israel an echo of eternity is dr heschel s book about the past present and future home of the jews according to dr heschel the presence of israel has tremendous historical and religious significance for the whole world history is not always made by men alone israel is a personal challenge a personal religious issue we are god s stake in human history we are the dawn and the dusk the challenge and the test the presence of israel is the repudiation of despair israel calls for a renewal of trust in the lord of history abraham joshua heschel one of the foremost religious figures of our time died in 1972 israel an echo of eternity is his powerful and eloquent book on the meaning of israel today

Israel: An Echo of Eternity

2013

the fascinating story of a hugely popular instrument detailing its rich and varied history from the middle ages to the present the recorder is perhaps best known today for its educational role although it is frequently regarded as a stepping stone on the path toward higher musical pursuits this role is just one recent facet of the recorder s fascinating history which spans professional and amateur music making since the middle ages in this new addition to the yale musical instrument series david lasocki and robert ehrlich trace the evolution of the recorder emerging from a variety of flutes played by fourteenth century soldiers shepherds and watchmen the recorder swiftly became an artistic instrument for courtly and city minstrels featured in music by the greatest baroque composers including bach and handel in the

twentieth century it played a vital role in the early music revival and achieved international popularity and notoriety in mass education overall lasocki and ehrlich make a case for the recorder being surprisingly present and significant throughout western music history

The Recorder

2022-01-01

simply bach is a collection of the most famous compositions by johann sebastian bach phrase markings articulations fingering and dynamics have been included to aid with interpretation and a large print size makes the notation easy to read titles air on the g string from orchestral suite no 3 in d major aria in d minor from the notebook for anna magdalena bach arioso sinfonia from cantata no 156 ave maria badinerie from orchestral suite no 2 in b minor bourr e

Simply Bach

2009-12-01

the book of questions of which volumes iv v vi are together published here is a meditative narrative of jewish experience and more generally man s relation to the world in these volumes the word is personified in the woman yael silence in her still born child elya even though words imply ambiguity and lies they are the home of the exile a book becomes the book fragments of the law that are in some way unified where past and present the visionary and the common place encounter each other for jables every word is a question in the book of being man defines himself in the world against all that threatens his existence death the infinite silence that is god his primal opponent how can one speak what cannot be spoken

The Book of Questions

1984

the composition of the solo concerto studied as an evolving debate rather than a static technique and for its stylistic features

A Foreigner Carrying in the Crook of His Arm a Tiny Book

1993

schott although the recorder is often the instrument with which children will make their first musical discoveries it is also an instrument of the highest artistic merit this series links these two extremes providing a carefully planned pathway between first contact with the instrument

and professional recorder playing the three tutor books are suitable for use both with small groups and for individual tuition progress is made in small steps placing great value on consistent work with breathing sound production and the development of rhythmic security books feature carefully planned precisely formulated exercises the tutor books are complemented by the tune books these provide additional practice pieces and exercises sometimes with accompaniment

The Italian Solo Concerto, 1700–1760

2004

central to the repertoire of western art music since the 18th century the symphony has come to be regarded as one of the ultimate compositional challenges surprisingly heretofore there

has been no truly extensive broad based treatment of the genre and the best of the existing studies are now several decades old in this five volume series a peter brown explores the symphony from its 18th century beginnings to the end of the 20th century synthesizing the enormous scholarly literature brown presents up to date overviews of the status of research discusses any important former or remaining problems of attribution illuminates the style of specific works and their contexts and samples early writings on their reception the symphonic repertoire provides an unmatched compendium of knowledge for the student teacher performer and sophisticated amateur the series is being launched with two volumes on the viennese symphony volume i the first golden age of the viennese symphony haydn mozart beethoven and schubert volume ii considers some of the best known and most universally admired symphonies by haydn mozart beethoven and schubert who created what a peter brown designates as the first golden age of the viennese symphony during the late 18th and

first three decades of the 19th century the last two dozen symphonies by Haydn half dozen by Mozart and three by Schubert together with Beethoven's nine symphonies became established in the repertoire and provided a standard against which every other symphony would be measured most significantly they imparted a prestige to the genre that was only occasionally rivaled by other cyclic compositions more than 170 symphonies from this repertoire are described and analyzed in the first golden age of the Viennese symphony the first volume of the series to appear

Musikhandel

1999

the repertory he cites is virtually unknown says Edwards and was written by equally unknown

composers most of whom never rose above local fame and none of whom made a fortune he lists sources concertos for various solo instruments works by publisher information about lost concertos and the work of the prolific composers such as charles avison and william corbell

Fun and Games with the Recorder

1999-07

a group of resourceful kids start solution seekers com a website where cybervisitors can get answers to questions that trouble them but when one questioner asks the true meaning of christmas the kids seek to unravel the mystery by journeying back through the prophecies of the old testament what they find is a series of s words that reveal a spectacular story with creative characters humorous dialogue and great music the s files is a children s christmas

musical your kids will love performing

Beloved, it is Morn

1895

an approach which includes sight reading in daily practising at an early stage instead of dry exercises these editions focus on the use of idiomatic melodies this is how sight reading is meant to be fun

4900 Historical Woodwind Instruments

1993

this book is an entirely new work rather than a revision of lyndsay langwill s sixth edition it is the standard work in its field the most comprehensive work on wind instrument makers in any language and a major reference tool for collectors and researchers some features of the new langwill index are entries for nearly 6500 makers and inventors active from the beginning until the middle of the 20th century nearly 400 representations of maker s marks an index of makers under workplace listing over 1000 localities a comprehensive bibliography of over 600 titles publisher

The Symphonic Repertoire, Volume II

2024-03-29

this book offers a theory of romantic song by re evaluating schumann s dichterliebe of 1840

one of the most enigmatic works of the repertoire it investigates the poetics of early romanticism in order to understand the mysterious magnetism and singular imaginative energy that imbues schumann's musical language the romantics rejected the ideal of a coherent and organic whole and cherished the suggestive openness of the romantic fragment the disconcerting tone of romantic irony and the endlessness of romantic reflection thereby realizing an aesthetic of fragmentation close readings of many songs from *dichterliebe* show the singer's intense involvement with the piano's voice suggesting a split self and the presence of the other seeing schumann as the second poet of the poem here of heine's famous *lyrisches intermezzo* this book considers essential issues of musico poetic intertextuality introducing into musicology a hermeneutic that seeks to synthesize philosophical literary critical music analytical and psycho analytical modes of thought

English Eighteenth-century Concertos

2004

this compilation assembles previously published and unpublished essays by schnittke and supplements them with an interview with cellist and scholar alexander ivashkin the book is illustrated with musical examples many of them in schnittke s own hand in a schnittke reader the composer speaks of his life his works other composers performers and a broad range of topics in 20th century music the volume is rounded out with reflections by some of schnittke s contemporaries

Flotenbuchlein

1979-07

drawing from his highly praised french work une simple flute distinguished flutist and teacher michel debost has compiled a useful and imaginative introduction to playing the flute this alphabetically arranged compendium of advice and insight covers essential topics such as breathing articulation and tone but also explores jawboning finger phrasing the little devils and other quirky and vexing aspects of flute playing full of practical advice on technique and axioms that lend moral support during tough practice sessions the simple flute will be a welcome addition to any serious or novice flutist s library in addition the book includes original exercises such as debost s scale game making it an excellent resource for flute teachers debost concludes each essay with in a nutshell and please refer to boxes that make the book

easy to browse dog ear and return to again and again offering concise common sense

solutions for flutists of all levels this book is an ideal reference guide on flute performance

Musical Instruments, Historic, Rare and Unique

1888

schott a new complete method of instruction for the recorder includes exercises revisions trill charts ornaments and embellishments duets trios and quartets

Recorder Sight-Reading 1

2020-09-03

The New Langwill Index

1993

schott a comprehensive recorder method ranging from the beginner s first notes and progressing in carefully managed small steps to advanced playing on the alto particular value is placed on musical awareness expressive playing is presented on an equal basis with

breathing finger and tonguing techniques singing and playing from memory are essential to musical development and play a major role throughout the series since the first volumes of fun and games with the recorder for soprano recorder are intended for use with children from about six years of age this method for alto recorder is therefore aimed at children of around 10 12 years as in the previous books in this series we address the child directly and provide carefully planned and precisely formulated exercises

Schumann's Dichterliebe and Early Romantic Poetics

2002

schott this work is likely to become a standard work very quickly and is to be recommended to all schools where recorder studies are undertaken oliver james contact magazine a novel and

comprehensive approach to transferring from the c to f instrument 430 music examples include folk and national songs some in two parts country dance tunes and excerpts from the standard treble repertoire of bach barsanti corelli handel telemann etc an outstanding feature of the book has proved to be brian bonson's brilliantly simple but highly effective practice circles and recognition squares designed to give in only a few minutes concentrated practice on the more usual leaps to and from each new note and instant recognition of random notes quickly emulating the outstanding success of the descant tutors these books are very popular even with those who normally use tutors other than the enjoy the recorder series

A Schnittke Reader

2002-08-16

presents exercises for descant or tenor recorder players covering revisions trill charts and ornaments and embellishments

The Simple Flute

2010

the pieces in this collection have proven to be favorites of early intermediate through intermediate students throughout the years there are 20 pieces included in solo book one coincides with accompaniment book one which contains specially composed second keyboard parts designed for a teacher parent or more advanced student
