## Entangled

2019

a wall street journal bestseller there s nothing richer than a second chance in the steamy second book of new york times bestselling author j s scott s accidental billionaires series aiden sinclair was a commercial fisherman before he suddenly came into his billionaire inheritance not that he s complaining being a sinclair does have its perks but things were simpler before the money he may have been dirt poor but he loved his job and fully intended to always come back from the sea to his girlfriend skye weston so they could move toward something more permanent or at least that had been the plan until he returned from a two month fishing trip to discover she had moved away and was marrying somebody else it tore his world apart now skye s back in town after nearly a decade she s a single mother and just as beautiful as ever however for some odd reason she appears to hate him when it should be aiden who wants nothing to do with the woman who dumped him unfortunately more than nine years of separation have done nothing to put a damper on their white hot chemistry but even if those feelings are real skye has been keeping secrets the truth of the past is about to come to light and there is so much more at stake than just aiden s heart

## Billionaire Unexpected Jax

2021-03

i never expected the man i saw as nothing but a billionaire player to be the only person who could rescue me from near insanity one moment everything was perfect i was finally dr harlow lewis research geoscientist and i was actually employed at montgomery mining laboratories the crème de la crème of labs for my specialty i also had good friends a supportive parent and a budding relationship with a great guy add all of those things together and it was impossible for my existence to be anything less than ideal i had exactly the life i d always wanted until it wasn t i guess i never realized that brief periods of perfection could instantly be followed by a nine day horrific hostage situation that would forever change the woman i d been before that incident oddly after my release the only person who knew that i was struggling to get my life back was jaxton montgomery my billionaire boss and the king of one nighters not exactly the perfect confidante right the two of us barely spoke unless it was company business especially after i d turned down a date with him two years earlier what rational female would want to have dinner with a man who was known for his one and done dating behavior maybe jax wasn t the guy i would have chosen to be the person who would drag me out of

the darkness and back into life again but he was the only one stubborn enough to do it he systematically broke down all of defenses until i reached out and clung to him like he was the only lifeline i had it wasn't until i got to know him that i realized that jax was so much more than the playboy he was portrayed to be in the gossip columns he was patient he didn't judge and he had a wicked sense of humor even stranger he understood what i was going through even when i didn't understand it myself unfortunately he was also the hottest guy i'd ever met and as our bizarre friends but not really friends relationship continued it was getting harder and harder to fight the intense chemistry between the two of us what happens when a guy you thoroughly disliked just a few months ago suddenly becomes your everything jax had helped me claw my way back into my life but was i brave enough to risk everything all over again to keep the one man i'd always wanted but could never have

## **Billionaire Unwed Zeke**

2021-01-10

you met lia and zeke in billionaire unloved jett and ruby's book now you can find out what happened to them did lia really end up marrying the wrong guy although this story is part of the billionaire's obsession series it can be easily be enjoyed as a standalone friends to lovers billionaire romance lia i thought i had my life all worked out my wedding had been meticulously planned all i had to do was walk down the aisle and get married to the man i'd been engaged to for over a year pretty easy and uncomplicated right unfortunately all of my well laid plans go up in smoke when my fiancé leaves me at the church alone because he found a woman who was better suited for his snobby world of wealth and privilege after realizing what kind of man my intended groom really was it was hard not to be more relieved that i'd dodged a bullet than i was heartbroken problem is i still need to get married all of my hopes and dreams are dependent on me tying the knot by my twenty eighth birthday and that date is closing in fast way too quickly for me to fall in love all over again as usual my best friend zeke

conner is there to pick up the pieces after i m left at the altar by a jerk he helps me work through the demoralizing event so i can put it behind me and move on i m stunned when he offers to marry me himself but it s a bargain i can t really refuse as my relationship starts to change with my best friend i find myself caught in a web of sensual desire and unending passion that s as terrifying as it is satisfying probably because it seems all too real our arrangement was supposed to be temporary a deal between friends that zeke swore would benefit both of us but as our marriage starts to feel like so much more than just a charade for me what will happen when it all ends this book was originally published under the title temporary groom as a part of the now discontinued left at the altar series it s been completely re written with added chapters and material and retitled billionaire unwed as part of the billionaire s obsession series

## **Scanning Electron Microscopy and X-Ray Microanalysis**

2013-11-11

this book has evolved by processes of selection and expansion from its predecessor practical scanning electron microscopy psem published by plenum press in 1975 the interaction of the authors with students at the short course on scanning electron microscopy and x ray microanalysis held annually at lehigh university has helped greatly in developing this textbook the material has been chosen to provide a student with a general introduction to the techniques of scanning electron microscopy and x ray microanalysis suitable for application in such fields as biology geology solid state

physics and materials science following the format of psem this book gives the student a basic knowledge of 1 the user controlled functions of the electron optics of the scanning electron microscope and electron microprobe 2 the characteristics of electron beam sample interactions 3 image formation and interpretation 4 x ray spectrometry and 5 quantitative x ray microanalysis each of these topics has been updated and in most cases expanded over the material presented in psem in order to give the reader sufficient coverage to understand these topics and apply the information in the laboratory throughout the text we have attempted to emphasize practical aspects of the techniques describing those instrument parameters which the microscopist can and must manipulate to obtain optimum information from the specimen certain areas in particular have been expanded in response to their increasing importance in the sem field thus energy dispersive x ray spectrometry which has undergone a tremendous surge in growth is treated in substantial detail

an important contribution to the literature on contemporary american politics both methodologically and substantively it breaks new ground journal of sociology social welfare when scott walker was elected governor of wisconsin the state became the focus of debate about the appropriate role of government in a time of rising inequality walker not only survived a bitterly contested recall he was subsequently reelected but why were the very people who would benefit from strong government services so vehemently against the idea of big government with the politics of resentment katherine j cramer uncovers an oft overlooked piece of the puzzle rural political consciousness and the resentment of the liberal elite rural voters are distrustful that politicians will respect the distinct values of their communities and allocate a fair share of resources what can look like disagreements about basic political principles are therefore actually rooted in something even more fundamental who we are as people and how closely a candidate s social identity matches our own taking a deep dive into wisconsin s political climate cramer illuminates the contours of rural consciousness showing how place based identities profoundly influence how people understand politics the politics of resentment shows that rural resentment no less than partisanship race or class plays a major role in dividing america against itself
