The Case for Impeachment

2017-04-18

professor allan j lichtman who has correctly forecasted thirty years of presidential elections makes the case for impeaching the 45th president of the united states donald j trump

The Case for Impeachment

2007-04-01

the war in iraq no bid contracts awarded to halliburton hurricane katrina the cia leak investigation the story gets worse and worse the evidence is glaring george w bush s record as a president is abysmal and it s time to impeach him the case for impeachment lays out the reasons why in a straightforward letter of the law manner mixing the cold hard facts with the lies and deceptions of this administration the case for impeachment is a serious consideration of bush s high crimes and misdemeanors while in office this important and timely book will serve as a rallying cry for all those fed up with george w bush s abuses of power it s time for the american people and congress to act with so much at stake we have a president whose administration stands out in its criminality and disdain for the rule of law the case for impeachment explains the legal history and grounds for impeaching george w bush and brings forth more than a half dozen articles of impeachment the likes of lying and inducing congress and the american people into an unjust war

allowing his friends and business cronies to profiteer off the war in iraq authorizing torture and rendition of prisoners of war and suspected terrorists a complete violation of the geneva conventions a treaty the u s has signed and is therefore part of our law stripping american citizens of their constitutional rights holding people with no charge wiretapping them illegally offering them no trial and never allowing them to face their accusers failing in almost every way possible to defend the homeland and our borders hard hitting and persuasive in its argument the case for impeachment will be one of the most talked about political books for the pathetic remainder of the bush presidency

Just the Facts

1997-12-01

the former us congresswoman offers the watergate investigation as a model for the kind of open wide ranging inquiry that she argues is necessary the new york review of books elizabeth holtzman has been a principled leader and a persistent voice for equality and accountability since she became the youngest woman ever elected to congress in 1973 which she remained for forty two years but she saw american democratic ideals and the rule of law in the united states eroding under president trump and as a member of the house judiciary committee that voted to impeach nixon and one of the members of the homeland security advisory council who resigned in protest of president donald trump s policy of separating families at the border former congresswoman holtzman knows of which she speaks the

case for impeaching trump establishes the requirements for impeachment as set out by the constitution and proves that president trump s actions met those requirements holtzman makes the definitive constitutional case that impeachment was justified elizabeth holtzman has always been the first and the bravest the smartest and most trusted she is the expert we need to deal with an accidental president who got there as a serial sexual harasser a candidate who lost the popular vote and an unsuccessful businessman who was born on third base and thinks he hit a home run now what ask liz gloria steinem praise for elizabeth holtzman a forceful advocate usa today considered one of the brightest stars in new york city politics earning a reputation for intelligence and honesty the washington post a watergate hero the new republic a woman of integrity who lives by her principles publishers weekly

The Case for Impeaching Trump

2018-11-12

read this book and learn how best to protect our democracy tom steyer founder of need to impeach the reasons donald trump must be impeached as per the founding fathers and what you can do to help make that happen three veteran constitutional attorneys say there s no way around it the constitution demands that donald trump must be impeached and in clear language using compelling logic rooted firmly in the constitution they detail why the time to start is now not in the indefinite future after criminal investigations have ended in fact much of trump s impeachable conduct lies

outside the scope of ongoing federal criminal investigations citing charges such as accepting illegal payments from foreign governments using government agencies to persecute political enemies obstructing justice abusing the pardon power and the undermining freedom of the press they provide the factual and legal basis for eight articles of impeachment in short they argue abuses threatening our constitutional democracy should be dealt with by the remedy that the constitution provides for a lawless authoritarian president impeachment and an informed citizenry should be part of the process after all they say impeachment is not a constitutional crisis impeachment is the cure for a constitutional crisis

The Constitution Demands It

2018-08-14

this is a fun gag book with blank pages for your democrat friends who want donald trump impeached or for your republican friends who want to make a point 6 x9 with a glossy cover it can be used as a notebook

The Case for Impeaching Trump

2019-11-27

what is impeachment how does it work and why is it so urgent and necessary to impeach donald trump in this book celebrated supreme court lawyer and former acting solicitor general neal katyal explains the principles of impeachment

and why the current holder of the presidency has left the us people with no choice but to remove him from office no one is above the law this belief is fundamental to how the american system of government is meant to function as fundamental as life liberty and the pursuit of happiness held sacred by democrats and republicans alike but as katyal argues in impeach if president trump is not held accountable for repeatedly asking foreign powers to interfere in the 2020 presidential election this could very well mark the end of us democracy impeachment should always be a last resort explains katyal but the founders core principles and the constitution leave no choice but to impeach president trump before it s too late

Impeach

2019

the new york times bestseller what is impeachment how does it work and why is it so urgent to impeach donald trump no one is above the law this belief is fundamental to how the american system of government is meant to function as fundamental as life liberty and the pursuit of happiness held sacred by democrats and republicans alike but as celebrated supreme court lawyer and former acting solicitor general neal katyal argues in impeach if president trump is not held accountable for repeatedly asking foreign powers to interfere in the 2020 presidential election this could very well mark the end of us democracy impeachment should always be a last resort explains katyal but the founders core principles and the constitution leave no choice but to impeach

president trump before it s too late this clear and direct book explains what impeachment is why it s in the u s constitution and why donald trump has left congress and the american people with no choice but to remove him from office

Journal of Proceedings of the Court of Impeachment in the Case of Josiah E. Hayes, Treasurer of State

1874

this book sets out and explores the case for a modernised impeachment process for the united kingdom the work examines the present law and history of impeachment in the united kingdom which today is widely regarded as having fallen into desuetude and its procedures inappropriate for modern conditions it discusses how impeachment operates in two countries the united states and denmark selected respectively for their marked differences from and similarities to the united kingdom s political and constitutional system for the purposes of illumination and possible lessons for a new impeachment process the book seeks to provide a balanced and independent examination of the case for this concluding that it would have a valuable role to play in the future development of the united kingdom s system of politics and government it concludes by setting out a detailed model for the structure working and effect of impeachment the book will be of interest to students academics and policy makers working in the areas of constitutional law and politics

Impeach

2019-11-16

several books have argued a hypothetical case for impeaching george w bush but congressman dennis kucinich grabbed the bull by the horns and put forward 35 articles of impeachment before congress in june 2008 this book presents all of kucinich s articles along with supplementary material that cannot be found in the congressional record vincent bugliosi s best selling the prosecution of george w bush for murder addresses only one of bush s crimes while dennis kucinich s 35 articles of impeachment fully opens the can of worms proving a case against dozens of executive crimes

2022-06-16

from wednesday january 22 to friday january 24 2020 the 100 members of the united states senate became jurors and listened to members of the united states house of representatives present a case for the impeachment of president donald j trump this book serves as a primary source document of the case presented only the third in american history

The 35 Articles of Impeachment and the Case for Prosecuting George W. Bush

2008

a brilliant lawyer a new and very important book i would encourage all people to read president donald j trump absolutely amazing if you care about justice read this book sean hannity maybe the question isn t what happened to alan dershowitz maybe it s what happened to everyone else politico alan dershowitz has been called one of the most prominent and consistent defenders of civil liberties in america by politico and the nation s most peripatetic civil liberties lawyer and one of its most distinguished defenders of individual rights by newsweek yet he has come under partisan fire for applying those same principles to donald trump during the course of his many appearances in national media outlets as an expert resource on civil liberties and constitutional law the case against removing trump seeks to reorient the debate over impeachment to the same standard that dershowitz has continued to uphold for decades the law of the united states of america as established by the constitution in the author s own words in the fervor to impeach president trump his political enemies have ignored the text of the constitution as a civil libertarian who voted against trump i remind those who would impeach him not to run roughshod over a document that has protected us all for two and a quarter centuries in this case against impeachment i make arguments similar to those i made

against the impeachment of president bill clinton and that i would be making had hillary clinton been elected and republicans were seeking to impeach her impeachment and removal of a president are not entirely political decisions by congress every member takes an oath to uphold the constitution of the united states and the constitution sets out specific substantive criteria that must be met i am thrilled to contribute to this important debate and especially that my book will be so quickly available to readers so they can make up their own minds

The Case Against President Donald J. Trump

2020-01-26

an incisive legal argument that the attempt to impeach then president bill clinton was not only ethically troubling but actually against the basic legal procedures of the house and senate and thus unconstitutional a wake up call relevant even today of the lengths to which the american right will go in order to bring down their rivals even under the scrutinizing eyes of the world

The Case Against Impeaching Trump

2018-07-09

this document details the impeachment proceedings of south korean president roh moo hyun it offers insights into the legal and political intricacies of south korea s constitutional

framework a pivotal moment in south korean governance the case provides a unique lens into the nation s judicial processes

The Case Against Lame Duck Impeachment

2011-01-04

this brilliantly argued and wonderfully written collection by twenty two of the best political analysts in the us analyzes the extraordinary and unprecedented threat the white house and its allies present to civil liberties civil rights the constitution international law and the future of the planet impeach the president unearths the stories behind election fraud in 2000 and 2004 the overt lies used to justify pre emptive war on iraq the extensive ongoing commission of war crimes and torture the tragic failures in the lead up to and aftermath of hurricane katrina and lesser known but equally alarming offences of propaganda and disinformation illegal spying environmental destruction and the violation of the separation of church and state loo and phillips chillingly reveal the full threat behind the radical right wing force that has taken over the world s most powerful office

Impeachment of the President (Roh Moo-hyun) Case

2020-12-08

impeachment proceedings continued until early 1799 when the senate dismissed the impeachment finding that senators are not subject to the process

Impeach the President

2011-01-04

Journal of Proceedings of the Court of Impeachment in the Case of Josiah E. Hayes, Treasurer of State

1874

the democrats special impeachment counsel on the house judiciary committee lays out president trump s shocking pattern of betrayals lies and high crimes arguing articles of impeachment to the ultimate judges the american people in his behind the scenes account of the attempts to bring the president to justice from filing the very first legal actions against him through the mueller report to the turbulent impeachment and trial to the president s ongoing wrongdoing today norman eisen at the forefront of the battle since the day of trump s inauguration pulls back the curtain on the process he reveals ten proposed articles of impeachment not just the two that were publicly tried all of which he had a hand in drafting he then guides us through

trump s lifelong instincts that have dictated his presidency a cycle of abuse corruption and relentless obstruction of the truth since taking the oath of office donald trump has been on a spree of high crimes and misdemeanors using the awesome power of the presidency for his own personal gain at the expense of the american people he has inflamed our divisions for his electoral benefit with flagrant disregard for the constitution that makes us america each step of the way he has lied incessantly including to cover up his crimes and yet he remains in the country s highest office congress federal and state prosecutors and courts have worked to hold the president accountable for his myriad offenses with some surprising successes and devastating failures eisen who served as special counsel to the house judiciary committee for trump s impeachment and trial presents the case against trump anew eisen s gripping narrative and rousing closing argument at turns revelatory insightful and enraging will inspire our nation of judges history has proven that this president s nefarious behavior will continue no matter the crisis but as eisen s candid retelling affirms there is an ultimate constitutional power that transcends the president s a power that can and must defeat him if our nation is to survive the verdict of the american people remains in the balance it is time for us to act

The First Impeachment

1998

the politics of presidential impeachment takes a distinctive and fresh look at the impeachment provision of the us

constitution instead of studying it from a legal constitutional perspective the authors use a social science approach incorporating extensive case studies and quantitative analysis focusing on four presidents who faced impeachment processes andrew johnson richard nixon ronald reagan and bill clinton they examine the conditions under which presidential impeachment is likely to occur and argue that partisanship and the evolving relationship between congress and the president determine its effectiveness as an institutional constraint they find that in our contemporary political context the propensity of congress to utilize the impeachment tool is more likely but given the state of heightened partisanship impeachment is less likely to result in removal of a president the authors conclude that impeachment is no longer a credible threat and thus no longer an effective tool in the arsenal of checks and balances the book also offers a postscript that discusses the impeachment of president donald j trump

The Case for the Central Powers

2020-10-26

the case to impeach and imprison joe biden is author mike mccormick s eyewitness account from six years as joe biden s white house stenographer traveling with him to ukraine and honduras and many other countries during this assignment he found the vice president buffoonish and unpresidential mccormick who made national news in april 2023 by revealing he submitted evidence to the fbi that would impeach joe biden confirms that he was interviewed

extensively about his knowledge of biden s corruption and evil by investigators from the house oversight committee and the senate homeland security governmental affairs committee amazon com

A Case for the American People

2020-07-28

president obama must be removed from office and authority as he violated his oath of office and ignored our constitution as the supreme law of the land through congress he is attempting to cancel our constitution and bill of rights as being obsolete the president has run amuck his unconstitutional behavior is beyond reason

The Politics of Presidential Impeachment

2020-08-01

we still imagine ourselves a nation of laws not of men this is not merely an article of faith but a bedrock principle of the united states constitution our founding compact provides a remedy against rulers supplanting the rule of law and andrew c mccarthy makes a compelling case for using it the authors of the constitution saw practical reasons to place awesome powers in a single chief executive who could act quickly and decisively in times of peril yet they well understood that unchecked power in one person s hands posed a serious threat to liberty the defining american

imperative much of the debate at the philadelphia convention therefore centered on how to stop a rogue executive who became a law unto himself the framers vested congress with two checks on presidential excess the power of the purse and the power of impeachment they are potent remedies and there are no others it is a straightforward matter to establish that president obama has committed high crimes and misdemeanors a term signifying maladministration and abuses of power by holders of high public trust but making the legal case is insufficient for successful impeachment leading to removal from office impeachment is a political matter and hinges on public opinion in faithful execution mccarthy weighs the political dynamics as he builds a case assembling a litany of abuses that add up to one overarching offense the president's willful violation of his solemn oath to execute the laws faithfully the fundamental transformation he promised involves concentrating power into his own hands by flouting law statutes judicial rulings the constitution itself and essentially daring the other branches of government to stop him mccarthy contends that our elected representative are duty bound to take up the dare

The Case to Impeach and Imprison Joe Biden

2023

the complete riveting transcript of the historic case against the president for igniting the january 6 siege of the capitol prosecution of an insurrection is the complete riveting

transcript of the historic case against president donald j trump for igniting the january 6 siege of the capitol following the norm shattering attempt by his followers to disrupt the peaceful transfer of power the second impeachment trial of the president seared a new lexicon into our collective consciousness and marked a watershed moment in american history the case presented to the senate by impeachment managers from the house marked a bravura performance by members of congress who were themselves the targets of the rioters incited by the president only days earlier citizens disturbed by the events of january 2021 and republican attempts to rewrite history will find in these pages the most authoritative record of one of our democracy s darkest hours including the official articles of impeachment against the president for incitement of an insurrection the response of president trump to the articles of impeachment on behalf of the house defense lawyers the complete trial transcript including the full text of the arguments made by the house representatives and the full text of the president s defense headshots from the trial of all nine house impeachment managers in action including lead manager representative jamie raskin as well as all three house defense lawyers photographs timelines and screenshots of tweets entered as evidence as well as stills from the videos presented prosecution of an insurrection preserves for posterity an episode that ranks with the mccarthy hearings watergate and the iran contra investigation for its importance in american political history

I Sued President Barack Obama

2010-06-01

baumgartner kada and thier contributors examine presidential impeachment in such varied settings as the united states russia colombia brazil venezuela the philippines and madagascar in all of these countries there has been a serious impeachment attempt within the past decade or so the results of each impeachment attempt vary from unsuccessful attempts to those which were successful in the latter case some resulted in presidents remaining in office others in removal of the president and in one case the forced resignation of a president the common framework of each analysis includes a discussion of the historical and constitutional bases of the presidency the institutional balance of power provisions for impeachment and the structure of party politics in each country in addition the role that public opinion plays in the process is discussed while broad the framework permits comparison between the cases and some general conclusions about all phases of the impeachment process and executive accountability can be drawn one of the most important conclusions is that contrary to popular wisdom impeachment is most definitively not a strictly legal process but rather one that is highly political from start to finish as the volume makes clear it is most useful to view impeachment by way of examining the intersection of executive legislative relations partisan political conflict and public opinion

CASE FOR THE CENTRAL POWERS

2018

this brand new book by professor dershowitz is absolutely amazing if you care about justice and the president with the witch hunt you re going to want to read this book sean hannity maybe the question isn t what happened to alan dershowitz maybe it s what happened to everyone else politico alan dershowitz has been called one of the most prominent and consistent defenders of civil liberties in america by politico and the nation s most peripatetic civil liberties lawyer and one of its most distinguished defenders of individual rights by newsweek yet he has come under partisan fire for applying those same principles to donald trump during the course of his many appearances in national media outlets as an expert resource on civil and constitutional law the case against impeaching trump seeks to reorient the debate over impeachment to the same standard that dershowitz has continued to uphold for decades the law of the united states of america as established by the constitution in the author s own words in the fervor to impeach president trump his political enemies have ignored the text of the constitution as a civil libertarian who voted against trump i remind those who would impeach him not to run roughshod over a document that has protected us all for two and a quarter centuries in this case against impeachment i make arguments similar to those i made against the impeachment of president bill clinton and that i would be making had hillary clinton been elected and republicans were seeking to impeach her impeachment and

removal of a president are not entirely political decisions by congress every member takes an oath to uphold the constitution of the united states and the constitution sets out specific substantive criteria that must be met i am thrilled to contribute to this important debate and especially that my book will be so quickly available to readers so they can make up their own minds

excerpt from the case for the central powers an impeachment of the versailles verdict care has been taken in translating the work to verify the quotations from official and other documents and to give the english official translations wherever possible the latter are chiefly taken from the collection of diplomatic documents relating to the outbreak of war published by the foreign office an exception has been made in the case of the telegrams exchanged between the tsar and the emperor william which are given in the original english in the german documents to which reference is made where english translations exist of the various publications referred to in the footnotes the titles are given in the bibliography appended to this translation about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an

imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Case for the Central Powers

1925

park geun hye was truly a political phenomenon she was elected democratically twice chosen as the leader of her party and served in the south korean legislature for over fourteen years her countrymen dubbed her the queen of elections for her successful leadership in winning her own elections and steering her party to great electoral victories yet in 2016 2017 she was impeached and subsequently removed from office how did it happen how could it have happened how why and with what justification was president park south korea s first female president impeached and removed from office in impeaching the impeachment peter pyungwoo kim sets the record straight and provides a unique insider s perspective on the legal procedural and political issues involved in the lead up to south korea s impeachment and the removal from office of its first female president few can better answer these questions and explain the how the impeachment came about than kim a well known and respected korean attorney who served as one of the main defense lawyers on park s legal team during her impeachment trial before south korea s constitutional court in this first book specifically devoted to the subject in english

kim traces the historic case from the legislature's vote to impeach park to the beginning of the trial in which he defended her it is a cautionary tale a plea for justice and for the rule of law and a fascinating description of an unfolding political crisis that is of relevance to citizens of other democratic nations

Journal of the Court for the Trial of Impeachments

1868

new york times bestselling author one of america's most respected legal scholars a democrat explains why impeachment proceedings against donald trump would be a bad idea for america in the 2018 new york times bestseller the case against impeaching trump alan dershowitz lamented how american political discourse has devolved into hypocrisy and the criminalization of political differences in the rush to impeach president trump arguments to impeach trump failed dershowitz's shoe on the other foot test or his political golden rule democrats must do unto republicans what they would have republicans do unto them and vice versa since then we've only become more divided and the impeachment power wielded by the democratic majority in the house of representative threatens to further polarize the country the case against the democratic house impeaching trump includes and expands upon dershowitz's 2018 book it puts recent political events including the hyper partisan kavanaugh hearings the unrestrained power of the mueller investigation and the generally intolerant current political

discourse into context american democracy dershowitz argues is suffering from political hypocrisy and two years of impeachment proceedings brought by the house and the media circus that would undoubtedly surround them is clearly not the answer this book is alan dershowitz s plea for honest dialogue for arguments that would be made even if the shoe was on the other foot

Prosecution of an Insurrection

2022-01-04

is the process of political communications by the news media and by parties responsible for civic malaise a virtuous circle sets out to challenge the conventional wisdom that it is based on a comparative examination of the role of the news media and parties in postindustrial societies this study argues that rather than mistakenly blaming the messenger we need to understand and confront more deep rooted flaws in the systems of representative democracy

The 35 Articles of Impeachment and the Case for Prosecuting George W

2008

this landmark volume of specially commissioned original contributions by top international scholars organizes the issues and controversies of the rich and rapidly maturing field of comparative constitutional law divided into sections on constitutional design and redesign identity structure

individual rights and state duties courts and constitutional interpretation this comprehensive volume covers over 100 countries as well as a range of approaches to the boundaries of constitutional law while some chapters reference the text of legal instruments expressly labeled constitutional others focus on the idea of entrenchment or take a more functional approach challenging the current boundaries of the field the contributors offer diverse perspectives cultural historical and institutional as well as suggestions for future research a unique and enlightening volume comparative constitutional law is an essential resource for students and scholars of the subject
