Forward Bible Study Guide 2012-03-22 in this six session video bible study dvd digital downloads sold separately bestselling author dr david jeremiah reminds us that the christian life is to be lived looking forward and with our eyes fixed on the race in front of us not looking back over at our shoulder at the other runners or the past in the bible the apostle said as much when he wrote not that i have already attained or am already perfected but i press on that i may lay hold of that for which christ jesus has also laid hold of me brethren i do not count myself to have apprehended but one thing i do forgetting those things which are behind and reaching forward to those things which are ahead i press toward the goal for the prize of the upward call of god in christ jesus philippians 3:12-14 nkjv dr jeremiah draws on this key verse to show that while it is good at times to look back we need to make sure that we don't go back and allow the past to dictate our future we need to celebrate our good memories but also celebrate our bad memories with finality thanking god for the lessons that he has taught us through the experience and committing to use those lessons to make positive changes in our lives we then need to allow our past memories to cultivate our dreams boldly stepping into the mission god has for us and allowing him to continually transform us to be more like christ now is the time to step past our comfort and our failure now is the time to move forward in following god designed for use with the forward video study available on dvd or streaming video sold separately

PRINCE2 Study Guide 2016-03-14 preached at enfield connecticut on july 8 1741 this is perhaps the greatest sermon ever preached in america and is certainly among the most well known owing to its forthright dealing with god's wrath and his intense hatred of sin and the sinner it is also one of the most controversial indeed for more than three quarters of the sermon edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men while it is difficult to read such graphic language there is abundant hope in the sermon's conclusion edwards puts it this way and now you have an extraordinary opportunity a day wherein christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners while those who would rather ignore god's justice in favor of his mercy condemn edwards and his sermon those who were present and actually heard him preach that day reacted in a decidedly different manner according to the diary of reverend stephen williams who attended the sermon before the sermon was done there was a great moaning and crying through the whole house what shall i do to be saved oh i am going to hell etc the diary goes on to indicate that edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction and so in spite of what the scoffers might think or say the amazing and astonishing power of god was manifested among the people that day with many falling not into the hands of an angry god but into the arms of a mighty savior
