Write Publish Repeat: The No Luck Required Guide to Publishing in 2013
Johnny B. Truant and Sean Platt published 1.5 million words and made their full-time livings as indie authors. In *Write Publish Repeat*, they tell you exactly how they did it: how they created over 15 independent franchises across 50 published works; how they turned their art into a logical, sustainable business; and how any independent author can do the same to build a sustainable, profitable career with their writing. *Write Publish Repeat* explains the current self-publishing landscape and covers the truths and myths about what it means to be an indie author now and in the foreseeable future. It explains how to create books your readers will love and will want to return to again and again. *Write Publish Repeat* details expert methods for building story worlds, characters, and plots; understanding your market right down to your ideal reader; using the best tools possible to capture your draft; and explains proven best practices for editing the book.
