The Art, Science and Spirit of Nursing 1956 winner of the 2013 evergreen book award bronze medal for health and wellness the joys fears intimacies and transcendent moments shared by a nurse and her patients the heart s truth should be required reading at every nursing school in the country it offers a powerful and moving portrait of what it means to be a nurse in writing that is of the highest quality the reader is swept up in the drama of nursing and the compassion with which it is perfused richard selzer surgeon and author davis has perfectly captured the broader arc of movement from awkward insecure novice to competent often morally exhausted clinician with a poet s touch amy m haddad phd in her breathtaking

collection of essays cortney davis reveals the details of flesh that comprise the core of a nurse's experience writing with the power precision and careful observation of a seasoned clinician and the sensitivity of a poet davis guides the reader along the challenging path of her career richard berlin poet and physician cortney davis has an uncanny ability to give voice to the profound act of everyday nursing and its power in transforming the lives of people somehow she sees the shadows and ghosts that fill our bodies and souls and makes sense of them showing us that the divide between patient and provider is an artificial one that can get in the way of true understanding the heart's truth reminds us of the power of reflection and narrative and challenges us to reclaim these ways of knowing in the interest of healing our patients and ourselves diana j mason phd rn faan editor in chief american journal of nursing what is it like to be a student nurse washing the feet of a dying patient to be a newly graduated nurse in charge of the intensive care unit for the first time who wonders if her mistake might have cost a life or to be an experienced nurse who by her presence and care holds a patient to this world poet and nurse practitioner cortney davis answers these questions by examining her own experiences and through them reveals a glimpse into the minds and hearts of those who care for us when we are at our most vulnerable the heart's truth offers the joys frustrations fears and miraculous moments that nurses new and experienced face every day in these finely wrought essays davis traces her twin

paths nursing and writing inviting readers to share what she discovers along the way lessons not only about the human body but also about the human soul rich intimate and never shrinking from the realities of illness the grace of healing or the wonder of words the heart's truth will inspire student caregivers intrigue readers and affirm those who have long worked in nursing a profession that davis calls odd mysterious humbling addicting and often transcendent

The Art of Nursing 2022-01-06 zen and the art of nursing will give you a deeper appreciation for nursing it is an inspirational meditative journey for and about nurses

Images of Nurses 1988 along her 30 year nursing career path kathy mercurio has been privileged to learn some of life's most important lessons often the teachers were unsuspecting unintentional educators in the form of patients their family members and friends join kathy in learning and sharing some light moments dark days and hard learned lessons in the pages of this intimate look at the art of nursing and the life's lessons that are imparted
