*The Bullet Journal Method* 2021-12 the new york times bestseller transform your life using the bullet journal method the revolutionary organisational system and worldwide phenomenon the bullet journal method will undoubtedly transform your life in more ways than you can imagine hal elrod author of the miracle morning in his long awaited first book ryder carroll the creator of the enormously popular bullet journal organisational system explains how to use his method to track your past using nothing more than a pen and paper create a clear comprehensive and organised record of your thoughts and goals order your present find daily calm by prioritising and minimising your workload and tackling your to do list in a more mindful and productive way plan your future establish and appraise your short term and long term goals plan more complex projects simply and effectively and live your life with meaning and purpose like many of us ryder carroll tried everything to get organised countless apps systems planners you name it nothing really worked then he invented his own simple system that required only pen and paper which he found both effective and calming he shared his method with a few friends and before long he had a worldwide viral movement the system combines elements of a wishlist a to do list and a diary it helps you identify what matters and set goals accordingly by breaking long term goals into small actionable steps users map out an approachable path

towards continual improvement allowing them to stay focused despite the crush of incoming demands but this is much more than a time management book it's also a manifesto for what ryder calls intentional living making sure that your beliefs and actions align even if you already use a bullet journal this book gives you new exercises to become more calm and focused new insights on how to prioritise well and a new awareness of the power of analogue tools in a digital world this book has been printed with three different colour designs black nordic blue and emerald we are unable to accept requests for a specific cover the different covers will be assigned to orders at random

**Project Planner** 2021-03-06 the project planner notebook is for the builders and makers and dreamers a journal to plot and plan your creations and easily reference back to them three column lined paper on the left for materials lists jotting details and ideas making notes dot grid paper on the right for sketching and technical drawings a table of contents layout on the first few pages is to be used as you go like the index pages of a bullet journal manually add in page numbers as you use the book and enter your projects into the table of contents softcover perfect bound books come in a rainbow of cover color options see our other rainbow lesson notebooks in a variety of subjects to color coordinate by student or by subject details a two page spread of 3 column lined paper and dot grid table of contents 100 pages 8.5 x 11 inches softcover velvet matte finish printed on demand

**The Lazy Genius Way** 2020-08-11 new york times bestseller being a lazy genius isn't about doing more or doing less it's about doing what matters to you i could not be more excited about this book jenna fischer actor and cohost of the office ladies podcast the chorus of shoulds is loud you should enjoy the moment dream big have it all get up before the sun track your water consumption go on date nights and be the best or maybe you should ignore what people think live on dry shampoo be a negligent pta mom have a dirty house and claim your hot mess like a badge of honor it's so easy to feel overwhelmed by the mixed messages of what it means to live well kendra adachi the creator of the lazy genius movement invites you to live well by your own definition and equips you to be a genius about what matters and lazy about what doesn't everything from your morning routine to napping without guilt falls into place with kendra's thirteen lazy genius principles including decide once start small ask the magic question go in the right order schedule rest discover a better way to approach your relationships work and piles of mail be who you are without the complication of everyone else's shoulds do what matters skip the rest and be a person again
