chinese buddhist monks of the song dynasty 960 1279 called the irresistible urge to compose poetry the poetry demon in this ambitious study jason protass seeks to bridge the fields of buddhist studies and chinese literature to examine the place of poetry in the lives of song monks although much has been written about verses in the gong'an-jpn kōan tradition very little is known about the large corpora roughly 30 000 extant poems composed by these monastics protass addresses the oversight by using strategies associated with religious studies literary studies and sociology he weaves together poetry with a wide range of monastic sources and in doing so argues against positing a literary chan movement that wrote poetry as a path to awakening he instead presents an understanding of monks' poetry grounded in the song discourse of monks themselves the work begins by examining how monks fashioned new genres created their own books and fueled a monastic audience for monks' poetry it traces the evolution of gāthā from hymns found in buddhist scripture to an independent genre for poems associated with chan masters as living buddhas while song monastic culture produced a prodigious amount of verse at the same time it promoted prohibitions against monks' participation in poetry as a worldly or confucian art this constructive tension was an animating force the poetry demon highlights this and other intersections of buddhist doctrine with literary sociality and charts productive pathways through numerous materials including collections of chan recorded sayings monastic rulebooks eminent monk and flame record hagiographies manuscripts of poetry buddhist encyclopedia primers and sūtra commentary two chapter length case studies illustrate how song monks participated in two of the most prominent and conservative modes of poetry of the time those of parting and mourning protass reveals how monks used chan humor with reference to emptiness to transform acts of separation into buddhist teachings in another chapter monks in mourning expressed their grief and dharma through poetry the poetry demon impressively uncovers new and creative ways to study chinese buddhist monks' poetry while contributing to the broader study of chinese religion and literature
