Keep My Master's Wife

2020-05-30

we live in an age of awesome technological potential from nanotechnology to synthetic organisms new technologies stand to revolutionize whole domains of human experience but with awesome potential comes awesome risk drones can deliver a bomb as readily as they can a new smartphone makers and hackers can 3d print guns as well as tools and supercomputers can short circuit wall street just as easily as they can manage your portfolio one thing these technologies can't do is answer the profound moral issues they raise who should be held accountable when they go wrong what responsibility do we as creators and users have for the technologies we build in a dangerous master ethicist wendell wallach tackles such difficult questions with hard earned authority imploring both producers and consumers to face the moral ambiguities arising from our rapid technological growth there is no doubt that scientific research and innovation are a source of promise and productivity but as wallach argues technological development is at risk of becoming a juggernaut beyond human control examining the players institutions and values lobbying against meaningful regulation of everything from autonomous robots to designer drugs a dangerous master proposes solutions for regaining control of our technological destiny wallach's nuanced study offers

both stark warnings and hope navigating both the fears and hype surrounding technological innovations an engaging masterful analysis of the elements we must manage in our quest to survive as a species a dangerous master forces us to confront the practical and moral purposes of our creations

1898

amoral cunning ruthless and instructive this multi million copy new york times bestseller is the definitive manual for anyone interested in gaining observing or defending against ultimate control from the author of the laws of human nature in the book that people magazine proclaimed beguiling and fascinating robert greene and joost elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of machiavelli sun tzu and carl von clausewitz and also from the lives of figures ranging from henry kissinger to p t barnum some laws teach the need for prudence law 1 never outshine the master others teach the value of confidence law 28 enter action with boldness and many recommend absolute self preservation law 15 crush your enemy totally every law though has one thing in common an interest in total domination in a bold and arresting two

color package the 48 laws of power is ideal whether your aim is conquest self defense or simply to understand the rules of the game

The Road-master's Assistant and Section-master's Guide

1881

satan judas a soviet writer and a talking black cat named behemoth populate this satire a classic of twentieth century fiction the new york times in 1930s moscow satan decides to pay the good people of the soviet union a visit in old jerusalem the fateful meeting of pilate and yeshua and the murder of judas in the garden of gethsemane unfold at the intersection of fantasy and realism satire and unflinching emotional truths mikhail bulgakov s classic the master and margarita eloquently lampoons every aspect of soviet life under stalin s regime from politics to art to religion while interrogating the complexities between good and evil innocence and guilt and freedom and oppression spanning from moscow to biblical jerusalem a vibrant cast of characters a magician who is actually the devil in disguise a giant cat a witch a fanged assassin sow mayhem and madness wherever they go mocking artists intellectuals and politicians alike in and out of the fray weaves a

man known only as the master a writer demoralized by government censorship and his mysterious lover margarita burned in 1928 by the author and restarted in 1930 the master and margarita was bulgakov s last completed creative work before his death it remained unpublished until 1966 and went on to become one of the most well regarded works of russian literature of the twentieth century adapted or referenced in film television radio comic strips theater productions music and opera
