Theo Give Us a Ball 2018-08-09 book one may appear to be a little scary to read because it takes you into evil and the destruction of lives far too many people won't begin to take a look what mankind doesn't recognize from afar is that he has been in agreement with many of the lies being perpetuated through the deceitfulness of evil and his lack of awareness he managed to get himself in and now he must fully participate in getting himself out the good news is book two is providing the help necessary to bring you out it's giving you the map and the access to understanding that which will help to set yourself free you will find you cannot do all of it alone the life of jesus christ is being utilized in book two as our ultimate leader teacher and guide you will want to understand the heart courage and genius which was developed him from living his life in faith the attributes of jesus can and should be studied and duplicated his teachings are aptly quoted to illustrate various results of life and provide oppositions of thought to counter the mechanics of evil being levied against us through the minds of the self jesus gave us his teachings examples and demonstrations over two thousand years ago mankind has made progress since then in maintaining his sanity and integrity but our progress has not proven to me to be enough look closely at people and their problems and you will see that far too many people are living with way too much pain and fear and we all hear stories of good religious people who experience a fall as they become subject to sinning yes we are all sinners but much of the sinning we do is because we do not greatly understand the mechanics of evil and the thousands of approaches satan has to engage a man are often overwhelming i look at our world today and can see the many compulsions at work in the minds of men in mass and i'm genuinely concerned man doesn't begin to

understand the size complexity and scope of all that he is up against in our world as it is we've all heard of satan and most of us will acknowledge he is there to damage our life but generally that's as far as our knowledge of him goes it is our ignorance of him that make us most vulnerable when we don't recognize the decisions we make are in league with supporting his working mechanics in pain then we don't have much of a chance we need to become enlightened in order to be protective of our souls which is the basis and design of book number three book two has two agendas which i continue to present throughout i continue to show the reader the ongoing dilemmas he has to contend with through the cunning and deceit of evil in full cooperation with the six major steps of the longest and greatest lie ever told various aspects of the lie are a part of each one of us and the lies will literally have to be removed this will take a lot of time and hard work while you will be steadily at work getting to the truth i will continue to show the you the things you will need to actively involve yourself in in order to bring yourself out there are no easy solutions and there is little gain to be made without the accommodation of some pain but the pain will be tolerable and the end will remain as a blessing in your sights you have the trinity of god working within you through your deep and deliberate breathing you have scriptures of truth to be studied at your disposal and you will have the blessings of your memorized prayer you have the love faith and forgiveness of god working within your essence of being you will be learning to let go and trust in god the more you learn to love them as the trinity the more you will grow in faith and as jesus told us it is from faith god will make us well

God Gave Us You 2000-09-19 theron few 90 lives at spring moor life retirement community in raleigh nc with his wife darlene since february 2022 prior to moving to raleigh they lived in their private home in mebane theron's

first book my darling darlene a love story and tribute to his wife was privately published for their family but is available through amazon for 10 this book raises a serious significant question concerning religion politics a recent survey shows only 49 of the citizens of america even believe that god exists religion is on the decline that is unless we declare that partisan politics is a religion as the media has done and does every day we in america have serious problems and partisan politics cannot and will not solve any of our many problems speaker mccarthy and president biden over memorial day weekend 2023 have agreed to kick the debt can problem over to the next congress and next president because they and their kin in washington most all of 546 our government except the 9 members of the supreme court have been doing this now for twenty five 25 years it is now time 24 elections to draw a line in the sand and stop deficit spending the government of our country has already robbed future generations of over 32 trillion dollars laying this debt on future generations robbing our children grands and great grands and their children of the legacy owed them being free of debt which unless corrected will lead to our downfall as a free nation think about it every man women and child in america s individual share of our national debt is almost 100 000 00 now what will it be if they kick the can just a few more times failing to address the debt problem

What Did Jesus Look Like? 2018-02-08 an act of love the anointing of jesus by an unnamed woman by reverend danny mckay synopsis late one evening god literally shook me awake and made me write the details of what would become the story of the unnamed woman who anointed jesus head with her fragrant alabaster oil and wiped his feet with her tears if you study the holy bible you may recall the prayer of jabez 1 chronicles 4 9 10 where he asked for god s favor over his life my story focuses on the fact that since jabez s mother had great pain and sorrow when birthing him i created imaginary triplet daughters using versions of jabez s name they were jabeziah jabezeoh and jabezeah but it was jabeziah who had a calling to anoint jesus christ before he was crucified and ascended into heaven i bring the reader from the birth of the sisters to their childhood and adult interactions with jesus christ at first their relationship is that of playmates but the triplets soon realize that jesus is not an ordinary boy next door he is actually the messiah the one true god tensions escalate between jesus and the high ranking jews and pharisees because they are jealous of his teachings and his growing following they decide to call him an enemy of the people and of god s laws according to mooses the political leaders romans fear that the people who are mesmerized by jesus will revolt against the government all factions join forces to crucify jesus christ the triplets have visions throughout their growing up but before they can marry their chosen mates they have the tedious yet inspirational task of finding jesus getting close to him and anointing him when this happens jesus says that throughout history when the story of his anointing is told this woman jabeziah will be remembered for all time this is a story of faith and love of courage and obedience to god i too was obedient to god because when he gave me the vision to write this story i immediately obeyed and gave the characters real names and real life situations that paralleled the life of jesus christ it s a compelling read full of twists and turns that come even after jesus is dead and buried pastordannymckay gmail com theforgivenesschallenge org dannymckayj gmail com danny mckay p o box 1444 mount dora florida 32756

a crisis before god because we have desecrated his temple

It Starts with Us 2022-10-18 give us this day is a unique daily devotional commentary for the entire new testament based on the ancient method called lectio divina lectio divina or divine reading is the method used by the early church and countless christians through the centuries to read the scriptures to form and transform the soul more than merely to inform the mind give us this day deals in depth with entire passages and their contexts rather than selecting only certain portions of the new testament to write about fr charles has written a devotional for each and every passage of the new testament fr charles writes for the whole person he is not afraid to use his sense of humor and he carefully relates the bible not only to the individual's life but also to the life of the church at the end of each day's devotional an appropriate prayer is offered as well as points for further reflection on the day's lesson each devotional concludes with a suggested resolution to put into effect what the spirit has stirred up in the heart of the reader during the course of his reading meditation and prayer

The Gospel According to Matthew 1999 this book titled prayer is asking and receiving is written to enlighten the readers about what prayer really is the importance of prayer and how to pray when we pray we are joining forces with god to combat all issues to attack and bring to obedience all life's issues it is having fellowship with god to exalt praise magnify and glorify god and his name in the book we discussed how we are supposed to pray as jesus directed us to do before he left this earth following the directives of jesus we looked at the preliminaries of prayer noting that we do not have to jump into prayer without proper preparation we must come to god fully prepared in the book we looked at the main act of praying following the guidelines as given by jesus as he directed us to do in the lord's prayer and as the lord directed the children of israel to do in the wilderness after deciding what you really want from god then you must go into the scriptures and search the scripture to see if the need falls in line with god's will we must be definite and exact in what we ask for there should be no repetitions or tautology a very important point that was emphasized in this book is the statement that jesus made in mark 11:24 where he said that when we pray we must believe that we have received what we prayed for while

praying not later then we will receive it what he said there is that we must pray in faith and not in hope this is important because most christians pray in hope not in faith they pray believing that they will receive their answer sometimes later in this book we discussed the different kinds of prayer when each type is used and how it is used prominent among the types discussed in this book are the prayer of agreement the prayer of petition or request united prayer or prayer of unity prayer of importunity or persistence the prayer of consecration and dedication the prayer of commitment prayer of worship and the prayer of intercession we looked in detail at the prayer of intercession which is a prayer in which one takes the place of another in prayer that is going to god for somebody that somebody could be a person a ministry a church a nation or even the kingdom itself that is standing in the gap between that somebody and god another important topic that we covered in the book is the use of the name of jesus in our prayer jesus gave us two separate instructions as to how we should use his name in prayer however most of us christians do not differentiate the two we tend not to know the difference the name of jesus is the key that unlocks heaven all authority has been vested in that name we tend to use the two instructions that jesus gave concerning the use of his name interchangeably but wrongly most of the time the ways we use the name in our prayers tend to show that we do not know the power that is vested in the name perhaps that is the reason why the answers to most of our prayers do not manifest physically the right use of the name is thoroughly explained in the book and examples are cited as to how the disciples followed the instructions of christ in the use of his name we ought to follow in their footsteps we also discussed the subject of praying in the spirit in the book we depend on the holy spirit in order to be able to pray in the spirit the spirit makes intercession for us according to the will of god because we know not what to pray for sometimes we also noted that if we want quick answers to our prayers then our prayers must be loaded with worship and praise exalting the name of the lord god lives in the praises of his people in this book we also looked at and discussed in detail how to conduct spiritual war faring in prayers the enemy s armor and the weapons at the disppsal of the christian we can see that for prayer to be answered does not depend on how loud we shout but how much interaction we have with the holy spirit

The First Book of Moses, Called Genesis 1999 i thought i would be grafting and working on it pursuing it until i breathed my last breath my ambition and drive was that concrete but ambition will kill you the spark is instant miles away from home they find each other they were going to make it big together fast forward years later a world reset and changed forever they return to where they left it one an award winning writer the other adopting a child and putting faith in crystals the spark is still there electric and dangerous but how do you heal once you ve been burned right where we left us is a lyrical and witty three hander and a heartfelt examination of what happens instead of happy ever after a new welsh play produced by welsh theatre makers chippy lane productions this edition was published to coincide with the world premiere at the chapter arts centre in september 2022

The Voyage of François Pyrard of Laval 1887 the jefferson bible or the life and morals of jesus of nazareth as it is formally titled was a book constructed by thomas jefferson in the latter years of his life by cutting and pasting numerous sections from various bibles as extractions of the doctrine of jesus jefferson s composition excluded sections of the new testament containing supernatural aspects as well as perceived misinterpretations he believed had been added by the four evangelists in 1895 the smithsonian institution under the leadership of librarian cyrus adler purchased the original jefferson bible from jefferson s great granddaughter carolina randolph for 400 a conservation effort commencing in 2009 in partnership with the museum s political history department allowed for a public unveiling in an exhibit open from november 11 2011 through may 28 2012 at the national museum of american history
