<u>Seven Sixes are Forty Three</u> 2004 discover the secrets for how to think and act like the most successful people in the world and reap the rewards in today s constantly changing world you have to be smart to get ahead but the average person uses only about two percent of their mental ability how can we learn to unleash our brain s full potential to maximize our opportunities like the most successful people do in get smart acclaimed success expert and bestselling author brian tracy reveals simple proven ways to tap into our natural thinking talents and abilities and make quantum leaps toward achieving our dreams in this indispensable guide you ll learn to train your brain to think in ways that create successful results recognize and exploit growth opportunities in any situation identify and eliminate negative patterns holding you back plan act and achieve goals with greater precision and speed whether you want to increase sales bolster creativity or better navigate life s unexpected changes get smart will help you tap into your powerful mental resources to obtain the results you want and reap the rewards successful people enjoy

Computer Communication Networks 2004 no marketing blurb

The Course of My Life 1974 the greatest story ever told dispute over land and kingdom may lie at the heart of this story of war between cousins the pandavas and the kouravas but the mahabharata is about conflicts of dharma these conflicts are immense and various singular and commonplace throughout the epic characters face them with no clear indications of what is right and what is wrong there are no absolute answers thus every possible human emotion features in the mahabharata the reason the epic continues to hold sway over our imagination in this superb and widely acclaimed translation of the complete mahabharata bibek debroy takes us

on a great journey with incredible ease

Cryptography and Network Security 2003 this book is a crime thriller set in the by lanes of mumbai one muggy afternoon a senior police officer is found murdered at his desk when inspector virkar from the crime branch arrives at the scene he finds a cryptic note that spills out of a student s compass box then begins a series of killings and in each a telltale compass box reveals more clues accompanied by the attractive ambitious tv reporter raashi hunerwal virkar has to race against time to catch the compass box killer before the bodies pile up as the investigation shuttles from mumbai to khandala to belgaum virkar is taken deep into a labyrinth of backroom deals that lead to shocking revelations about the ruthless killer s motives slick plot twists and high adrenaline action mark the first of the inspector virkar crime thrillers part of the mumbaistan series tough daring and relentless in his pursuit of justice inspector virkar is a policeman one wishes every city had
