and its ability to turn the sacred into the sacrificial in doing so he references the entire intellectual and cultural estate of western civilization from the bible and greek mythology to sigmund freud and carl jung this edition features newly published pieces of levi's artwork and publication of the work it also includes an introduction that discusses levi's life and enduring legacy fear of freedom not only addresses a specific moment in history and a universal timeless condition but it is also a powerful indictment of our contemporary moral and political failures

Il cervello di Alberto Sordi

1996

federico chabod 1901 1960 was one of italy's best known historians noted for his study of italian history in a european context this is the first english translation of his most important book although he carried out his extensive archival research for this work from 1936 until 1943 the fall of fascism and chabod's active participation in the resistance delayed its completion when it was published in 1951 it was immediately hailed as a masterpiece chabod intended to write a new kind of diplomatic history one in which political history is seen as part of a larger historical whole he does not present a detailed chronological account of italian foreign policy during the period studied but rather the moral and material underpinnings of that policy in fact he crafts a highly developed portrait of an age with the real subjects being the italian state and society the ruling class and political culture this work offers readers a superb picture of post risorgimento italy and an outstanding example of chabod's historiographical method originally published in 1996 the princeton legacy library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of princeton university press these editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions the goal of the princeton legacy library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by princeton university press since its founding in 1905
