an inventory of the private possessions of lorenzo il magnifico de medici head of the ruling medici family during the apogee of the florentine renaissance provided by publisher lorenzo de medici was never an old man he died in 1492 at the age of forty three he came to power in fifteenth century florence at the age of twenty in the twenty odd years of his rule this banker politician international diplomat free wheeling poet and songwriter and energetic revolutionary helped to give shape tone and tempo to that truly dazzling time of western history the renaissance this book by award winning author charles l mee jr recounts the remarkable life of lorenzo de medici and of the times in which he lived miles unger s biography of this complex figure draws on primary research in italian sources and on his intimate knowledge of florence where he lived for several years book jacket historian f w kent offers a new look at lorenzo s relationship to the arts aesthetics collecting and building especially in the context of his role as the political boss maestro della bottega of republican florence and a leading player in renaissance italian diplomacy kent s approach reveals lorenzo s activities as an art patron as far more extensive and creative than previously thought known as the magnificent lorenzo was broadly interested in the arts and supported efforts to beautify florence and the many medici lands and palaces his expertise was well regarded by guildsmen and artists who often turned to him for advice as well as for patronage this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant this is the first book length collection in english of the literary works of lorenzo de medici the major poetic voice of the florentine resistance lorenzo de medici 1449 92 was the ruler of florence and the principal statesman of his time a contemporary of columbus lorenzo is hardly known in the english speaking world as a major quattrocento writer author of a large and varied body of poetry as well as an important literary treatise his poetry and patronage were instrumental in renewing the vernacular literature of his age after a period of stagnation that lorenzo s literary writings were for the most part never translated is a fascinating curiosity of history attributable to the irreverent bawdy subject matter of many of his poems objections to his authoritarian politics and the unconventional features of his poetic realism yet lorenzo is now seen as the most interesting exponent of the cultural renaissance that he encouraged his longer poems in particular reveal the central concerns everyday activities and favorite ideas of his day no other florentine writer succeeds in capturing as he does the beauty seasonal changes and rhythms of life of the tuscan countryside his poetic realism is that which sets him apart from his age yet makes him such a vivid portrayer of it the availability of his works in english will

serve to modify and enlarge our conception of the florentine renaissance presents the life and accomplishments of the fifteenth century ruler of florence who was renowned for his passion for the arts and who sponsored michelangelo this elibron classics title is a reprint of the original edition published by joseph engelmann in heidelberg 1825 the first english translation of the complete literary works of lorenzo de medici 1 january 1449 9 april 1492 italian statesman and ruler of the florentine republic during the italian renaissance comprises love poems comic poems short stories and philosophical and devotional works including one play this classic biography of lorenzo de medici provides a window into renaissance italy and the life of one of the most important figures of the era with colorful anecdotes insightful analysis and a detailed look at the politics and culture of the time roscoe s book remains a seminal work on the subject from the early days of lorenzo s life to his rise to power and eventual decline readers will gain a deep appreciation for this important figure in history this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant excerpt from illustrations historical and critical of the life of lorenzo de medici called the magnificent with an appendix of original and other documents not long after the publication of my work i received through the obliging attention of the late earl of bristol bishop of derry then in italy a copy in manuscript of a professed crio fique on the life of lorenzo the production of a learned foreigner who appeared to be well acquainted with the subject and fully compoa tent to judge of the various topics there dist cussed although this piece was sent me with out the name of the author i did not long re main in doubt on that head another copy having been obligingly transmitted to me by francis drake esq with the information that it was the production of the late abate andres who although he was a native of spain is well known by his proficiency in italian literature and particularly as the author of the extensive work about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works includes pictures of lorenzo and important people and places in his life discusses lorenzo s relationships with other famous renaissance legends including leonardo and michelangelo includes a bibliography for further reading how beautiful is youth that is always slipping away lorenzo de medici a lot of ink has been spilled covering the lives of history s most influential figures but how much of the forest is lost for the trees when historians are asked to pick a point in history when western civilization was transformed and guided down the path to modernity most of them point to the renaissance indeed the renaissance revolutionized art philosophy religion sciences and math with individuals like galileo leonardo michelangelo raphael dante and petrarch bridging the past and modern society in charles river editors legends of the renaissance readers can get caught up to speed on the lives of the most important men and women of the renaissance in the time it takes to finish a commute while learning interesting facts long forgotten or never known most historians credit the city state of florence as the place that started and developed the italian

renaissance a process carried out through the patronage and commission of artists during the late 12th century if florence is receiving its due credit much of it belongs to the medicis the family dynasty of florence that ruled at the height of the renaissance the dynasty held such influence that some of its family members even became pope among all of the medicis its most famous member ruled during the golden age of florence at the apex of the renaissance s artistic achievements lorenzo de medici commonly referred to as lorenzo the magnificent was groomed both intellectually and politically to rule venice and he took the reins of power at just 20 years old of all the fields that were advanced during the renaissance the period s most famous works were art with iconic paintings like leonardo s mona lisa and timeless sculptures like michelangelo s david thus it is fitting that both leonardo and michelangelo were at times members of lorenzo s court and the florentine ruler who also considered himself an artist and poet became known for securing commissions for the most famous artists of the age including the aforementioned legends piero and antonio del pollaiuolo andrea del verrocchio sandro botticelli and domenico ghirlandaio when lorenzo died in april 1492 he was buried in a chapel designed by michelangelo legends of the renaissance the life and legacy of lorenzo de medici chronicles the life and reign of lorenzo the magnificent examines the relationships he had with other renaissance legends and analyzes his enduring legacy along with pictures of important people places and events in his life you will learn about lorenzo de medici like you never have before in no time at all this historic book may have numerous typos and missing text purchasers can usually download a free scanned copy of the original book without typos from the publisher not indexed not illustrated 1908 edition excerpt like to carry between the liverpool and the manchester of italy it was a literary commonplace to compare the merits of venice and florence just as it had been to contrast athens with sparta carthage with rome yet there was much deep lying sympathy venice had been at once the natural and traditional ally of florence against the aggressions of milan and naples they were both guelfic both republics cosimo s change of policy had been unpopular in florence and it is at least probable that some of the unpopularity survived it is significant that on the fall of lorenzo s son the anti medicean party turned to venice and regrafted her republican constitution from the venetian stock the medicean despotism was a corruption a phylloxera only to be exterminated by a replanting of the native vine the resentment of venice against the medici overcome only for a moment in the war against sixtus was a constant cause of difficulty even more active than this resentment was the ambition to extend her possessions in the adriatic at the expense of naples which ran counter to the principles of lorenzo s policy could he have relied on the impartial support of venice the papal neapolitan dispute could scarcely have caused a moment s difficulty but venice as lorenzo s ambassador candidly confessed hated him more intensely than satan hates the cross lorenzo s son indeed fled to venice chased from florence by the restless oligarchy even as cosimo had been chased by the albizzi but the venetians had learnt their lesson they advised the exile not to return because they thought his restoration certain if return he did another limitation to lorenzo s diplomacy was the lack of military power in the past half century scholars have downplayed the significance of lorenzo de medici 1449 1492 called the magnificent as a patron of the arts less wealthy than his grandfather cosimo the argument goes lorenzo was far more interested in collecting ancient objects of art than in commissioning contemporary art or architecture his earlier reputation as a patron was said to be largely a construct of humanist exaggeration and partisan deference although some recent studies have taken issue with this view no synthesis of lorenzo as art patron and art lover has yet emerged in lorenzo de medici and the art of magnificence historian f w kent offers a new look at lorenzo s relationship to the arts aesthetics collecting and building especially in the context of his role as the political boss maestro della bottega of republican florence and a leading player in

renaissance italian diplomacy as a result of this approach which pays careful attention to the events of his short but dramatic life a radically new chronology of lorenzo s activities as an art patron emerges revealing them to have been more extensive and creative than previously thought kent s lorenzo was broadly interested in the arts and supported efforts to beautify florence and the many medici lands and palaces his expertise was well regarded by guildsmen and artists who often turned to him for advice as well as for patronage lorenzo himself was educated in the arts by such men and kent explores his aesthetic education and taste taking into account what is known of lorenzo s patronage of music and manuscripts and of his own creative work as a major quattrocento poet richly illustrated with photographs of medici landmarks by ralph lieberman lorenzo de medici and the art of magnificence offers a masterful portrait of lorenzo as a man whose achievements might have rivaled his grandfather s had he not died so young provides an overview of the lives of lorenzo de medici and his subjects in late fourteenth century florence a renaissance era city state and includes excerpts from poems laws and sermons of the time this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant this is a reproduction of the original artefact generally these books are created from careful scans of the original this allows us to preserve the book accurately and present it in the way the author intended since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions we re happy to make these classics available again for future generations to enjoy

Lorenzo De' Medici at Home

2013

an inventory of the private possessions of lorenzo il magnifico de medici head of the ruling medici family during the apogee of the florentine renaissance provided by publisher

The Life of Lorenzo De' Medici, Called the Magnificent

1799

lorenzo de medici was never an old man he died in 1492 at the age of forty three he came to power in fifteenth century florence at the age of twenty in the twenty odd years of his rule this banker politician international diplomat free wheeling poet and songwriter and energetic revolutionary helped to give shape tone and tempo to that truly dazzling time of western history the renaissance this book by award winning author charles l mee jr recounts the remarkable life of lorenzo de medici and of the times in which he lived

The Life of Lorenzo De' Medici, Called the Magnificent

1846

excerpt from illustrations historical and critical of the life of lorenzo de medici called the magnificent with an appendix of original and other documents not long after the publication of my work i received through the obliging attention of the late earl of bristol bishop of derry then in italy a copy in manuscript of a professed crio fique on the life of lorenzo the production of a learned foreigner who appeared to be well acquainted with the subject and

fully composed to judge of the various topics there discussed although this piece was sent me without the name of the author I did not long remain in doubt on that head another copy having been obligingly transmitted to me by Francis Drake Esq with the information that it was the production of the late Abate Andres who although he was a native of Spain is well known by his proficiency in Italian literature and particularly as the author of the extensive work about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Life of Lorenzo De'Medici, Called the Magnificent ... The Third Edition, Corrected

1797

includes pictures of Lorenzo and important people and places in his life discusses Lorenzo's relationships with other famous Renaissance legends including Leonardo and Michelangelo includes a bibliography for further reading how beautiful is youth that is always slipping away Lorenzo de' Medici a lot of ink has been spilled covering the lives of history's most influential figures but how much of the forest is lost for the trees when historians are asked to pick a point in history when Western civilization was transformed and guided down the path to modernity most of them point to the Renaissance indeed the Renaissance revolutionized art philosophy religion sciences and math with individuals like Galileo Leonardo Michelangelo Raphael Dante and Petrarch bridging the past and modern society in Charles River Editors' Legends of the Renaissance readers can get caught up to speed on the lives of the most important men and women of the Renaissance in the time it takes to finish a commute while learning interesting facts long forgotten or never known most historians credit the city state of Florence as the place that started and developed the Italian Renaissance a process carried out through the patronage and commission of artists during the late 12th century if Florence is receiving its due credit much of it belongs to the Medicis the family dynasty of Florence that ruled at the height of the Renaissance the dynasty held such influence that some of its family members even became pope among all of the Medicis its most famous member ruled during the golden age of Florence at the apex of the Renaissance's artistic achievements Lorenzo de' Medici commonly referred to as Lorenzo the Magnificent was groomed both intellectually and politically to rule Venice and he took the reins of power at just 20 years old of all the fields that were advanced during the Renaissance the period's most famous works were art with iconic paintings like Leonardo's Mona Lisa and timeless sculptures like Michelangelo's David thus it is fitting that both Leonardo and Michelangelo were at times members of Lorenzo's court and the Florentine ruler who also considered himself an artist and poet became known for securing commissions for the most famous artists of the age including the aforementioned legends Piero and Antonio del Pollaiuolo Andrea del Verrocchio Sandro Botticelli and Domenico Ghirlandaio when Lorenzo died in April 1492 he was buried in a chapel designed by Michelangelo legends of the Renaissance the life and legacy of

lorenzo de medici chronicles the life and reign of lorenzo the magnificent examines the relationships he had with other renaissance legends and analyzes his enduring legacy along with pictures of important people places and events in his life you will learn about lorenzo de medici like you never have before in no time at all

The Life of Lorenzo De' Medici, Called the Magnificent

1846

this historic book may have numerous typos and missing text purchasers can usually download a free scanned copy of the original book without typos from the publisher not indexed not illustrated 1908 edition excerpt like to carry between the liverpool and the manchester of italy it was a literary commonplace to compare the merits of venice and florence just as it had been to contrast athens with sparta carthage with rome yet there was much deep lying sympathy venice had been at once the natural and traditional ally of florence against the aggressions of milan and naples they were both guelfic both republics cosimo s change of policy had been unpopular in florence and it is at least probable that some of the unpopularity survived it is significant that on the fall of lorenzo s son the anti medicean party turned to venice and regrafted her republican constitution from the venetian stock the medicean despotism was a corruption a phylloxera only to be exterminated by a replanting of the native vine the resentment of venice against the medici overcome only for a moment in the war against sixtus was a constant cause of difficulty even more active than this resentment was the ambition to extend her pos sessions in the adriatic at the expense of naples which ran counter to the principles of lorenzo s policy could he have relied on the impartial support of venice the papal neapolitan dispute could scarcely have caused a moment s difficulty but venice as lorenzo s ambassador candidly confessed hated him more intensely than satan hates the cross lorenzo s son indeed fled to venice chased from florence by the restless oligarchy even as cosimo had been chased by the albizzi but the venetians had learnt their lesson they advised the exile notto return because they thought his restoration certain if return he did another limitation to lorenzo s diplomacy was the lack of military power

The Life of Lorenzo De' Medici, Called the Magnificent

1825

in the past half century scholars have downplayed the significance of lorenzo de medici 1449 1492 called the magnificent as a patron of the arts less wealthy than his grandfather cosimo the argument goes lorenzo was far more interested in collecting ancient objects of art than in commissioning contemporary art or architecture his earlier reputation as a patron was said to be largely a construct of humanist exaggeration and partisan deference although some recent studies have taken issue with this view no synthesis of lorenzo as art patron and art lover has yet emerged in lorenzo de medici and the art of magnificence historian f w kent offers a new look at lorenzo s relationship to the arts aesthetics collecting and building especially in the context of his role as the political boss maestro della bottega of republican florence and a leading player in renaissance italian diplomacy as a result of this approach which pays careful attention to the events of his short but dramatic life a radically new chronology

of lorenzo s activities as an art patron emerges revealing them to have been more extensive and creative than previously thought kent s lorenzo was broadly interested in the arts and supported efforts to beautify florence and the many medici lands and palaces his expertise was well regarded by guildsmen and artists who often turned to him for advice as well as for patronage lorenzo himself was educated in the arts by such men and kent explores his aesthetic education and taste taking into account what is known of lorenzo s patronage of music and manuscripts and of his own creative work as a major quattrocento poet richly illustrated with photographs of medici landmarks by ralph lieberman lorenzo de medici and the art of magnificence offers a masterful portrait of lorenzo as a man whose achievements might have rivaled his grandfather s had he not died so young

The life of Lorenzo De' Medici, called the magnificent

1847

provides an overview of the lives of lorenzo de medici and his subjects in late fourteenth century florence a renaissance era city state and includes excerpts from poems laws and sermons of the time
