# **The Sixteen Satires**

2004-05-27

perhaps more than any other writer juvenal c ad 55 138 captures the splendour the squalor and the sheer energy of everyday roman life in the sixteen satires he evokes a fascinating world of whores fortune tellers boozy politicians slick lawyers shameless sycophants ageing flirts and downtrodden teachers a member of the traditional land owning class that was rapidly seeing power slip into the hands of outsiders juvenal also creates savage portraits of decadent aristocrats male and female seeking excitement among the lower orders of actors and gladiators and of the jumped up sons of newly rich former slaves constantly comparing the corruption of his own generation with its stern and upright forebears juvenal s powers of irony and invective make his work a stunningly satirical and bitter denunciation of the degeneracy of roman society

## ***The Sixteen Satires (Penguin Classics).***

1998

translations of juvenal s satires by authors from the 16th to the 20th century

## ***The Sixteen Satires [by] Juvenal***

1967

the satires of horace 65 8 bc written in the troubled decade ending with the establishment of augustus regime provide an amusing treatment of men s perennial enslavement to money power

glory and sex epistles i addressed to the poet's friends deals with the problem of achieving contentment amid the complexities of urban life while epistles ii and the *ars poetica* discuss latin poetry its history and social functions and the craft required for its success both works have had a powerful influence on later western literature inspiring poets from ben jonson and alexander pope to w h auden and robert frost the satires of persius ad 34-62 are highly idiosyncratic containing a courageous attack on the poetry and morals of his wealthy contemporaries even the ruling emperor nero

## **The sixteen satires**

1982

classica et mediaevalia volume 51

## **The Sixteen Satires**

1974

in search of the romans is a lively and informative introduction to ancient rome making extensive use of ancient sources and copiously illustrated with photographs drawings maps and plans now for the first time in colour its opening two chapters guide the reader through the events of roman history from the foundation of the city to the fall of the empire subsequent chapters introduce the most important aspects of the roman world the army and the provinces religion society and entertainment the final two chapters focus on pompeii and herculaneum the two cities destroyed by vesuvius new to this edition are sections on the augustan principate on the roman army on life in the provinces and on engineering innovations while the existing text is revised throughout the narrative includes descriptions of many individuals from the

roman world drawn from a variety of social settings activity boxes and further reading lists throughout each chapter aid students understanding of the subject review questions challenge students to read further and reflect on some of the most important social political and cultural issues of ancient rome as well as to compare them with those of their own society the new edition is supported by a website that includes images maps and timelines further reading and related links

## **Juvenal in English**

2001

donkeys carried christ into jerusalem while in greek myth they transported hephaistos up to mount olympos and dionysos into battle against the giants they were probably the first animals that people ever rode as well as the first used on a large scale as beasts of burden associated with kingship and the gods in the ancient near east they have been and in many places still are a core technology for moving people and goods over both short and long distances as well as a supplier of muscle power for threshing and grinding grain pressing olives raising water ploughing fields and pulling carts to name just a few of the uses to which they have been put yet despite this they remain one of the least studied and most widely ignored of all domestic animals consigned to the margins of history like so many of those who still depend upon them spanning the globe and extending from the donkey s initial domestication up to the present this book seeks to remedy this situation by using archaeological evidence in combination with insights from history and anthropology to resituate the donkey and its hybrid offspring such as the mule in the unfolding of human history looking not just at what donkeys and mules did but also at how people have thought about and understood them intended in part for university researchers and students working in the broad fields of world history archaeology animal history and anthropology but it should also interest anyone keen to learn more about one of the most widespread and important of the animals that people have domesticated

## ***Satires and Epistles of Horace and Satires of Persius***

2005-09-29

this is the ocr endorsed edition covering the latin as and a level group 3 prescription of juvenal satire 6 and the a level group 4 prescription of satires 14 and 15 giving full latin text commentary and vocabulary with a detailed introduction that also covers the prescribed material to be read in english for a level juvenal was the last and the greatest of the roman verse satirists and his poetry gives us an exuberant and outrageously jaundiced view of the early roman empire this book contains a selection from three of his satires satire 6 attacks women and marriage satire 14 critiques the role played by parents in the education of children and satire 15 describes all too vividly the cannibalism perpetrated by warring egyptians these satires expose the folly and the wickedness of the world in some of the finest latin to have survived from antiquity supporting resources are available on the companion website bloomsbury pub ocr editions 2024 2026

## **Classica Et Mediaevalia vol.51**

2000

ben jonson 1572 1637 is recognised as one of the major poets and dramatists of his time it is surprising therefore that this should be the first study to look specifically at the role of women in his poetry barbara smith challenges previously held conceptions of jonson as a misogynist upholding the patronage system that allowed him to work through detailed examination of his poetic structures the influence of juvenal martial and horace and jonson s attitudes to his own female patrons the countess of bedford and lady mary wroth the women of ben jonson s poetry demonstrates how seventeenth century cultural values and ideas of gender are both supported and subverted in the poems if we survey jonson in his works and know him there we will find the independence of spirit and originality that made him a rarity in his time and ours

## **In Search of the Romans (Second Edition)**

2019-12-12

here jerome murphy o connor presents a completely new and much more vivid and dramatic account of the life of paul than has ever previously been attempted from his childhood in tarsus and his years as a student in jerusalem to the successes and failures of his ministry this biography has no peer in terms of its detailed reconstructions of paul s movements and motives traditionally the acts of the apostles has provided the framework for the lives of paul in recent years however the historical value of the acts has been called into question despite the accuracy of many details they have been linked in ways which reflect the interests of luke rather than objective reality critical assessment is called for if they are to be incorporated into a life of paul the prime source for a reconstruction of the apostle s life must be his own writings recent advances in the study of the letters have brought to light new depths which enables them to be used for biographical purposes the originality of this book lies in the combination of these two approaches which are reinforced by close attention to the social and cultural aspects of paul s ministry as revealed by archaeology and contemporary texts and it transforms a fountain of theological ideas into a human being

## **Satires**

1802

highlighting both the differences and similarities between the various eras the author shows that honour has played an important and complex role in the ignition conduct and end of wars throughout history and how it remains a vital influence on modern warfare this volume will be of interest to students of military history military ethics security studies and international

relations jacket

## **The Cambridge Introduction to Satire**

2019

rich eclectic a feast telegraph this landmark collection brings together forty writers that reflect over a hundred years of italy s vibrant and diverse short story tradition from the birth of the modern nation to the end of the twentieth century poets journalists visual artists musicians editors critics teachers scientists politicians translators the writers that inhabit these pages represent a dynamic cross section of italian society their powerful voices resonating through regional landscapes private passions and dramatic political events this wide ranging selection curated by jhumpa lahiri includes well known authors such as italo calvino elsa morante and luigi pirandello alongside many captivating new discoveries more than a third of the stories featured in this volume have been translated into english for the first time several of them by lahiri herself

## ***The Satyricon – Complete***

2022-09-16

one of the stories from the bestselling historical fiction falco series as the girl came running up the steps i decided she was wearing far too many clothes so in 1989 readers were introduced to marcus didius falco the roman informer as he stood on the steps of the temple of saturn looking out across the forum the heart of his world twenty years and twenty books later falco fans want a companion volume only here will you learn the author s private background including her descent from a failed assassin and how atheism improved her knitting here too

are the real glories and heartache involved in research and creation why the baby had to be born in barcelona which plots evolved from intense loathing of management trainees what part a thermal vest played in the iconic falco s conception it can t be a complete handbook to ancient rome but it covers perennial issues there are a hundred illustrations some specially commissioned others from family archives enlightening quotations come from the falco books and from eminent sources juvenal through chandler to 1066 and all that readers have asked for this book their paranoid secretive author agrees it is now or never time to spill beans on the travertine

## **The Donkey in Human History**

2018

the bite and wit of two of antiquity s best satirists persius and juvenal are captured in this text

## **Juvenal Satires: A Selection**

2023-02-09

you people put importance on your lives well my life has never been important to anyone i haven t got any guilt about anything bragged the mass murderer charles manson these children that come at you with knives they are your children you taught them i didn t teach them they are running in the streets and they are coming right at you when a real murderer accuses the society he has brutalized we are shocked but we are thrilled by the same accusations when they are mouthed by a fictional rebel outlaw or monster in bitter carnival michael andr bernstein explores this contradiction and defines a new figure the abject hero standing at the junction

of contestation and conformity the abject hero occupies the logically impossible space created by the intersection of the satanic and the servile bernstein shows that we heroicize the abject hero because he represents a convention that has become a staple of our common mythology as seductive in mass culture as it is in high art moving from an examination of classical latin satire through radically new analyses of diderot dostoevsky and cline and culminating in the courtroom testimony of charles manson bitter carnival offers a revisionist rereading of the entire tradition of the saturnalian dialogue between masters and slaves monarchs and fools philosophers and madmen citizens and malcontents it contests the supposedly regenerative power of the carnivalesque and challenges the pieties of utopian radicalism fashionable in contemporary academic thinking the clarity of its argument and literary style compel us to confront a powerful dilemma that engages some of the most central issues in literary studies ethics cultural history and critical theory today

## ***The Women of Ben Jonson's Poetry***

2016-12-05

this comprehensive guide to the history of literary criticism from antiquity to the present day provides an authoritative overview of the major movements figures and texts of literary criticism as well as surveying their cultural historical and philosophical contexts supplies the cultural historical and philosophical background to the literary criticism of each era enables students to see the development of literary criticism in context organised chronologically from classical literary criticism through to deconstruction considers a wide range of thinkers and events from the french revolution to freud s views on civilization can be used alongside any anthology of literary criticism or as a coherent stand alone introduction

## **Paul: A Critical Life**

1996-06-27

part of a five volume project on the theological questions surrounding the origins of christianity this book offers a reappraisal of literary historical and theological readings of the new testament arguing for a form of critical realism that facilitates different readings of the text

## **Military Honour and the Conduct of War**

2006-07-28

who qualifies as the worst of roman emperors and why join l j trafford for a tour of the very worst leadership in ancient rome featuring caligula commodus and many more between 27 bce and 476 ce a series of men became roman emperor ruling a domain that stretched across europe north africa and the near east some of them did this rather well expanding rome's territories further installing just laws and maintaining order within the city others however were distinctly less successful at the job ancient rome's worst emperors takes an engaging and amusing look at the mad the bad and the catastrophically incompetent of rome's rulers from the sadistically cruel caligula to the hopelessly weak valentinian ii there were many who failed dismally at the top job for a variety of reasons but what qualifies someone as a worst emperor what evidence is there to support it and should we believe any of it join us on a tour of the very worst leadership ancient rome has to offer as we delve into sadistic acts of cruelty paranoia run rampant poor decision making skills and the danger of being the wrong man at the wrong time

## **The Penguin Book of Italian Short Stories**

2019-03-07

here is the ideal introduction to satire for the student and for the experienced scholar an occasion to reconsider the uses problems and pleasures of satire in light of contemporary theory satire is a staple of the literary classroom dustin griffin moves away from the prevailing moral didactic approach established thirty some years ago to a more open view and reintegrates the menippean tradition with the tradition of formal verse satire exploring texts from aristophanes to the moderns with special emphasis on the eighteenth century griffin uses a dozen figures horace juvenal persius lucian more rabelais donne dryden pope swift blake and byron as primary examples because satire often operates as a mode or procedure rather than as a genre griffin offers not a comprehensive theory but a set of critical perspectives some of his topics are traditional in satire criticism the role of satire as moralist the nature of satiric rhetoric the impact of satire on the political order others are new the problems of satire and closure the pleasure it affords readers and writers and the socioeconomic status of the satirist griffin concludes that satire is problematic open ended essayistic and ambiguous in its relationship to history uncertain in its political effect resistant to formal closure more inclined to ask questions than provide answers and ambivalent about the pleasures it offers

## **Falco: The Official Companion**

2011-01-18

## **Bitter Carnival**

1992-03-17

a thrilling and momentous account of the great fire of rome and how a modern city arose from its embers peril was everywhere in ancient rome but the great fire of 64 ce was unlike anything the city had ever experienced no building no neighborhood no person was safe from conflagration when the fire finally subsided after burning for nine days straight vast swaths of rome were in ruins the greatest city of the ancient world had endured its greatest blow in the great fire of rome joseph j walsh tells the true story of this deadly episode in rome s

history he explains why rome was such a vulnerable tinderbox outlines the difficulties of life in that exciting and dangerous city and recounts the fire s aftermath and legacy a legacy that includes the transformation of much of ancient rome into a modern city situating the fire within the context of other perils that residents of rome faced including frequent flooding pollution crime and dangerously shoddy construction he highlights the firefighting technology of the period and examines the ways in which the city s architecture and planning contributed to the severity of the blaze introducing readers to the grim realities of life in that overwhelming and overwhelmed city while chronicling its later glories the great fire of rome is grounded in the latest scholarship on fire analysis and forensics walsh s multifaceted analysis balanced insights and concise accessible prose make this book a versatile teaching tool readers interested in ancient and modern rome urban life and civic disasters among other things will be fascinated by this book

## **A History of Literary Criticism**

2008-04-15

if the middle ages form the present day backdrop to the continents of westeros and essos then antiquity is their resonant past the known world is haunted by the remnants of distant and powerful civilizations without whose presence the novels of george r r martin and the ever popular hbo show would lose much of their meaning and appeal in this essential sequel to carolyne larrington s winter is coming the medieval world of game of thrones ayelet haimson lushkov explores the echoes from the summer islands to storm s end of a rich antique history she discusses for example the convergence of ancient rome and the reach scope and might of the valyrian freehold she shows how the wanderings of tyrion lannister replay the journeys of odysseus and aeneas she suggests that the war of the five kings resembles the war of the four emperors 68 69 ad she also demonstrates just how the wall and the wildlings advancing on it

connect with hadrian s bulwark against fierce tribes of picts this book reveals the remarkable extent to which the entire game of thrones universe is animated by its ancient past

## ***The New Testament and the People of God***

2013-03-21

the tombstone of julia velva one of the best preserved examples from roman britain was found close to a roman road just outside the center of york fifty years old when she died in the early third century julia velva was probably from a wealthy family able to afford a fine monument patrick ottaway uses the tombstone as the starting point to investigate what the world she lived in was like drawing on the latest archaeological discoveries and scientific techniques the author describes the development of roman york s legionary fortress civilian town and surrounding landscape he also looks at manufacturing and trade and considers the structure of local society along with the latest analytical evidence for people of different ethnic backgrounds aspects of daily life discussed include literacy costume cosmetics and diet there are also chapters dedicated to the abundant york evidence for religion and burial customs this book presents a picture of what one would have found on the edge of a great empire at a time when york itself was at the height of its importance illustrated with dozens of photographs specially prepared plans and illustrations this is an excellent study of one of roman britain s most important places

## ***Ancient Rome's Worst Emperors***

2024-01-30

jan huizinga and roger caillois have already taught us to realize how important games and play

have been for pre modern civilization recent research has begun to acknowledge the fundamental importance of these aspects in cultural religious philosophical and literary terms this volume expands on the traditional approach still very much focused on the materiality of game toys cards dice falcons dolls etc and acknowledges that game constituted also a form of coming to terms with human existence in an unstable and volatile world determined by universal randomness and fortune whether considering blessings or horse fighting falconry or card games playing with dice or dolls we can gain a much deeper understanding of medieval and early modern society when we consider how people pursued pleasure and how they structured their leisure time the contributions examine a wide gamut of approaches to pleasure considering health issues eroticism tournaments playing music reading and listening drinking alcohol gambling and throwing dice this large issue was also relevant of course in non christian societies and constitutes a critical concern both for the past and the present because we are all homines ludentes

## **Satire**

2021-03-17

the guide offers both an essential reference work for students of english and comparative literature and a stimulating overview of literary translation in english book jacket

## **Medieval Italy**

2004-08-02

this book is a sociological study of a societal grouping that has the popular title middle class it argues that it is more precise to describe the middle classes as dominant groupings

and the book draws upon a wide range of characters from such groupings in a detailed analysis of cultural practices those making an appearance include omnivores carnivores herbivores the middle brow traditional culture vultures middle class plunderers the urban arts eclectic and the english gentleman there is a particular focus on those expressing the silver disposition predominantly affluent middle aged and white with a taste for conspicuous consumption and established cultural forms the book brings together a range of disparate sources on the middle classes and offers a sustained engagement with the concept of culture it illustrates the extent to which social groups utilize the various assets at their disposal and seek to maintain the legitimacy of their cultural practices the findings emphasise the continuing link between class and taste culture and the middle classes will be of interest to those working in the fields of class and culture across a range of disciplines including sociology cultural studies social theory media studies and cultural anthropology

## **Routledge Revivals: Medieval Italy (2004)**

2017-07-05

offering fresh readings of numerous neo latin texts medical analogy in latin satire provides an introduction to medical issues in the tradition of latin satire the book explores what functions physical diseases and peculiarities had in early modern satires and how satire was considered as a form of healing instruction

## ***The Great Fire of Rome***

2019-10-01

unique in their broad based coverage the twelve essays in this book provide a fresh look at

some central aspects of roman culture and society

## **You Win or You Die**

2017-04-30

everything you need to know about the cultural contexts of volpone the unremitting exposure of human vileness is black and bleak redeemed perhaps by the eventual punishment of the wrongdoers in an outcome achieved more by luck than justice this book provides detailed in depth discussion of the various influences that a jacobean audience would have brought to interpreting the play how did people think about the world about god about sin about kings about civilized conduct about the predatory impulses that drive men to prey upon each other historical literary political sociological backgrounds are explained within the biblical moral matrices by which the play would have been judged this book links real life in the late 1600s to the world on the stage discover the orthodox beliefs people held about religion meet the devil the seven deadly sins and human depravity learn about the social hierarchy gender relationships court corruption class tensions the literary profile of the time attitudes to comedy and all the subversions transgressions and oppositions that made the play a topical satire but also an unsettling picture of a world so close to disaster

## **Julia Velva, A Roman Lady from York**

2021-05-30

a harvard business school professor and international entrepreneur explains the crucial ingredient for success in the developing world entrepreneurial ventures often fail in the developing world because of the lack of something taken for granted in the developed world

trust over centuries the developed world has built up customs and institutions like enforceable contracts an impartial legal system credible regulatory bodies even unofficial but respected sources of information like yelp or consumer reports that have created a high level of what scholar and entrepreneur tarun khanna calls ambient trust if a product is fda approved we feel confident it's safe if someone makes an untrue claim or breaks an agreement we can sue police don't demand bribes to do their jobs certainly there are exceptions but when brought to light they provoke a scandal not a shrug this is not the case in the developing world but rather than become casualties of mistrust khanna shows that smart entrepreneurs adopt the mindset that like it or not it's up to them to weave their own independent web of trust with their employees partners clients and customers and with society as a whole this can require innovative approaches in places where the level of societal mistrust is so high that as in one example khanna provides an official certification of quality simply arouses suspicion and lowers sales using vivid examples from brazil china india mexico and elsewhere khanna shows how entrepreneurs can build on existing customs and practices instead of trying to push against them he highlights the role new technologies can play but cautions that these are not panaceas and explains how entrepreneurs can find dependable partners in national and local governments to create impact at scale

## **Pleasure and Leisure in the Middle Ages and Early Modern Age**

2019-08-05

this book is a landmark study of shakespeare's politics as revealed in his later history plays it offers the first ever survey of anti monarchism in western literature history and philosophy tracked from hesiod and homer through to contemporaries of shakespeare such as george buchanan and the authors of the mirror for magistrates thus demonstrating that anxiety over monarchic power and contemptuous demolitions of kingship as a disastrously irrational

institution formed an important and irremovable body of reflection in prestigious western writing overturning the widespread assumption that elizabethans believed in divine right monarchy it expositis the anti monarchic critique built into shakespeare s histories and marlowe s massacre at paris in five chapters of close literary critical readings paying innovative attention to performance values part two focuses queen elizabeth s principal challenger for national rule the earl of essex england s most popular man it demonstrates from detailed readings that far from being an admirer of the war crazed unstable bi polar essex as is regularly asserted shakespeare launched in richard ii and henry iv a campaign to puncture the reputation of the great earl exposing him as a machiavel seeking elizabeth s throne shakespeare emerges as a humane and clear sighted critic of the follies intrinsic to dynastic monarchy yet hostile likewise to the rash militarist essex who would fling england into permanent war against spain founded on an unprecedented and wide ranging study of anti monarchist thought this book presents a significant contribution to shakespeare and marlowe criticism studies of tudor england and the history of ideas
