promote a lasting student interest in economics and the economy connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it so that your class time is more engaging and effective

*Economics* 1999 mcconnell brue and flynn s macroeconomics brief edition 2e comes from the same author team as the market leading principles of economics textbook macroeconomics brief edition tailors the core concepts from proven leader macroeconomics 19th edition to create a concise introduction to the course that is distinct in purpose style and coverage like the 19th edition macroeconomics brief edition 2e continues to be innovative while teaching students in a clear unbiased way content and pedagogy have 3 main goals help the beginning student master the principles essential for understanding the economizing problem specific economic issues and the policy alternatives help the student understand and apply the economic perspective and reason accurately and objectively about economic matters and promote a lasting student interest in economics and the economy connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it so that your class time is more engaging and effective

*The Economics of Public Issues* 2009 the grand army of the republic the largest of all union army veterans organizations was the most powerful single issue political lobby of the late nineteenth century securing massive pensions for veterans and helping to elect five postwar presidents from its own membership to its members it was also a secret fraternal order a source of local charity a provider of entertainment in small municipalities and a patriotic organization using gar convention proceedings newspapers songs rule books and local post records stuart mcconnell examines this influential veterans association during the years of its greatest strength beginning with a close look at the men who joined the gar in three localities philadelphia brockton massachusetts and chippewa falls wisconsin mcconnell goes on to examine the union veterans attitudes towards their former confederate enemies and toward a whole range of noncombatants whom the veterans called civilians stay at home townsmen mugwump pension reformers freedmen women and their own sons and daughters in the gar mcconnell sees a group of veterans trying to cope with questions concerning the extent of society's obligation to the poor and injured the place of war memories in peacetime and the meaning of the nation and the individual's relation to it mcconnell argues that by the 1890s the gar was clinging to a preservationist version of american nationalism that many white middle class northerners found congenial in the face of the social upheavals of that decade in effect he concludes the nineteenth century career of the gar is a study in the microcosm of a nation trying to hold fast to an older image of itself in the face of massive social change
