The Negro in American Fiction

1969

throughout the civil war newspaper headlines and stories repeatedly asked some variation of the question posed by the new york times in 1862 what shall we do with the negro the future status of african americans was a pressing issue for those in both the north and in the south consulting a broad range of contemporary newspapers magazines books army records government documents publications of citizens organizations letters diaries and other sources paul d escott examines the attitudes and actions of northerners and southerners regarding the future of african americans after the end of slavery what shall we do with the negro demonstrates how historians together with our larger national popular culture have wrenched the history of this period from its context in order to portray key figures as heroes or exemplars of national virtue escott gives especial critical attention to abraham lincoln since the civil rights movement many popular books have treated lincoln as an icon a mythical leader with thoroughly modern views on all aspects of race but focusing on lincoln s policies rather than attempting to divine lincoln s intentions from his often ambiguous or cryptic statements escott reveals a president who placed a higher priority on reunion than on emancipation who showed an enduring respect for states rights who assumed that the social status of african americans would change very slowly in freedom and who offered major incentives to white southerners at the expense of the interests of blacks escott s approach reveals the depth of slavery s influence on society and the pervasiveness of assumptions of white supremacy what shall we do with the negro serves as a corrective in offering a more realistic more nuanced and less celebratory approach to understanding this crucial period in american history

"What Shall We Do with the Negro?"

2009-03-03

The Negro and the nation

2023-07-10

the negro motorist green book was a groundbreaking guide that provided african american travelers with crucial information on safe places to stay eat and visit during the era of segregation in the united states this essential resource originally published from 1936 to 1966 offered a lifeline to black motorists navigating a deeply divided nation helping them avoid the dangers and indignities of racism on the road more than just a travel guide the negro motorist green book stands as a powerful symbol of resilience and resistance in the face of oppression offering a poignant glimpse into the challenges and triumphs of the african american experience in the 20th century

The Negro

1975

the negro a menace to american civilization by robert wilson shufeldt first published in 1907 is a rare manuscript the original residing in one of the great libraries of the world this book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation restoration editors mission is to bring long out of print manuscripts back to life some smudges annotations or unclear text may still exist due to permanent damage to the original work we believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it

The Negro Motorist Green Book

1907

africa is at once the most romantic and the most tragic of continents so begins the negro the first comprehensive history of african and african derived people from their early cultures through the period of the slave trade and into the twentieth century originally published in 1915 the book was acclaimed in its time widely read and deeply influential in both the white and black communities yet this beautifully written history is virtually unknown today as a wellspring of critical studies of africa and african americans it directly and indirectly influenced and inspired the works of scholars such as c l r james eric williams herbert aptheker eric foner kwame anthony appiah and henry louis gates jr one of the most important books on africa ever written it remains fresh dynamic and insightful to this day the negro is compelling on many levels by comparing w e b du bois s analysis with subsequent scholarship robert gregg demonstrates in his afterword that the negro was well ahead of its time du bois s view of slavery prefigures both paternalistic perspectives and the materialist view that the system was part of the capitalist mode of production on black contributions to the civil war and to the emancipation of slaves historians have yet to acknowledge all that du bois delineated in his discussion of reconstruction du bois preempts much later historiography his identification of segregation as an issue of class rather than race is almost forty years ahead of c vann woodward s similar thesis as to the matter of race du bois is clear that the concept is a social construct having no foundation in biology intellectually and historically prescient du bois assumed globalization as a matter of course so that his definition of the color line in the negro links all colonized peoples not just people of african descent with the resolution of the cold war and the ascendancy of the global market du bois s sweeping vision of africans and the diaspora seems more relevant now than at any time in the past hundred years

The Negro a Menace to American Civilization

2014-11-24

the justification of the present book by professor frazier is to be found in the novelty of his approach as well as in the altered position of the negro in the united states and of the united states in the world scene the epic of america offers the greatest example in the modern world of the building of a nation and a civilization out of the diverse peoples and cultures of the earth the career of the negro in america furnishes the most dramatic instance of the integration of one such element into our national life the present book has traced this process with meticulous care professor frazier has succeeded in depicting with clarity and understanding the adjustment of the negro as a racial and cultural group to the life of the larger society and the responses that society has made to his presence we see in these pages something more however than the analysis of a unique minority this work while drawing its concrete materials from the experiences of the negro in the united states reflects the processes and problems generally associated with the emergence the life cycle and the integration of minorities wherever they may be found although the negro minority because of the racial factor and because of the complicating historical factor of the institution of slavery represents certain unique features there

are many phases of the negro's life in america that throw light on the position of all other minorities in this country professor frazier has adopted a broad sociological perspective and has found that by portraying the experiences of the negro in the context of his own community and institutions and the more inclusive american community and its institutions it is possible to reveal with greater realism and balance the actual life of the negro and of america introduction

The Negro

1957

this historic book may have numerous typos and missing text purchasers can usually download a free scanned copy of the original book without typos from the publisher not indexed not illustrated 1907 edition excerpt appendix note 1 page 42 one of the best accounts of african cannibalism known to me is given in the ethiopian the human leopard society by j cameron grant charles carrington publisher paris 1900 as further illustrating this point i here insert a clipping from the evening star of washington d c thursday december 5 1895 p 10 which reads as follows men worse than apes the revolting cruelties practiced by many of the ferocious african tribes from the london saturday review the cannibalism of the black secret society known as the human leopards in the country near sierra leone disclosed by the recent trial brings forcibly before us the difference between the east african and the west african habits of eating human flesh the sherbro cannibals waylaid and killed their victims and afterward feasted on their flesh the cannibalism of the east coast is of a very different kind the flesh of the old people the grandfather and grandmother of a family is dried and mixed with condiments and a portion of this is offered with a dim sort of sacramental meaning to travelers who become guests of the family to refuse it would be a deadly insult to accept it is a passport to the privileged position of a friend of the house many of our travelers in east africa have eaten thus sacramentally of the ancestors of some dark skinned potentate the cannibalism of the west coast is as has just been seen of a more horrible kind the sherbro case seems to be connected with fetichism the worst developments of which are peculiar to that country but there is a hideously genuine appetite for fresh human flesh still existing among the negroes of west africa the cannibalism manifests itself in a refinement of gluttony

The Negro in the United States

1968

the negro of the old south written by a mrs nicholas ware eppes and published in 1925 is a book whose only relevance lies in its bias the author explains her authority on the subject of slavery by stating that she is one of the lauded much abused much despised and much ridiculed classes one of the blue booded children of the old south surrounded for many years by the slaves who were as truly ours as anything else we owned and served by them in many ways since freedom drapped such is the tone throughout the whole of this favorable recollection cooks are referred to as pets the klu klux klan is described as the great third kingdom and the crime of lynching was never known by the african american in the south until these apostles of negro equality carpet baggers put it in the minds of the newly made citizens the only historical analysis of slavery is given to suggest that the climate the mother country britain the new englanders who sought a market for their wares and others had forced the institution of slavery upon the south melissa wilks and alexander wray kerr monticello high school scholars program spring 2003

The Negro and the City

1909

this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

The Story of the Negro

1942

the characteristics of the negro are of two kinds the inborn and the inbred as they reveal themselves to us this distinction may not be seen but it exists inborn qualities are ineradicable they belong to the blood they constitute individuality they are independent or nearly so of time and habitat inbred qualities are acquired and are the result of experience they may be overcome by a reversal of the process which created them the fundamental or inborn characteristics of the negro may be found in the african as well as the american negro but the inbred characteristics of the latter belong to the american life alone

The Negro in English Romantic Thought; Or, A Study of Sympathy for the Oppressed

1969

primitive man killed his enemy and ate him later the sequel of battle was the slaying of all the vanquished and the appropriation of their goods including women and other live stock then it was found more profitable to spare the conquered warrior s life and set him to do the victor s disagreeable work more profitable and incidentally more merciful civilization advanced wars became less general but in the established social order that grew up there was a definite place for a great class of slaves

The Negro and the Nation

1833

this is an overview of african american history tracing it as far back as the sub saharan cultures including great zimbabwe ghana and songhai as well as covering the history of the slave trade and the history of africans in the united states and the caribbean

The Negro

1969

traces the development of lincoln s thought on slavery and recounts the events leading to the emancipation proclamation

The Mis-education of the Negro

2013-09

dr gilliam a conservative southerner in the post reconstruction south was an outspoken proponent of the idea that the u s should purchase part of guyana in south america and expatriate north american african americans to this new africa this futuristic novel employees these ideas and explores the results of such a premise

The Negro a Menace to American Civilization

1906

lee d baker explores what racial categories mean to the american public and how these meanings are reinforced by anthropology popular culture and the law focusing on the period between two landmark supreme court decisions plessy v ferguson the so called separate but equal doctrine established in 1896 and brown v board of education the public school desegregation decision of 1954 baker shows how racial categories change over time baker paints a vivid picture of the relationships between specific african american and white scholars who orchestrated a paradigm shift within the social sciences from ideas based on social darwinism to those based on cultural relativism he demonstrates that the greatest impact on the way the law codifies racial differences has been made by organizations such as the naacp which skillfully appropriated the new social science to exploit the politics of the cold war

The Negro and the Nation

1925

excerpt from a narrative of the negro this little volume contains in story form a brief outline of the history of the negro in collating the facts herein set forth it was my privilege to consult the congressional library at the libraries of harvard and yale universities and the boston public library i am fully aware that such opportunities should have insured a better book but i earnestly hope that the motive which prompts me may cause the short comings and imperfections of the work to be forgiven about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Negro of the Old South

2018-02-14

this interesting collection of articles by leading african american citizens was published at the beginning of the 20th century looking back at this synopsis of african american affairs one can get a good sense of both the progress made and the problems yet to be overcome some of which have still not been fully addressed among the issues discussed are booker t washington s stress on industrial education for black americans w e b du bois s concept of the talented tenth disenfranchisement of blacks the law and african americans real versus perceived characteristics of people of color and outstanding representative black americans

The Negro and the White Man

2013-04-28

a thorough account of africa s history and its lasting influence on western culture told from the perspective of the disparate descendants who inherited its legacy w e b du bois highlights the hidden stories that connect these varied communities originally published in 1915 the negro presents an expansive analysis of the african diaspora over the course of history w e b du bois uses a critical eye to survey the early depictions of the continent debunking stereotypical myths about its social structure he addresses the generational impact of slavery as well as the capitalistic system that made it possible it s an honest look at the effects of white supremacy classism and its place in modern society from ethiopia and egypt to the west indies and latin america africa s influence is undeniable the negro sheds light on the ignored history of the continent and its many descendants it s a vital piece of literature that acknowledges and celebrates its cultural power with an eye catching new cover and professionally typeset manuscript this edition of the negro is both modern and readable

The Characteristics of the Negro People

2015-03-01

excerpt from the negro in literature and art in the united states the first chapter and those on mr braith waite and mrs fuller originally appeared in the southern workman that on the stage was a contribution to the springfield republican and the supplementary chapter is from the dial all are here reprinted with the kind consent of the owners of those periodicals much of the quoted matter is covered by copy right thanks are especially due to mr braith waite and mr j w johnson for permission to use some of their poems and to dodd mead co the publishers of the works of dunbar the bibliography is quite new it is hoped that it may prove of service about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Negro and the Nation

1945

a systemic analysis of anti black racism in the work of political philosopher hannah arendt while

acknowledging hannah arendt's keen philosophical and political insights kathryn t gines claims that there are some problematic assertions and oversights regarding arendt's treatment of the negro question gines focuses on arendt's reaction to the desegregation of little rock schools to laws making mixed marriages illegal and to the growing civil rights movement in the south reading them alongside arendt's writings on revolution the human condition violence and responses to the eichmann war crimes trial gines provides a systematic analysis of anti black racism in arendt's work hannah arendt political progressive and committed anti racist theorist think again as kathryn gines makes inescapably clear for arendt the negro was the problem whether in the form of savage primitives inseparable from heart of darkness africa social climbers trying to get their kids into white schools or unqualified black university students dragging down academic standards gines's boldly revisionist text reassesses the german thinker's categories and frameworks charles w mills northwestern university takes on a major thinker hannah arendt on an important issue race and racism and challenges her on specific points while raising philosophical and methodological shortcomings richard king nottingham university gines carefully moves through arendt scholarship and arendt's texts to argue persuasively that explicit discussions of the negro question point up the limitations of her thinking kelly oliver vanderbilt university gines has delivered an intellectually challenging book that presents one of the most important figures in western philosophy of the 2nd half of the 20th century in a different and perhaps somewhat less favorable perspective philosophia offers a wealth of research that will be valuable to scholars and graduate students interested in how racial bias operates in arendt's major works gines's writing style is lucid and to the point and her engagement with secondary sources is comprehensive hypatia

The Negro and the Post-war World

2019-10-18

in 1968 winthrop d jordan set out in encyclopedic detail the evolution of white englishmen's and anglo americans' perceptions of blacks' perceptions of difference used to justify race based slavery and liberty and justice for whites only this second edition with new forewords by historians christopher leslie brown and peter h wood reminds us that jordan's text is still the definitive work on the history of race in america in the colonial era every book published to this day on slavery and racism builds upon his work all are judged in comparison to it none has surpassed it
