Your students will get a hoot out of this story about a boy and his adventures with two owls. Target your students' need for independent reading skills. Demonstrate any prior knowledge on the subject of owls before reading the book. Find the word that best matches the vocabulary word from the novel. Show comprehension with multiple choice and true or false questions. Explain why the owls didn't know how to fly and why Billy didn't show them. Convert inches to centimeters to find out how tall Wol is and how wide his wingspread is. Rewrite a passage from the book in weeps the owl's point of view. Complete a web to show Wol's encounters with each character from the story aligned to your state standards and written to Bloom's taxonomy. Additional crossword, word search, comprehension quiz, and answer key are also included. About the novel: This is one of Farley Mowat's funniest books about a boy and two rescued owls named Wol and Weeps. Billy loves all animals; he has rats, mice, over thirty gophers, and two dogs. It only seems natural that Billy and his friends search the sloughs and bluffs to find owlets. The boys

rescue a pair of owlets from an untimely death and end up keeping them for over three years the adventures billy his friends and the owls have together are not typical participating in the local pet parade owls following him to school and having an owl arrive for dinner with a skunk are only a few funny incidents in owls in the family
