awards in russia presents issues peculiar to the russian legal system and legal culture generally the culmination of perhaps years of arbitration enforcement of arbitral awards is a crucial element of arbitration and a subject best not taken lightly or left to the last minute the enforcement of foreign arbitral awards in russia parses the judgments of russian courts with a particular focus on the decision making processes of russian judges as reflected in their judgments the enforcement of foreign arbitral awards in russia addresses several questions such as which russian courts enforce awards and what are they like what laws treaties and rules apply how do the courts reach their decisions do those courts sometimes reach anomalous conclusions what should an applicant for enforcement watch out for what are the common pitfalls with the help of enforcement of foreign arbitral awards in russia non russian readers will be able to ask intelligent questions earlier rather than later of the local counsel who will be making an application for enforcement in the russian courts maximum pc is the magazine that every computer fanatic pc gamer or content creator must read each and every issue is packed with punishing product reviews insightful and innovative how to stories and the illuminating technical articles that enthusiasts crave this book examines the interaction between the concept of the minimum standard of treatment under custom and the fair and equitable treatment fet standard found in the vast majority of bits it also analyses whether the fet standard should be considered as a rule of customary international law this book expounds the theory of international arbitration law it explains in easily accessible terms all the fundamentals of arbitration from separability of the arbitration agreement to competence competence over procedural autonomy finality of the award and many other concepts it does so with a focus on international arbitration law and jurisprudence in switzerland a global leader in the field with a broader

warriors

reach than a commentary of chapter 12 of the swiss private international law act the discussion contains numerous references to comparative law and its developments in addition to an extensive review of the practice of international tribunals written by two well known specialists professor kaufmann kohler being one of the leading arbitrators worldwide and professor rigozzi one of the foremost experts in sports arbitration the work reflects many years of experience in managing arbitral proceedings involving commercial investment and sports disputes this expertise is the basis for the solutions proposed to resolve the many practical issues that may arise in the course of an arbitration it also informs the discussion of the arbitration rules addressed in the book from the icc arbitration rules to the swiss rules of international arbitration the cas code and the uncitral rules while the book covers commercial and sports arbitrations primarily it also applies to investment arbitrations conducted under rules other than the icsid framework more than any other sport baseball has developed its own niche in america s culture and psyche some researchers spend years on detailed statistical analyses of minute parts of the game while others wax poetic about its players and plays many trace the beginnings of the civil rights movement in part to the major leagues decision to integrate and the words and phrases of the game for example pinch hitter and out in left field have become common in our everyday language from aaron henry onward this book covers all of what might be called the cultural aspects of baseball as opposed to the number rich statistical information so widely available elsewhere biographical sketches of all hall of fame players owners executives and umpires as well as many of the sportswriters and broadcasters who have won the spink and frick awards join entries for teams owners commissioners and league presidents advertising agents drafts illegal substances minor leagues oldest players perfect games retired uniform numbers superstitions tripleheaders and youngest players are among the thousands of entries herein most entries open with a topical quote and conclude with a brief bibliography of sources for further research the whole work is exhaustively indexed and includes 119 photographs this book provides an ideal introduction to the fundamentals of international investment law and dispute settlement for students scholars and practitioners it combines a systematic analytical study of the texts and principles underlying investment law with a jurisprudential analysis of the case law arising in international tribunals the law of international watercourses is an authoritative guide to the rules of international law governing the navigational and non navigational uses of international rivers lakes and groundwater the continued growth of the world s population places increasing demands on earth s finite supplies of fresh water because two or more states share many of the world s most important drainage basins including the danube the ganges the indus the jordan the mekong the nile the rhine and the tigris euphrates competition for increasingly scarce fresh water resources will only increase agreements between the states sharing international watercourses are negotiated and disputes over shared water are resolved against the backdrop of the rules of international law governing the use of this precious resource the basic legal rules governing the use of shared freshwater for purposes other than navigation are reflected in the 1997 un convention on the law of the non navigational uses of international watercourses this book devotes a chapter to the 1997 convention but also examines the factual and legal context in which the convention should be understood considers the more important rules of the convention in some depth and discusses specific issues that could not be addressed in a framework instrument of that kind the book reviews the major cases and controversies concerning international watercourses as a background against which to consider the basic substantive and procedural rights and obligations of states in the field the third edition covers the implications of the 1997 convention coming into force in august 2014 and the compatibility of the 1997 and 1992 conventions this edition also updates the entire book adds new material to many of the chapters and adds a number of new case studies including pulp millson the river uruguay argentina v uruguay and certain activities carried out by nicaragua in the border area costa rica v nicaragua amongst others identifies and describes specific government assistance opportunities such as loans grants counseling and procurement contracts available under many agencies and programs in a nascent common law frédéric gilles sorgens offers an account of the theoretical underpinnings of investor state arbitration a key growth field of international and transnational law this textbook provides an accessible account of the intricacies of contract law and the problems that can arise during the life of a contract these problems along with their solutions are discussed in detail using everyday language that stimulates thought and reflection ford frick is best known as the baseball commissioner who put the asterisk next to roger maris s record but his tenure as commissioner carried the game through pivotal changes television continued integration west coast expansion and labor unrest during

those 14 years and 17 more as national league president he witnessed baseball history from the perspective of a man who began as a sportswriter this biography of frick whose tenure sparked lively debate about the commissioner s role provides a detailed narrative of his career and the events and characters of mid 20th century baseball the relevance and importance of the rule of law to the international legal order cannot be doubted and was recently reaffirmed by the declaration of the high level meeting of the general assembly on the rule of law at the national and international level s solemn commitment to it on behalf of states and international organizations in this edited collection leading scholars and practitioners from the fields of global governance resources investment and trade examine how the commitment to the rule of law manifests itself in the respective fields the book looks at cutting edge issues within each field and examines the questions arising from the interplay between them with a clear three part structure it explores each area in detail and addresses contemporary challenges while trying to assure a commitment to the rule of law the contributions also consider how the rule of law has been or should be reconceptualised taking a multi disciplinary approach the book will appeal to international lawyers from across the spectrum including practitioners in the field of international investment and trade law this annual edition provides accountants and other financial professionals with assistance in understanding and applying the special considerations required in a single audit it is an indispensable resource for auditors performing yellow book audits this new edition provides up to date information and expert guidance on single audits and uniform guidance compliance audit requirements including example auditor reports for both the reporting required under government auditing standards and the uniform guidance compliance audit this book is intended for western students of the chinese language who wish to take the chinese language proficiency exam hànyu shuipíng kaoshì hsk either for academic reasons when planning to enroll for studies at a university in mainland china or for any other professional or personal reasons this book contains lists of vocabulary and chinese characters that students are required to know for the six different levels of the hsk exam it is intended as a reference guide to essential vocabulary and chinese characters as well as to the grammar aspects that will be requested within the exam in one of the various ways of the communicative tasks assigned to the candidate this book should be used in conjunction with the official monolingual textbooks available for each level of the hsk exam as a guide of bilingual reference throughout the preparation process for the exam at each proficiency level there is an optional interactive multimedia application that can be used in combination with the book its features and benefits are described on the last two pages of the book the application can be downloaded free of charge by anyone who has purchased a copy of the book the examining team reviewed p2 practice revision kit provides invaluable guidance on how to approach the exam and contains many of the long case study questions that you will find in the exam three mock exams provide you with more essential practice and marking schemes show you how the examiner awards marks
