Island of Dragons 2017-02-07

twins alex and aaron stowe are put to the ultimate test to fulfill their destinies and save both quill and artimé from the deadliest enemy the cities have ever faced in the thrilling conclusion to the new york times bestselling unwanted's series which kirkus reviews called the hunger games meets harry potter head mage alexander stowe and his friends successfully fended off the latest threat to their magical world of artimé with the help of a surprise ally united at last they're exploring exciting new territory but old enemies have secretly been plotting against them and danger strikes when they're most vulnerable now alex must lead his people in a final epic battle one they can't hope to win alone loyalties will be tested and powerful new abilities will emerge on both sides of the war that could change everything will artimé finally know peace or will all that alex and his people have fought for be destroyed forever

10,000 Ways to Die 2010-10-21

40 years ago as a graduate student i wrote a book about spaghetti westerns called 10 000 ways to die it's an embarrassing tome when i look at it now full of half-assed semiotics and other attenuated academic nonsense in the intervening period i have had the interesting experience of being a film director so now when i watch these films i'm looking at them from a different perspective a professional perspective maybe i'm thinking about what the filmmakers intended how they did that shot how the director felt when his film was recut by the studio and he was creatively and financially screwed 10 000 ways to die is an entirely new book about an understudied subject the spaghetti western from a director's pov not only have these films stood the test of time some of them are very high art alex cox

Hope to Die 2015

detective alex cross is being stalked by a psychotic genius forced to play the deadliest game of his career cross family his loving wife bree the wise and lively nana mama

and his precious children have been ripped away terrified and desperate cross must give this mad man what he wants if he has any chance of saving the most important people in his life the stakes have never been higher what will cross sacrifice to save the ones he loves widely praised by the greatest crime and thriller writers of our time cross my heart set a jaw dropping story in motion hope to die propels alex cross greatest challenge to its astonishing finish proving why jeffery deaver says nobody does it better than james patterson

First to Die 2018-06-14

a dark and edgy crime thriller for fans of sarah hilary katerina diamond angela marsons and robert bryndza somewhere in the crowd is a killer bonfire night and st james s park is filled with thousands of anonymous protesters in a stand off with the police when a cloaked guido fawkes mask wearing body is discovered the following morning kate riley and zain harris from the police crime commissioner s office are called in the corpse has been eaten away by a potentially lethal and highly contagious virus the autopsy reveals the victim was a senior civil servant whose work in international development involved saving lives why would anyone want him dead they will strike again as the research team looking into the origins of the deadly virus scramble to discover an antidote first one then another pharmacist goes missing meanwhile a dark truth starts to emerge about the murder victim he was an aggressive man whose bullying behaviour resulted in the suicide attempt of one of his former staff members and time is running out with thirty lives potentially at stake kate and zain have their work cut out for them can they find the two missing pharmacists in time or will they too end up dead a twisty turny journey that is full of surprises angela marsons scarily relevant lisa hall a rocketing good read vaseem khan

Alex 2015-02-24

a father s moving memoir of cystic fibrosis captures a brave child s legacy as well as the continuing fight against the genetic disease the new york times in 1971 a girl named alex was born with cystic fibrosis a degenerative genetic lung disease although health care innovations have improved the life span of cf patients

tremendously over the last four decades the illness remains fatal given only two years to live by her doctors the imaginative excitable and curious little girl battled through painful and frustrating physical therapy sessions twice daily as well as regular hospitalizations bringing joy to the lives of everyone she touched despite her setbacks brave alex was determined to live life like a typical girl going to school playing with her friends traveling with her family ultimately however she succumbed to the disease in 1980 at the age of eight award winning author frank deford celebrated primarily as a sportswriter was also a budding novelist and biographer at the time of his daughter s birth deford kept a journal of alex s courageous stand against the disease documenting his family s struggle to cope with and celebrate the daily fight she faced this book is the result of that journal alex relives the events of those eight years moments as heartwarming as when alex recorded herself saying i love you so her brother could listen to her whenever he wanted and as heartrending as the young girl s tragic dawning realization of her own very tenuous mortality and her parents difficulty in trying to explain why though alex is a sad story it is also one of hope her greatest wish was that someday a cure would be found deford has written a phenomenal memoir about an extraordinary little girl

Dying: A Social Perspective on the End of Life **2016-03-03**

an inevitable and universal experience dying is experienced by individuals in different ways often related to the character of our relationships family structures gender identities cultural backgrounds and economic means drawing on extensive qualitative fieldwork with patients carers and health professionals in australia and the united kingdom dying a social perspective on the end of life provides a critical examination of the different spheres of dying in social and cultural context exploring complex issues such as the politics of assisted dying negotiating medical futility gender and dying the desire for redemption the moralities of the good fight and the lived experience of bodily disintegration this book links novel theoretical ideas within sociology to cutting edge empirical data collected in palliative and end of life care contexts a theoretically engaged understanding of the social mediation of the end of life dying a social perspective on the end of life also sheds light on the manner in which the end of life can be shaped by major economic cultural and socio cultural shifts including neo liberalism individualisation medicalisation professionalisation and detraditionalisation as such it will appeal to social science health and medical researchers interested in the end of life as well as those working in palliative and end of life care settings

The Silent Patient 2019-02-05

the instant 1 new york times bestseller an unforgettable and hollywood bound new thriller a mix of hitchcockian suspense agatha christie plotting and greek tragedy entertainment weekly the silent patient is a shocking psychological thriller of a woman s act of violence against her husband and of the therapist obsessed with uncovering her motive alicia berenson s life is seemingly perfect a famous painter married to an in demand fashion photographer she lives in a grand house with big windows overlooking a park in one of london s most desirable areas one evening her husband gabriel returns home late from a fashion shoot and alicia shoots him five times in the face and then never speaks another word alicia s refusal to talk or give any kind of explanation turns a domestic tragedy into something far grander a mystery that captures the public imagination and casts alicia into notoriety the price of her art skyrockets and she the silent patient is hidden away from the tabloids and spotlight at the grove a secure forensic unit in north london theo faber is a criminal psychotherapist who has waited a long time for the opportunity to work with alicia his determination to get her to talk and unravel the mystery of why she shot her husband takes him down a twisting path into his own motivations a search for the truth that threatens to consume him

Alex's Atonement 2020-03-10

to be the hero he once was he needs to save her alex belgarde has carried the culpability of his father s death for more than ten years every year as his family s company falls deeper into debt the guilt eats away more of his soul until there s only one answer prepared to make the ultimate sacrifice to save his father s legacy alex takes off on a frigid winter day with no radio and very little fuel in his seaplane he s using up the last of his reserve tank preparing to drop from the sky when he sees plane wreckage below irene rose has spent her life chasing her dream but after a possible terminal diagnosis she realizes how lonely her life has become and is ready to forgive her sister and beg for her family s forgiveness instead of arriving on the island of her birth irene finds herself stranded in the alaskan wilderness unbeknownst to her the pilot for the plane she chartered was a drug runner so he didn t alert authorities as they crashed while alex s illogical idea to save his father s company is thwarted because of his obligation to help others he finds purpose in offering aid to the beautiful and intelligent irene the attraction is mutual until irene persuades alex to tell her the real reason he can t simply fly them to safety or call for help now the two castaways will have to fight the harsh winter elements as well as the drug smugglers who lost their cargo in the wreck if they want to make it home alive not easy tasks when irene refuses to trust alex to get her home safely she simply can t get over the fact that as talented tough and tantalizing as he is that he was going to throw his life away when hers will probably be cut short for the first time in his life alex will have to face his demons instead of running from them in order to win the girl

and prove to himself that he s a real hero

Alex Faraway 2024-01-30

alex faraway and the last martian is the book 1 of a science fiction trilogy about an inventive boy named alex faraway and the adventures he encounters with large robotic insect bots both good and evil and a strange orphaned girl who he finds living in an abandoned scrapyard just beyond the backyard of his rural home the crux of the story deals with unexpected connections that alex soon uncovers between the robots in the scrapyard the girl rainah and the planet mars but it is not with the mars that we know of today but with mars when it was ten thousand years younger and since his earliest memories alex has somehow known that his long missing father is on that distant planet as well why he does not yet know but he hopes to find him somehow someday and how might he travel to that distant world to search for his dad why in the spaceship he is building in his workshop nearby the scrapyard with help from his own loyal robots and a fantastic engine known as the dive drive of course but will the wicked ones namely the others lurking in the scrapyard allow him to leave suspend for just a little while all that you hold to be the usual the normal and venture into the world of alex faraway after you do you may not wish to return

Living and Dying on the Internet 2018-08-05

sorry she said it s just i ve never met anyone famous before sorry i replied you still haven t in 2008 the media reported that alex day was the first person in the uk to make money from youtube videos he was described as a youtube star but he didn t feel like one alex watched as his channel grew leading him to a youtube party in sydney a video convention in los angeles and a world record attempt in london he signed up to new sites like facebook twitter and tumblr but as his professional life flourished his personal life unravelled when a series of damning blog posts exposed his past and left him with no friends and no home and no audience how would you cope if your worst mistakes were written up and torn apart by thousands of strangers right before your eyes a book about ambition failure and responsibility living and dying on the internet is a timely and unparalleled look into the evolution of youtube the culture of public shaming and an insightful account of how the internet has changed and changed us over the last ten years

A Deal to Die For 2014-05-27

this intriguing thriller is sure to keep you turning the pages when after a long and bloody struggle one of the most notorious international crime organisations in recent history the syndicate is thought to have been finally neutered by the united nations secret agency special operations national and international crime known as sonic yet the syndicate s terrifying spectra unexpectedly returns when so incensed by the

humility of defeat the former leader carl peterson who s true identity is still unknown to the authorities returns nad mobilizes his enormous wealth and together with a selection of willing vassals aims to acquire the vital components necessary to manufacture one of man s most feared and deadly weapons the tactical nuclear bomb the next burning question for peterson is how and where to launch this terrifying weapon so that it will satisfy his deep rooted passion for vengeance sonic s former agent alex scott is brought back from retirement he has battled head to head with them in the past and his understanding of the leader s devious mind means that alex is probably the only man who can intervene to halt the dreadful consequences of the plan if alex scott were to fail it would not only be his own life at stake but the lives of thousands of innocent souls so can alex once again stop the manic mind in time and at what price

Surviving Alex 2024-05-17

in 2015 patricia roos s twenty five year old son alex died of a heroin overdose turning her grief into action roos a professor of sociology at rutgers university began to research the social factors and institutional failures that contributed to his death surviving alex tells her moving story and outlines the possibilities of a more compassionate and effective approach to addiction treatment weaving together a personal narrative and a sociological perspective surviving alex movingly describes how even children from good families fall prey to addiction and recounts the hellish toll it takes on families drawing from interviews with alex s friends family members therapists teachers and police officers as well as files from his stays in hospitals rehab facilities and jails roos paints a compelling portrait of a young man whose life veered between happiness anxiety success and despair and as she explores how a punitive system failed her son she calls for a community of action that would improve care for substance users and reduce addiction realigning public health policy to address the overdose crisis

Alex 2013-02-14

everything you know about her is wrong in kidnapping cases the first few hours are crucial after that the chances of being found alive go from slim to nearly none alex prévost beautiful resourceful tough may be no ordinary victim but her time is running out commandant camille verhoeven and his detectives have nothing to go on no suspect no lead rapidly diminishing hope all they know is that a girl was snatched off the streets of paris and bundled into a white van the enigma that is the fate of alex will keep verhoeven guessing until the bitter bitter end and before long saving her life will be the least of his worries

Alex the Great 2013-06

alexander penfold refuses to be anything more than what she is the world s biggest tomboy nothing has been the same since her older brother jeremy died in an accident two years ago things are looking up at school for alex when she makes a new friend but when something terrible happens that makes alex miss jeremy more than ever the struggling fifth grader must learn that the best gift in life is a freind who listens

Likely To Die 2011-05-19

alexandra cooper manhattan s top sex crimes prosecutor is brought into what promises to be a messy case gemma dogen was found in her own office in a new york hospital sexually assaulted soaked in her own blood and considered likely to die before she can be moved to the emergency room alex combs through her files for murders with similar modus operandi while mike chapman and the other detectives concentrate on possible motives amongst her friends and colleagues many of whom had found gemma a professional thorn in their sides two facts rapidly become apparent the hospital itself is far from secure and someone believes that alex has discovered something far too damaging for them to let her live

Think Least of Death 2022-05-10

the seventeenth century dutch jewish philosopher baruch spinoza has long been known and vilified for his heretical view of god and for the radical determinism he sees governing the cosmos and human freedom only recently however has he begun to be considered seriously as a moral philosopher in his philosophical masterpiece the ethics after establishing some metaphysical and epistemological foundations he turns to the big questions that so often move one to reflect on and even change the values that inform their life what is truly good what is happiness what is the relationship between being a good or virtuous person and enjoying happiness and human flourishing the guiding thread of the book and the source of its title is a claim that comes late in the ethics the free person thinks least of all of death and his wisdom is a meditation not on death but on life the life of the free person according to spinoza is one of joy not sadness he does what is most important in life and is not troubled by such harmful passions as hate greed and envy he treats others with benevolence justice and charity and with his attention focused on the rewards of goodness he enjoys the pleasures of this world but in moderation nadler makes clear that these ethical precepts are not unrelated to spinoza s metaphysical views rather as nadler shows spinoza s views on how to live are intimately connected to and require an understanding of his conception of human nature and its place in the cosmos his account of values and his conception of human happiness and flourishing written in an engaging style this book makes spinoza s often forbiddingly technical philosophy accessible to contemporary readers interested in knowing more about spinoza s views

on morality and who may even be looking to this famous atheist who so scandalized his early modern contemporaries as a guide to the right way of living today

The Strange Death of Alex Raymond 2021-08-17

the story traces the lives and techniques of alex raymond flash gordon ripkirby stan drake juliet jones hal foster prince valiant and more dissecting their techniques through recreations of their artwork and highlighting the metatextual resonances that bind them together page 4 of cove

True Unto Death 1889

don t you remember me a little boy said as he drew his last breath in a fantasy world where myths are not believed anymore a tale of the ghosts that would flood the world one day in a prophecy the journey of a bunch of young lads as the world they once knew start to change yuricel harte a mysterious new student at the saint s academy embarks on a mission to fulfil his dreams running away from his past and making new friends along the way yuri had planned everything in his life but he did not intend to fall in love with violet the woman with no heart he meets théo the brave young lord of weston and his friends the hard choices théo has to make as a leader a heavy burden left for him what were the events that led up to that little boy s death betrayal bravery and a prophecy amongst them all

Mockingbird 2022-10-31

nearly half a million preemies are born in the u s every year but like most people jeff stimpson the father who wrote alex never gave premature babies a thought beyond the cliché of medical miracles many of these children grow up with special needs necessitating an increasing and ever controversial burden on society medicine is creating not only a new population of individuals but a special and growing population of parents and families alex was born in june of 1998 he weighed 21 ounces he spent the first year of his life in the hospital this is the story of his first years it s a story of doctors hospitals conferences hate love gratitude envy frustration joy and worry it s the story of a preemie stimpson saw his son get a spinal tap without anesthesia it isn t given to micro preemies and three times witnessed alex stop breathing once on his lap stimpson and his wife were at the hospital every day and there they encountered not only how far the science of saving preemies has advanced but how far it hasn t and how far healthcare and other professionals need to go to understand what parents go through when their infant lives in a hospital the stimpsons got a crash course in life behind the billboard of medical miracle and learned how care of preemies can greatly differ and perhaps most important how patients families must learn to be consumers when trying to find that care what keeps a family going when a child spends a year in the hospital in compelling prose

stimpson traces the life of his child from birth to kindergarten four wings in two hospitals coming home with a roomful of medical gear and round the clock drugs and nursing the gains and downturns of home therapy through early intervention finding and prospering in a special needs preschool a diagnosis of autism and the ongoing battle to give alex a fair shot at childhood and at life

Alex 2015-03-01

dci hanlon faces the toughest decision of her career as a string of political murders lead to a deadly confrontation a controversial right wing german politician is due to speak at the oxford union following a series of murders linked to a violent anarchist group the city is on high alert dci hanlon has been partnered with di huss to ensure the speech goes smoothly and that there will be no more killing the murders soon reveal a chilling alliance between the anarchists and european jihadis and when hanlon traces the killer she soon realises that the truth has a terrible price is hanlon willing to meet the cost

An Incidental Death 2016-09-08

captured by the giovanni army alex and ira the midnight children are trapped within the walls of the hall of vampires suffering from the scars of the ar novad s tragedy alex has all but given up however when the giovanni authorities deal the midnight children s death sentence alex and ira are forced to fight for their lives with the first closing in the authorities on their backs and argon testing alex s resolve alex ira and their reluctant allies are thrust towards inevitable war the first must be stopped the authorities must be put to justice power must be taken from the giovanni authorities bloody hands bodmin must be reclaimed at any cost however alex and argon s unbreakable bond threatens everything the allies have fought for with fractured loyalties and trust in alex put to the test it seems this is more than inevitable war but a march towards inevitable death

Alex Valentine: Descent of the Damned 2023-03-03

my name is alex and in one year i am going to die teenaged alex can admit to himself that his demise is a result of his own actions and he deserves what he has coming but his life wasn t always this way once he had a family and good friends once he even had a girl he was crazy about nothing good lasts forever and the values of life are expressed through this unique first person narration capturing the dark reality s of today s youth alex finds himself digging a much deeper hole into his regrets with a crowd of both friends and enemies the story backtracks from the ending with him and his friends being a bloody mess running all night from something he blacked out from alex is trapped between two worlds one of hatred and one with a purpose as the trilogy progresses he becomes powerful through respect of the others because they

can see his potential by losing everything one by one he begins to feel numb and as if he has nothing to lose anymore

Trudemption 2012-02-28

hatchet meets lost in this modern day adventure tale of one girl s reawakening jane is on a plane on her way home to montclair new jersey from a mental hospital she is about to kill herself just before she can swallow a lethal dose of pills the plane hits turbulence and everything goes black jane wakes up amidst piles of wreckage and charred bodies on a snowy mountaintop there is only one other survivor a boy named paul who inspires jane to want to fight for her life for the first time jane and paul scale icy slopes and huddle together for warmth at night forging an intense emotional bond but the wilderness is a vast and lethal force and only one of them will survive

Survive 2012-08-02
