rotaflow centrifugal pump getinge Mar 27 2024 the rotaflow rf 32 centrifugal pump is a non occlusive pump with no metal shaft or seal this pump features a peg top one point sapphire bearing that lowers friction substantially its volute housing provides an optimized flow ratio without stagnant zones

user s manual rotaflow with icu kit rotaflow system Feb 26 2024 the maquet rotaflow system is a centrifugal pump which is designed for use in an extracorporeal perfusion circuit to pump blood during cardiopulmonary bypass interventions and for permanent extracorporeal pulmonary or cardiovascular support the rotaflow system can be used for stand alone operation on a maquet

maquet rotaflow user manual pdf download manualslib Jan 25 2024 rotaflow with icu kit 4 operation 35 when the rotaflow centrifugal pump stops and a flow within 1 l min is displayed press the zero adjustment button for three seconds to calibrate flow measurement to zero 4 3 1 bubble monitoring performance test

cardiohelp system getinge Dec 24 2023 a cutting edge centrifugal pump in addition the integrated measuring cell is used to measure the important blood parameters of venous oxygen saturation s_{vo_2} hematocrit hct and hemoglobin hb as well as venous temperature t_{ven} sensors for three pressure parameters and the arterial temperature are also integrated

centrifugal pump rotaflow cardiomedic Nov 23 2023 the rotaflow centrifugal pump from maquet provides greater benefits for improved gentle blood handling during extracorporeal circulation engineered with simplicity and sophistication rotaflow is one of the smallest centrifugal pumps available and at the same time a highly flexible modular component for systems integration

maquet rotaflow centrifugal pump system advanced Oct 22 2023 elevate cardiac procedures with the maquet rotaflow centrifugal pump system state of the art technology standalone or hl 20 integration compact design and unique flow measurement for optimal performance and safety

maquet rotaflow pump with terumo sarns 11160 soma tech intl Sep 21 2023 the maquet rotaflow centrifugal pump is one of the centrifugal pumps that comes without a metal shaft or seal the pump features a peg top one point bearing that can lower friction the centrifugal pump has a spiral housing that helps ensure an optimal flow ratio and can use a lower priming volume of 32 ml to reduce solids that can form in the

maquet rotaflow pump with medtronic bio cal 370 Jul 19 2023 the maquet rotaflow centrifugal pump is one of the centrifugal pumps that comes without a metal shaft or seal the pump features a peg top one point bearing that can lower friction the centrifugal pump has a spiral housing that helps ensure an optimal flow ratio and can use a lower priming volume of 32 ml to reduce solids that can form in the

use of rotaflow maquet for temporary right ventricular Jun 18 2023 the rotaflow maquet hirrlingen germany device is a pump with a similar engineering design as the centrimag this device has been successfully applied for extracorporeal membrane oxygenation ecmo support but there are no reports at this time of its use as a temporary rvad

ecmo and life support systems quadrox pls and rotaflow May 17 2023 maquet the gold standard extracorporeal circulation for extended life support the extremely demanding requirements for extended life support call for technology with outstanding features the bioline coated quadrox pls oxygenator and the rotaflow centrifugal pump with their 14 day certification are designed for treating patients in need of

advances in extracorporeal membrane oxygenator design for Jan 13 2023 maquet combined the quadrox oxygenator with a centrifugal pump to create the cardiohelp system an eccl circuit used commonly in clinical practice 115 other groups are performing preclinical testing on compact integrated pump oxygenators some designed for smaller pediatric patients

centrifugal pump performance during low flow extracorporeal Dec 12 2022 abstract aim the aim of this study was to examine the hydrodynamic performance and gaseous microemboli gme activity of two centrifugal pumps for possible use in low flow extracorporeal co2 removal materials methods the performance of a rotassist 2 8 and a rotaflow 32 centrifugal pump maquet cardiopulmonary ag hirrlingen germany was

getinge maquet cardiohelp system potential insufficient Nov 11 2022 the getinge maquet cardiohelp system is a blood oxygenation and carbon dioxide removal system used to pump blood through the extracorporeal bypass circuit for either circulatory support

maquet rotaflow rf 32 centrifugal pump indiamart Oct 10 2022 maquet rotaflow rf 32 centrifugal pump get latest price engineered with simplicity and sophistication the rotaflow rf 32 centrifugal pump is one of the smallest centrifugal pumps available it is a highly flexible modular component for systems integration view complete details get latest price request a quote

centrifugal pumps flow technologies Sep 09 2022 centrifugal pumps flow technologies we supply full range of centrifugal pumps which covers full range of duty conditions design and specifications used in the oil gas petrochemicals pharmaceuticals power and general industries home centrifugal pumps end suction pump ansi pump mag drive pump
